Alan R. King

Navarra The Durable Kingdom:

Navarra, the Durable Kingdom Rachel Bard, 1982 Queens, Empresses, Grand Duchesses and Regents Olga S. Opfell, 2024-12-12 This book presents the lives and accomplishments of 39 women rulers not in name only but wielders of real power Celebrated queens like England's Elizabeth I share equal space here with lesser known monarchs like Giovanna I of Naples and Maria da Gloria of Portugal The flamboyant such as Christina of Sweden contrast with the moralistic like Maria Theresa of Austria Each is the heroine of an often dramatic story involving dynastic interplay and court politics The complex forces that have impeded or sparked the royal performances are detailed **Basque Nationalism and the Spanish State** André Lecours, 2007-07-13 An examination of Basque nationalism from a historical perspective Basque nationalism has been extensively examined from the perspectives of Basque culture and internal conditions in the Basque Country but André Lecours is among the first to demonstrate how Basque nationalism was shaped by the many forms and historical phases of the Spanish state His discussion employs one of the most debated approaches in the social sciences historical institutionalism and it includes an up to date examination of the circumstances for and consequences of recent events such as ETA's announcement in 2006 of a permanent cease fire Lecours also analyzes other aspects of Basque nationalism including the international relations of the Basque Autonomous Government as well as the responses of the contemporary Spanish state and how it deploys its own brand of nationalism Finally the book offers a comparative discussion of Basque Catalan Scottish Flemish and Quebecois nationalist movements suggesting that nationalism in the Basque Country despite the historical presence of violence is in many ways similar to nationalism in other industrialized democracies **Basque Nationalism and the Spanish State** is an original and provocative discussion that is essential reading for anyone interested in the Basques or in the development of modern nationalist movements Identity, Culture, And Politics In The Basque Diaspora Gloria Pilar Totoricagüena, 2015-03-20 Gloria P Totoricagüena presents a thorough comparative examination of the remarkable endurance of Basque identity and culture in six countries of the far flung Basque diaspora Using the results of interviews and extensive anonymous surveys with more than eight hundred informants in the diaspora plus extensive research in archives and printed sources in all six of her study countries Totoricagüena reveals for the first time the complex and interrelated universe of these dispersed Basques She explores the elements of their migration patterns and the institutions that have encouraged identity maintenance the impacts on established communities of each new wave of immigrants and the nature of economic and political ties with the homeland Totoricagüena offers a superb quantitative study of an aspect of Basque culture that has been largely ignored by scholars the diaspora In doing so she enlarges the understanding of cultural identity in general how it is defined and preserved how it evolves over time and how both the politics of distant places and the most intimate family habits can shape an individual's sense of self **Identity Culture and Politics in the Basque Diaspora** is a major contribution to the knowledge of Basques and their persistent political and cultural traditions *The Ways of Federalism in Western*

Countries and the Horizons of Territorial Autonomy in Spain Alberto López - Basaguren, Leire Escajedo San Epifanio, 2013-06-13 Territorial autonomy in Spain has reached a crossroads After over thirty years of development the consensus regarding its appropriateness has started to crumble The transformation project embodied by the reform of Statute of Catalonia 2006 has failed to achieve its most significant demands Although the concept of Spain as a Federation is disputed more within the country than beyond the evolution of the Spanish system needs to follow a markedly federalist path In this perspective reference models assume critical importance This edition gathers the works of a broad group of European American and Spanish experts who analyse the present day challenges of their respective systems The objective thus is to contribute ideas which might help to address the evolution of the Spanish system in the light of the experience of more established Federations This second volume focuses its attention on the difficulties and challenges faced in two particular fields On the one hand the field of intergovernmental relations and on the other questions related to the integration and acknowledgement of diversity and of Fundamental Rights with special reference to the cases of Canada and Spain Finally there is analysis of other specific aspects of the system of territorial autonomy in Spain **Landownership & Power Mod**

Eur Martin Blinkhorn, Ralph Gibson, 2002-06 First Published in 1991 Routledge is an imprint of Taylor Francis an informa company The Borgia Family Jennifer Mara DeSilva, 2019-10-11 The Borgia Family Rumor and Representation explores the historical and cultural structures that underpin the early modern Borgia family their notoriety and persistence and reinvention in the popular imagination The book balances studies focusing on early modern observations of the Borgias and studies deconstructing later incarnations on the stage on the page on the street and on the screen It reveals how contemporary observers later authors and artists and generations of historians reinforced and perpetuated both rumor and reputation ultimately contributing to the Borgia Black Legend and its representations Focused on the deeds and posthumous reputations of Pope Alexander VI and his children Cesare and Lucrezia Borgia the volume charts the choices made by the family and contextualizes them amid contemporary expectations and reactions Extending beyond their deaths it also investigates how the Borgias became emblems of anti Catholic and anti Spanish criticism in the later early modern period and their residing reputation as the best and worst of the Renaissance Exploring a spectrum of traditional and modern media The Borgia Family contextualizes both Borgia deeds and their modern representations to analyze the family's continuing history and meaning in the twenty first century It will be of great interest to researchers and students working on interdisciplinary aspects of the Renaissance and early modern Italy Berengaria of Navarre Gabrielle Storey, 2024-06-03 Berengaria of Navarre was queen of England 1191-99 and lord of Le Mans 1204-30 but has received little attention in terms of a fully encompassing biography from Navarrese Anglophone and French perspectives This book explores her political career whilst utilising the surviving documentation to demonstrate her personal and familial partnerships and life as a dowager queen This biography follows Berengaria's journey from a Navarrese infanta raised in the northern Iberian kingdom

to her travels across Europe to marriage and the Third Crusade venturing through Sicily Cyprus and on to the Holy Land in 1191 Berengaria's reign and early years as dowager queen are examined in the context of the Anglo French conflict and domestic disputes before her decision to negotiate with the king of France Philip Augustus and become lord of Le Mans for which she is far better known in local memory The volume flows chronologically discussing her roles as infanta queen dowager and lord and is an ideal resource for scholars and those interested in the history of gender queenship lordship and Western Europe in the twelfth and thirteenth centuries

Cousins and Strangers Jose C. Moya, 1998-03-31 Moya commands not only the statistical sources but the literary and folklorical ones as well weaving them in a history that is both analytical and narrative A superb book that will be a standard monument not only for Spanish migration and Argentine history but for migration history in general Walter Nugent University of Notre Dame A major achievement it represents a vast comprehensive research effort on two continents using a world wide background literature and a stunning array of research techniques all well integrated on a topic of large scope and significance The entire enterprise is watched over by an acute curious lively mind in notable equilibrium and equanimity bringing the research to life fereting out the implications of widely scattered and apparently disparate facts and reaching many new significant and well founded conclusions James Lockhart University of California Los Angeles By far the most original on its subject this book will become a landmark study in Latin American history David Rock University of California Santa Barbara The scope and depth of Moya's research are impressive His imaginative use of sources and evidence and lively frequently entertaining prose make this a stimulating satisfying and ascinating study This is scholarship that is meticulous well reasoned and highly original Ida Altman University of New Orleans One of the truly first rate studies in the vast migration literature an authentic tour de force William Douglass University of Nevada Reno

Art of Estrangement Pamela Anne Patton, 2012 Examines the influential role of visual images in reinforcing the efforts of Spain's Christian ruled kingdoms to renegotiate the role of their Jewish minority following the territorial expansions of the twelfth and thirteenth centuries Provided by publisher

De Europae dissidiis et republica Juan Luis Vives, 2019-07-01 The De Europae dissidiis et republica On Conflicts in Europe and on the Commonwealth is a collection published by Vives in 1526 that has been called his summa politica It contains five letters to Henry VIII and three prelates including Cardinal Wolsey a Lucian style underworld satire on European wars and the Turkish threat and Latinizations of two political speeches by Isocrates It counsels the pursuit of peace following Christian principles but it also explores the possibility of an aggressive war against the Turks as the means of unifying and saving European Christendom It urges the calling of a council to deal with Luther We present critical Latin texts and for the first time English translations with introduction and notes

Sovereignty Revisited Åshild Kolås, Pedro Ibarra Güell, 2017-08-07 This book explores the new debates on Basque sovereignty and statehood that have emerged in the post violence Basque political scenario It deciphers how sovereignty is understood or imagined by a revitalized civil society after the unilateral cessation of operations

by ETA Basque Homeland and Freedom The contributors to this book investigate the new political field developing in the nexus between conventional party politics established socio cultural and linguistic organizations creative civil society initiatives and innovative activism This book is for graduate students scholars and professionals in political science social anthropology European studies political philosophy transnational studies sociology political geography and global studies It will also be of interest to academic specialists in Basque studies specialists working on sovereignty nationalism and globalization and professionals in governance international relations foreign affairs European politics and diplomacy

The Queens Regnant of Navarre Elena Woodacre,2013-09-04 The five queens of Navarre were the largest group of female sovereigns in one European realm during the Middle Ages but they are largely unknown beyond a regional audience This survey fills this scholarly lacuna focusing particularly on issues of female succession agency and power sharing dynamic between the queens and their male consorts

The Basque Language Alan R. King,2016-06-01 Since its first publication in 1994 Alan R King s introduction to the Basque language has become the standard textbook for classroom language students and individuals learning this unique language on their own It offers clear explanations of grammatical structure exercises that allow students to practice grammatical and communication skills dialogues and narrative texts that provide a glimpse into Basque social and family life It also provides exercises in pronunciation and tips for instructors and students to help them achieve fluency in modern Basque

Liberalism, Fascism, Or Social Democracy Gregory M. Luebbert,1991 An analysis of the political development of Western Europe in the late 19th and early 20th centuries which argues that the evolution of nations into liberal democracies social democracies or fascist regimes was attributable to a set of social and class alliances within the individual nations

Iberian Worlds Gary W. McDonogh,2009 A vivid reading of globalization through centuries of Iberian peoples places and encounters

Three Medieval Queens Lisa Benz St. John,2012-06-04 This book is an innovative study offering the first examination of how three fourteenth century English queens Margaret of France Isabella of France and Philippa of Hainault exercised power and authority It frames its analysis around four major themes gender status the concept of the crown and power and authority

Nonstate Actors In International Politics Phillip Taylor,2019-03-01 One of the most notable trends in the study of international relations is the resurgence of interest in international organizations particularly those outside the United Nations Regional international governmental organizations multinational corporations international labor unions and transnational ethnic groups have become increasingly salient actors in world politics OPEC NATO EEC and PLO for example are all widely understood acronyms and even a casual review of the crises in Iran and Afghanistan reveals the pervasive involvement of NATO the European Community the Islamic Conference the International Olympic Committee and more than one hundred other international governmental and nongovernmental organizations Although international organizations are not likely to replace nation states as the primary actors in world politics their growing involvement in global political and economic issues challenges the assumptions of the

traditionalists state centric model as well as those whose interests begin and end with the United Nations This book goes beyond the traditional UN focused studies of nonstate actors to provide students with a comprehensive analytical survey of the many other organizations that help shape today s events A common framework is used to examine what each nonstate actor does how it organizes to achieve its ends and how it makes multilateral international decisions The degree of integration in each nonstate actor is evaluated New Mexico Genealogist ,1992 *Home Away From Home* Jeronima Echeverria,1999-11-01 In this meticulously researched study of Basque boardinghouses in the United States Jeronima Echeverria offers a compelling history of the institution that most deeply shaped Basque immigrant life and served as the center of Basque communities throughout the West She weaves into her narrative the stories of the boarding house owners and operators and the ways they made their establishments a home away from home for their fellow compatriots as well as the stories of the young Basques who left the security of their beloved homeland to find work in the United States

The book delves into Navarra The Durable Kingdom. Navarra The Durable Kingdom is an essential topic that must be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Navarra The Durable Kingdom, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to Navarra The Durable Kingdom
- Chapter 2: Essential Elements of Navarra The Durable Kingdom
- Chapter 3: Navarra The Durable Kingdom in Everyday Life
- Chapter 4: Navarra The Durable Kingdom in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of Navarra The Durable Kingdom. The first chapter will explore what Navarra The Durable Kingdom is, why Navarra The Durable Kingdom is vital, and how to effectively learn about Navarra The Durable Kingdom.
3. In chapter 2, the author will delve into the foundational concepts of Navarra The Durable Kingdom. This chapter will elucidate the essential principles that need to be understood to grasp Navarra The Durable Kingdom in its entirety.
4. In chapter 3, the author will examine the practical applications of Navarra The Durable Kingdom in daily life. This chapter will showcase real-world examples of how Navarra The Durable Kingdom can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Navarra The Durable Kingdom in specific contexts. The fourth chapter will explore how Navarra The Durable Kingdom is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about Navarra The Durable Kingdom. This chapter will summarize the key points that have been discussed throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Navarra The Durable Kingdom.
