Law,2013-04-26 Terrorism is one of the forces defining our age but it has also been around since some of the earliest civilizations This one of a kind study of the history of terrorism from ancient Assyria to the post 9 11 War on Terror puts terrorism into broad historical political religious and social context The book leads the reader through the shifting understandings and definitions of terrorism through the ages and its continuous development of themes allows for a fuller understanding of the uses of and responses to terrorism The study of terrorism is constantly growing and ever changing In *Terrorism A History* Randall Law gives students and general readers access to this rich field through the most up to date research combined with a much needed long range historical perspective He extensively covers jihadism the Israeli Palestinian conflict Northern Ireland and the Ku Klux Klan plus lesser known movements in Uruguay Algeria and even the pre modern uses of terror in ancient Rome medieval Europe and the French Revolution among other topics **The New York Times Book Review** ,1995-11 Soldiers of the Night: The Story of the French Resistance David Schoenbrun,2019-08-09 The most complete account of the French Resistance in English and the most sensitive A masterful rendering of the Resistance Philip Hallie The New York Times A celebration and a memorial Mr Schoenbrun has had long conversations with a number of the best known survivors each one the keeper of a sacred flame the fullest account of the French Resistance in English Robert O Paxton The New York Review of Books Political history chiefly not heroics the most extensive account in English of the two French Resistances that of the Underground against Vichy and the Nazis and that of de Gaulle against all other claimants to authority over fallen France including prominently the Allies A memorable and important book Kirkus Reviews Former CBS Paris bureau chief David Schoenbrun gives us an excellent solidly researched account of the struggle waged by that gallant handful who sabotaged railroads and power plants rescued Allied fliers and Jewish fugitives assassinated German and Vichy officials then fought pitched battles against elite Wehrmacht formations With great objectivity and verve Schoenbrun chronicles the often muddled uncoordinated efforts of the Resistance through the four dark years of Nazi occupation Systematically and factually he explains the workings on the fragmented organizations that kept on fighting in spite of the Germans ruthless attempts to stamp them out Martin Sokolinsky Christian Science Monitor A marvelous book stories of heroism and self sacrifice that challenge belief Schoenbrun has created a prodigious work crowded with compelling stories Richard J Walton Saturday Review Important richly deserving of acclaim The first comprehensive account in English of the French Resistance held together by a fine reporter s instinct of how to tell a story and how to tell it well Houston Chronicle **A History of Evil in Popular Culture** Sharon Packer MD,Jody Pennington,2014-07-15 Evil isn t simply an abstract theological or philosophical

talking point In our society the idea of evil feeds entertainment manifests in all sorts of media and is a root concept in our collective psyche This accessible and appealing book examines what evil means to us Evil has been with us since the Garden of Eden when Eve unleashed evil by biting the apple Outside of theology evil remains a highly relevant concept in contemporary times evil villains in films and literature make these stories entertaining our criminal justice system decides the fate of convicted criminals based on the determination of their status as evil or insane This book examines the many manifestations of evil in modern media making it clear how this idea pervades nearly all aspects of life and helping us to reconsider some of the notions about evil that pop culture perpetuates and promotes Covering screen media such as film television and video games print media that include novels and poetry visual media like art and comics music and political polemics the essays in this book address an eclectic range of topics The diverse authors include Americans who left the United States during the Vietnam War era conservative Christian political pundits rock musicians classical linguists Disney fans scholars of American slavery and experts on Holocaust literature and films From portrayals of evil in the television shows *The Wire* and *24* to the violent lyrics of the rap duo Insane Clown Posse to the storylines of the *Lord of the Rings* and *Harry Potter* books readers will find themselves rethinking what evil is and how they came to hold their beliefs **World War II in Literature for Youth** Patricia Hachten Wee, Robert James Wee, 2004 This comprehensive volume provides a wealth of information with annotated listings of more than 3 500 titles a broad sampling of books on the war years 1939 1945 Includes both fiction and nonfiction works about all aspects of the war Professional resources for educators aligned to the educational standards for social studies technical references periodicals and electronic resources a directory of WWII museums memorials and other institutions and topics for exploration complement this excellent library and classroom resource **Counter-Terrorism and International Law** Katja L.H. Samuel, 2017-03-02 The articles and essays in this volume consider the problem of international terrorism from an international legal perspective The articles address a range of issues starting with the dilemma of how to reach agreement on what constitutes terrorism and how to encapsulate this in a legitimate definition The essays move on to examine the varied responses to terrorism by states and international organisations These responses range from the suppression conventions of the Cold War which were directed at criminalising and punishing various manifestations of terrorism to more coercive executive led responses Finally the articles consider the role of the Security Council in developing legal regimes to combat terrorism for example by the use of targeted sanctions or by general legislative measures An evaluation of the contribution of the sum of these measures to the goals of peace and security as embodied in the UN Charter is central to this collection *The Encyclopedia of Best Films* Jay Robert Nash, 2019-10-23 This all inclusive A Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on The work offers more than 5 000 three to five star entries three stars good four stars excellent five stars masterpiece and yes author Jay Robert Nash has viewed every single

one of them as well as many more that did not make the cut In addition to a precis each film's entry also includes a listing of the cast as well as the key principles involved in production from the director to the hair stylist Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children Unlike the industry rating system which can be influenced by studio lobbying Nash objectively evaluates each film and confers upon it one of four recommendations for viewing recommended acceptable cautionary and unacceptable Backmatter includes a list of top films by genre i e animated drama sports mystery adventure etc as well as an annotated name index listing all persons mentioned along with their dates of birth and death Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection

*Why "Good Kids" Turn into Deadly Terrorists* Alice LoCicero, 2014-07-29 Using psychological theory and the author's direct experience working with at risk youth this book answers the questions on the minds of anyone shocked and appalled by the events of the Boston Marathon bombings The shock of the 2013 Boston Marathon bombings was soon followed by a revelation initially disturbing and mystifying two apparently unremarkable brothers one a teenager the other a young adult both well liked immigrants and longtime U S residents had allegedly triggered the bombs Why were these two seemingly normal individuals driven to commit such acts of coldblooded violence This book examines not only the lives motivations and key influences of these infamous brothers but those of other young unexpected terrorists worldwide comparing factors that contributed to their decisions to become terrorists and identifying methods used to recruit them into that deadly fold The chapters teach readers warning signs that youths are being drawn in to terrorism and serve to spur meaningful conversations among citizens politicians and policymakers about what we can do to prevent such recruitment of youths and young adults including other U S residents who might consider emulating the Tsarnaev brothers The book also addresses larger related questions such as whether humans are naturally violent who benefits when young individuals engage in terrorism and why minors are recruited to become killers

**Subject Guide to Books in Print**, 2001 *Thinking about Terrorism* Michael E. Tigar, 2007 Written by one of the top trial lawyers alive today this is Michael Tigar's look at how government through history has responded to terrorism with an analysis of our own government's response to the attacks of 9/11 particularly in regard to our own civil liberties When does safety at any cost undermine the very basis for our republic This book is a must read for anyone concerned with the state of our civil liberties today *American Civilian Counter-terrorist Manual* Alan Allen, 2008-03-18 Spring 2010 This historical novel finds President Reagan at odds with his daughter Vice President White House Staff and Cabinet as Ronnie and Nancy try to do the best acting of their lives to leave the White House alive unabridged edition Our most loved and hated President after Kennedy and before Obama Ronnie struggles to defeat the Evil Empire and not lose his mind to Alzheimer's dementia Can he still trust Bill Casey and George Bush George Shultz Selwa Roosevelt and Mike Deaver Can Ronnie find out who's pulling his strings A fervent anti Communist and Nazi hater praised by his wife Nancy and ultra conservatives groomed by Bechtel Corporation

since 1950 and sold StarWars by Dick Cheney and Paul Nitze during the most scandal ridden presidency in American history daughter Patti college students and flower children despised Reagan for supporting the Vietnam War and Contra death squads and felt the Reagan Bush Administration was run by Nazis As it turns out it was This historical novel documents the foreign policy national security and monetary policies of the Reagan Bush Administration were run by Nazis thru the life of character Reinhard Gehlen Hitler s chief of Foreign Armies East intelligence whom Dulles hired to run and train CIA as Freikorps Nazi death squad torturers terrorists and assassins who then trained the Contras that Gehlen was later handled by Bill Casey Ronnie s campaign manager then George Bush Ronnie s vice president to fight exaggerate and invent the Cold War in order to capture the Russian Baku oil fields Based on autobiographies of the Reagan family Cabinet and White House Staff the 650 page book includes a 250 page epilog of documentation and a 50 pg researchers index footnotes and an extensive appendix including charts from Staff Report Committee on Banking Currency Housing House of Representatives 94th Congress 2d session Aug 1976 Federal Reserve Directors a Study of Corporate Banking Influence The charts trace from 1913 to present the family dynasties of the private owners and interlocking directorate of the Federal Reserve Bank and other G 8 central banks the World Order and New World Order whom Bill Casey George Shultz the Bushes bin Ladens Thyssens Rockefellers Rothschilds Browns Harrimans and Reinhard Gehlen worked for and against whose family ancestors the American Revolution was fought and whose family decedents today continue to dominate the financial political economic and bailout and foreclosure landscape with financial terrorism Additionally the historical novel follows the family dynasties of the private owners of the interlocking directorate of the Fed G8 including Bank of England and Bundesbank and other central banks involved in the American Revolution of 1776 the American Civil War the depressions in the late 1800s and early 1900s the founding of the privately owned Federal Reserve Bank in 1913 WWI the financing of the Bolshevik party from New York and thru Ruskombank which supplied U S technology and weapons and military vehicles to communist Russia who supplied them to the Viet Cong to kill Americans Appendices also document the previously hypothesized money issuing class that prints and owns our money that rules the upper class middle class working class and unemployed classes The appendix also includes documentation of the Clinton era involvement with HUD corruption when Bill was Governor and Hillary was a HUD attorney HUD sold billions of dollars of foreclosed properties in East L A at ten cents on the dollar to the Fed founded Dillion Read bank Ronnie was advised about the marriage of the oil and illegal drug industries and the case by the European Union and Central and South American countries against Reynolds Tobacco for laundering heroin and cocaine profits with Camel Cigarettes      *The Trial of the Germans* Eugene Davidson,1997 Examines each of the defendants in the Nuremberg Trials during which charges were brought against members of Hitler s Third Reich for wartime atrocities and considers questions of whether the trials were necessary and just      *The Oxford Illustrated History of the Third Reich* Robert Gellately,2018-02-14 At age thirty in 1919 Adolf Hitler had no accomplishments He was a rootless loner a corporal in

a shattered army without money or prospects A little more than twenty years later in autumn 1941 he directed his dynamic forces against the Soviet Union and in December the Germans were at the gates of Moscow and Leningrad At that moment Hitler appeared however briefly to be the most powerful ruler on the planet Given this dramatic turn of events it is little wonder that since 1945 generations of historians keep trying to explain how it all happened This richly illustrated history provides a readable and fresh approach to the complex history of the Third Reich from the coming to power of the Nazis in 1933 to the final collapse in 1945 Using photographs paintings propaganda images and a host of other such materials from a wide range of sources including official documents cinema and the photography of contemporary amateurs foreigners and the Allied armies it distils our ideas about the period and provides a balanced and accessible account of the whole era

**The Human Radiation Experiments** Advisory Committee on Human Radiation Experiments, 1996-06-06 This book describes in fascinating detail the variety of experiments sponsored by the U S government in which human subjects were exposed to radiation often without their knowledge or consent Based on a review of hundreds of thousands of heretofore unavailable or classified documents this Report tells a gripping story of the intricate relationship between science and the state Under the thick veil of government secrecy researchers conducted experiments that ranged from the mundane to such egregious violations as administering radioactive tracers to mentally retarded teenagers injecting plutonium into hospital patients and intentionally releasing radiation into the environment This volume concludes with a discussion of the Committee's key findings and guidelines for changes in institutional review boards ethics rules and policies and balancing national security interests with individual rights Ethicists public health professionals and those interested in the history of medicine and Cold War history will be intrigued by the findings of this landmark report Saints and Soldiers Rita Katz, 2022-10-11 Winner 2022 Nellie Bly Book Award Chanticleer International Book Awards More than a decade ago counterterrorism expert Rita Katz began browsing white supremacist and neo Nazi forums The hateful rhetoric and constant threats of violence immediately reminded her of the jihadist militants she spent her days monitoring but law enforcement and policy makers barely paid attention to the Far Right Now years of attacks committed by extremists radicalized online including mass murders at a synagogue in Pittsburgh and mosques in Christchurch New Zealand as well as the Capitol siege have brought home the danger How has the internet shaped today's threats and what do the online origins of these movements reveal about how to stop them In Saints and Soldiers Katz reveals a new generation of terrorist movements that don't just use the internet but exist almost entirely on it She provides a vivid view from the trenches spanning edgy video game chat groups to what ISIS and Far Right mass shooters in El Paso Orlando and elsewhere unwittingly reveal between the lines of their manifestos Katz shows how the online cultures of these movements far more than their ideologies and leaders create today's terrorists and shape how they commit real world violence From ISIS to QAnon Saints and Soldiers pinpoints the approaches needed for a new era in which arrests and military campaigns alone cannot stop these never before seen threats Terror

in the Land of the Holy Spirit Virginia Garrard-Burnett, 2010-01-15 Waging a counterinsurgency war and justified by claims of an agreement between Guatemala and God Guatemala's Evangelical Protestant military dictator General R os Montt incited a Mayan holocaust over just 17 months some 86 000 mostly Mayan civilians were murdered Virginia Garrard Burnett dives into the horrifying bewildering murk of this episode the Western hemisphere's worst twentieth century human rights atrocity She has delivered the most lucid historical account and analysis we yet possess of what happened and how of the cultural complexities personalities and local and international politics that made this tragedy Garrard Burnett asks the hard questions and never flinches from the least comforting answers Beautifully movingly and clearly written and argued this is a necessary and indispensable book Francisco Goldman author of *The Art of Political Murder Who Killed the Bishop* Virginia Garrard Burnett's *Terror in the Land of the Holy Spirit* is impressively researched and argued providing the first full examination of the religious dimensions of la violencia a period of extreme political repression that overwhelmed Guatemala in the 1980s Garrard Burnett excavates the myriad ways Christian evangelical imagery and ideals saturated political and ethical discourse that scholars usually treat as secular This book is one of the finest contributions to our understanding of the violence of the late Cold War period not just in Guatemala but throughout Latin America Greg Grandin Professor of History New York University Drawing on newly available primary sources including guerrilla documents evangelical pamphlets speech transcripts and declassified US government records Virginia Garrard Burnett provides a fine grained picture of what happened during the rule of Guatemalan president by coup Efra n R os Montt She suggests that three decades of war engendered an ideology of violence that cut not only vertically but also horizontally across class cultures communities religions and even families The book examines the causality and effects of the ideology of violence but it also explores the long dur e of Guatemalan history between 1954 and the late 1970s that made such an ideology possible More significantly she contends that self interest willful ignorance and distraction permitted the human rights tragedies within Guatemala to take place without challenge from the outside world
