Francis Watson,2014-09-09 One man could have enabled the most audacious terrorist threat against America prior to 9 11 and helped the Nazis win World War II the Nazi spy pastor Carl Krepper His riveting story brings to light a forgotten chapter in the history of the Second World War As America continues to wrestle with issues surrounding the threat of sabotage and terrorism this eye opening work details a very real threat faced by our country in the Second World War and the key aspects of the underground war that was fought in this country by Nazi agents The Nazi Spy Pastor Carl Krepper and the War in America presents the fascinating true story of a secret plot to be executed on American soil a German sabotage operation with intended targets in New York New Jersey Pennsylvania Tennessee and Illinois This book chronicles for the first time the remarkable life of Carl Krepper naturalized American citizen Lutheran pastor and the Nazi deep cover operative who could have made possible the greatest terrorist threat on American soil prior to the attacks on September 11th Historian J Francis Watson draws on newly declassified archival and documentary materials to tell the full story of how a devoted clergyman lost his way and betrayed his calling instead advocating an ideology that supported genocide and the deaths of innocent victims in America and how he came to play a key role in the Pastorius sabotage plot The book covers fascinating cloak and dagger details of submarine infiltrations safe houses and secret codes detailing Krepper s life his work as a Nazi agent and the FBI sting operation that finally brought about his arrest in December of 1944 This little known real life espionage story will serve students of World War II history and appeal to readers interested in immigration and the integration of immigrant populations as well as the histories of New York and New Jersey *Summary of Michael Benson's Gangsters vs. Nazis* Everest Media,2022-07-02T22:59:00Z Please note This is a companion version not the original book **Sample Book Insights** 1 The Jewish migration to America began in the nineteenth century and by the 1920s there were four million Jews in the country While some Jews lives were dominated by Old World religious practices there were also teenaged boys who sought to avoid a life of shopkeeping or factory drudgery and instead pursue careers in crime 2 The Jewish gangsters that the boys admired were not afraid of danger and they were often the

danger They were not cowering behind a desk they were wading into fights and tossing people on their ears into the street 3 Jewish gangsters and their Italian cousins ruled the underworld and many young Jewish boys found a brotherhood in the gangs As the fascist menace grew in New York Meyer Lansky became the nation s top Jewish gangster 4 Fascist ideology is based on the belief that a dictator is better than an elected one because many voters are enemies of the people and need to be oppressed It requires a strong leader and a weaker scapegoat In Germany Hitler became the dictator and Jews the scapegoat *Nazis and Good Neighbors* Max Paul Friedman,2003-08-04 This international history uncovers an American security program in which Washington reached into fifteen Latin American countries to seize more than 4 000 German expatriates and intern them in the Texas desert The crowd of Nazi Party members antifascist exiles and even Jewish refugees were lumped together in camps riven by strife The book first published in 2003 examines the evolution of governmental policy its impact on individuals and emigrant communities and the ideological assumptions that blinded officials in both Washington and Berlin to Latin American realities Franklin Roosevelt s vaunted Good Neighbor policy was a victim of this effort to force reluctant Latin American governments to hand over their German residents while the operation ruined an opportunity to rescue victims of the Holocaust This study makes a very contemporary argument that security measures based on group affiliation rather than individual actions are as unjust and ineffective in foreign policy as they are in law enforcement Swastika Nation Arnie Bernstein,2013-09-03 A history of the German American Bund traces the efforts of Fritz Kuhn and his followers to overthrow the U S government with a fascist dictatorship tracing their private and public meetings the development of their own version of the SS and Hitler Youth and the politicians lawyer journalist and criminals who used respective means to counter the movement Kevin Macdonald's Metaphysical Failure: a Philosophical, Historical, and Moral Critique of Evolutionary Psychology, Sociobiology, and Identity Politics Jonas E. Alexis,2022-04-25 In Kevin MacDonald s *Metaphysical Failure* Jonas E Alexis offers a thoroughly researched nuanced and lucid analysis of Kevin MacDonald s thought in particular MacDonald s belief in biological and philosophical Darwinism It is an important book that fills a critical gap in the literature on the history of revolutionary movements and Darwinism both in the West and in Asia It is also a study that adds many significant strands to the densely interwoven history of ideas such as Malthusianism and Eugenics Alexis s book engages debates in the history of ideas going back to Madison Grant and beyond and the history of Darwinism It challenges many of the life long prevailing assumptions about identity politics and produces a powerful critique of how scientific theories have been misused to uphold misguided and faulty categorizations Powerfully reasoned and backed with a startling array of documented studies Kevin MacDonald s *Metaphysical Failure* presents an in depth look at key beliefs behind many mistaken and consequently destructive actions taken by numerous writers and thinkers particularly Darwin s ardent enthusiasts and devoted disciples The book presents eye opening insights into the historical development of Darwin s ideological project and how that project ended up crippling Darwin s intellectual children from Richard Dawkins Francis
