Pro Basketball's All-Time All-Stars Robert W. Cohen, 2013-03-14 The history of the NBA has been filled with superstars names known to fans and non fans alike But while comparisons between athletes who competed against each other face to face is a common occurrence in the sports world it is not quite as easy to compare players from different eras How would Wilt Chamberlain stack up against Shaquille O'Neal What about LeBron James and Larry Bird or Magic Johnson and Oscar Robertson In Pro Basketball's All Time All Stars Across the Eras Robert Cohen not only examines the best players from each era but also ranks the five greatest players at each position in the history of the pro game Dividing the history of

professional basketball into five distinct eras this book first describes the style of play that prevailed during each period From the slow paced rough and tumble style of play that characterized the NBA during its formative years to the up tempo high flying style that currently prevails Pro Basketball s All Time All Stars gives an in depth view of how the game has evolved For each of the five eras Cohen has selected the best players to man the five positions on the court providing career bios for each To determine the best of the best Cohen considers the level of dominance each player reached during his time in the league his individual statistics the degree to which he impacted the fortunes of his team and the extent to which he improved his teammates level of play Individual honors and quotes from teammates and opponents alike are used to support the rankings Covering NBA greats such as Bob Pettit Bill Russell Kareem Abdul Jabbar Michael Jordan and Kobe Bryant this book will appeal to basketball fans of all generations and to any NBA fan interested in the history of the game

Anthony Livingston Hall,2007-05-16 The iPINIONS Journal Commentaries Vol II In this volume of political and social commentaries Anthony Livingston Hall synthesizes the most critical developments of 2006 with remarkable clarity and inimitable wit But unlike more celebrated columnists who trade in partisan political talking points Hall seems beholden to no ideology and is definitely an equal opportunity critic Moreover you would be hard pressed to find another columnist anywhere who writes as persuasively about the international menace of Iran s nuclear program as he does about the interpersonal dynamics of an NBA Championship series or what the latest oops from Britney Spears portends for western civilization Hall s refreshing worldview may stem from the unique fusion of his Caribbean heritage and American education But it is clearly the informed passion that permeates all of his commentaries that makes this book so riveting Diversity: Leaders Not Labels Stedman Graham,2006-09-19 Stedman Graham bestselling author of You Can Make It Happen teaches that in the 21st century your talent and skills above all else will define your value In Diversity Leaders Not Labels Graham

shows you how to break out of the box that keeps you from growing to your full potential and reveals that success is truly based on results performance and excellence Diversity is literally changing the face of our nations Workers of all backgrounds are merging into a global marketplace while businesses are challenged by a shortage of talent and the need to integrate a wide range of cultures In this global environment diversity has become a permanent business characteristic opportunities will be plentiful for both people and businesses Graham indicates that we do not have to become a member of anyone else s culture to play a key role but must maintain and assert our own identities while respecting others uniqueness in our workforces and communities He helps us to understand that developing leaders rather than accepting labels is ultimately the best way to preserve culture and create a legacy Diversity Leaders Not Labels studies diversity as no one has before exploring different cultures and their histories to help you understand that everyone has had challenges and that the transformation process is the same for each of us Hard work sacrifice talent and self motivation are the tools you need for the future By showcasing individuals who have successfully transcended labels to become leaders Graham helps readers begin to move from their history to carving their own individual pathways to success based on authenticity as well as the talents and skill they bring to the workforce What is most important is breaking through labels and understanding who you are says Graham Realize that everyone brings uniqueness talents and skills that add value to our experiences work environments businesses and communities When you operate from this perspective you will emerge in the 21st century as a true leader to yourself to others and to society
