Homegrown Gurus Ann Gleig, Lola Williamson, 2013-11-01 Exploring homegrown movements and figures proclaims American Hinduism as a distinct religious tradition Today a new stage in the development of Hinduism in America is taking shape After a century of experimentation during which Americans welcomed Indian gurus who adjusted their teachings to accommodate the New World context American Hinduism can now rightly be called its own tradition rather than an imported religion Accordingly this spiritual path is now headed by leaders born in North America Homegrown Gurus explores this phenomenon in essays about these figures and their networks A variety of teachers and movements are considered including Ram Dass Siddha Yoga and Amrit Desai and Kripalu Yoga among others Two contradictory trends quickly become apparent an increasing Westernization of Hindu practices and values alongside a renewed interest in traditional forms of Hinduism These opposed sensibilities innovation and preservation radicalism and recovery are characteristic of postmodernity and denote a new chapter in the American assimilation of Hinduism

Listening to the Heart Kittisaro, Thanissara, 2014-11-04 A husband and wife share stories of struggle and triumph along the path of the Buddha distilling his most essential teachings in this guide that is luminous in clarity and depth Tara Brach author of Radical Acceptance Husband and wife Kittisaro and Thanissara take turns co authoring chapters in this deeply personal dharma book exploring the inner practice of meditation in support of awakening Within the context of the lives of the authors both monastics in their youth awakening unfolds as a multifaceted process following the archetypal journey of the hero ine Traveling from innocence to disillusionment through the fields of trials and despair that lead to maturity and ultimately to inspiration and a blessed life Listening to the Heart tells the story of two unconventional individuals who have together embraced spirituality as the keystone of their lives At the heart of the book through teachings on the nondual nature of reality we enter the intimacy with all things as revealed in core Buddhist texts Without ending at the goal of personal freedom Thanissara and Kittisaro encourage us to go beyond the experience of inner peace to embodying wisdom in acts of service within the world With a realistic appraisal of our current global crisis in which sustainability is threatened by catastrophic climate change the authors encourage a preparedness that enables a mindful balance of equanimity and passionate engagement whatever the outcome of our global evolutionary journey The guiding refuge for this journey is the Buddha the historical teacher and most profoundly that immediate and direct pure awareness which we all can access The book also draws on teachings and stories of Buddhist masters who are fearless funny and challenging Eventually we are led into the Mary like presence of the goddess of mercy Kuan Yin who as a great archetype within Buddhist cosmology reveals the deepest mystery of our own hearts and our capacity for merciful and compassionate response As the inner process of awakening unfolds it transforms seekers and their lives as modeled by the authors It both heals the personal self in its journey through its wounds and shadows and yet at the same time dissolves identification with the self The book then ends by returning to the simplicity of the authors primary teacher Ajahn Chah with

Whisper in the Heart Parvati Markus, 2022-08-30 Neem Karoli Baba a great Indian saint left his body in 1973 but his presence has continued unabated Even without his physical form he has appeared to thousands of individuals across the globe in dreams and visions in meditation and out of the blue in broad daylight He comes to open hearts with a blast of unconditional love to bring comfort and aid in response to calls for help and as a reminder that we are indeed all One But doubt often strikes after an experience in which one feels such profound divine love It was only a dream Maybe I imagined it I never met him in person how do I know it was him The mind steps in to discount what the heart knows to be true Whisper in the Heart validates these experiences by recounting the stories of over 150 people and the ways in which they met Maharajji as he is fondly known For some it was while chanting at a kirtan while at a spiritual retreat while looking at a photograph or as in some of the more extraordinary stories when he shows up on a desperate woman's doorstep in France brings years of abuse to an end for a nine year old child in Australia dances on a beach in Miami or appears to a policeman in Taos New Mexico Maharajji himself used to say When you think of me I'll be there In this book you will see how he is fulfilling that promise Back cover महाराजजी की कहानियाँ (Mere Baba Neem Karoli) CA GOPAL SINGH NEGI, This book is written to create awareness about my Guru Neem Karoli Baba Ji He has guided many famous personalities in the world Even just visiting his ashram many people get power clarity and blessings Steve Jobs Apple Founder never met Baba Ji Its the aura of Kainchi Ashram that imbibe in him Clarity for business and life Mark Zuckerberg Facebook never met Baba Ji Its the aura of Kainchi Ashram that imbibe in him Clarity for business and life Hope this book will provide you some clarity This book is not for commercial use use it share it and advice how to improve it CA Gopal Singh Negi *Miracle of Love - Stories about Neem Karoli Baba* Ram Dass, The material in this volume is culled from over two thousand stories about Maharajji

gathered during five years from more than one hundred devotees To these devotees who shared their treasured memories I wish to express my deep love and appreciation Some of them felt that no book could or should be written about a being with qualities as vast formless and subtle as Maharajji s and yet they contributed their stories nevertheless I honor them for this kindness and I hope that in my zeal to share experiences of Maharajji with others who were not fortunate enough to have met him I have not misused their trust Some devotees tell me that stories told by other devotees are not factually accurate I have no way of ascertaining the authenticity of any single story All I can report is that those of us who gathered the stories were impressed by the credibility of those of us who told the stories Though the responsibility for this manuscript lies solely with me I am delighted to acknowledge a lot of loving help from my friends
