Marcus C. Levitt

Parting Of The Ways Government And The Educated Public In Russia 1801 1855:

PARTING OF THE WAYS N. V. RIASANOVSKY, 1976 *Masculinity, Autocracy and the Russian University, 1804-1863* R. Friedman, 2004-11-30 This is the first book length study of masculinity in Imperial Russia By looking at official and unofficial life at universities across the Russian empire this project offers a picture of the complex processes through which gender ideologies were forged and negotiated in the Nineteenth Century Masculinity Autocracy and the Russian University 1804 1863 demonstrates how gender was critical to political life in a European monarchy **Russian and Soviet Education**

1731-1989 John T. Zepper, William W. Brickman, 2014-02-04 Volume 9 in the series of Reference Books in International Education This bibliography is intended to provide a reference aid to mature Russian Soviet scholars to those beginning a life long study of this field and to students in Russian Soviet Studies and allied fields This title provides a resource to scholars students and professionals seeking to understand the role played by education in various societies or regions of the world

Russia and the Idea of Europe Iver B. Neumann, 2016-10-14 The end of the Soviet system and the transition to the market in Russia coupled with the inexorable rise of nationalism brought to the fore the centuries old debate about Russia's relationship with Europe In this revised and updated second edition of *Russia and the Idea of Europe* Iver Neumann discusses whether the tensions between self referencing nationalist views and Europe orientated liberal views can ever be resolved Drawing on a wide range of Russian sources this book retains the broad historical focus of the previous edition and picks up from where it left off in the early 1990s bringing the discussion fully up to date Discussing theoretical and political developments it relates the existing story of Russian identity formation to new foreign policy analysis and the developments in the study of nationalism The book also offers an additional focus on post Cold War developments In particular it examines the year 2000 when Putin succeeded Yeltsin as president and 2014 when Russian foreign policy turned from cooperation to confrontation Bringing to life the various debates surrounding this complicated relationship in an accessible and clear manner this book continues to be a unique and vital resource for both students and scholars of international relations

Imperial Visions Mark Bassin, 1999-06-24 In the middle of the nineteenth century the Russian empire made a dramatic advance on the Pacific by annexing the vast regions of the Amur and Ussuri rivers Although this remote realm was a virtual terra incognita for the Russian educated public the acquisition of an Asian Mississippi attracted great attention nonetheless even stirring the dreams of Russia's most outstanding visionaries Within a decade of its acquisition however the dreams were gone and the Amur region largely abandoned and forgotten In an innovative examination of Russia's perceptions of the new territories in the Far East Mark Bassin sets the Amur enigma squarely in the context of the Zeitgeist in Russia at the time *Imperial Visions* demonstrates the fundamental importance of geographical imagination in the mentality of imperial Russia This 1999 work offers a truly novel perspective on the complex and ambivalent ideological relationship between Russian nationalism geographical identity and imperial expansion **Imperial Rivals** Sarah C.M. Paine, 2023-05-31 Based on

archival research this is a history of the Russo Chinese border which examines Russia's expansion into the Asian heartland during the decades of Chinese decline and the 20th century paradox of Russia's inability to sustain political and economic sway over its domains

Nineteenth-Century Russia Derek Offord, 2014-05-12 This new Seminar Study provides students with a rewarding introduction to nineteenth century Russia This period of Russian history is of course characterised by the flowering of an enormously rich intellectual and cultural life the origins of which lie in the intelligentsia's opposition to autocratic rule Here Professor Offord introduces the reader to the period while focusing particularly on the rise of radicalism The book opens with two scene setting chapters one looking at the political and social structure peculiar to Russia and the second looking at the cultural and intellectual background Then within a chronological framework the author examines all the great events in the history of Russian radicalism from the Decembrist Revolt in 1825 to the going to the people in 1874 and the assassination of Alexander II in 1881 However throughout the text sustained attention is given to the intellectual dimension of nineteenth century Russian history Professor Offord examines all the major schools of thought and looks in detail at all the great thinkers of the day including Chaadaev Belinsky Herzen Chernyshevsky Bakunin and Tolstoy This new book will provide essential reading for anyone studying nineteenth century Russia Lucid accessible and immensely readable it is a formidable achievement

Imperial Russia's Muslims Mustafa Tuna, 2015-06-04 Investigates the entangled transformations of Russia's Muslim communities from the late eighteenth century through to the First World War Drawing from a wealth of Russian and Turkish sources Mustafa Tuna surveys the transformation of Imperial Russia's oldest Muslim community the Volga Ural Muslims

Catherine the Great Simon Dixon, 2015-10-23 Neither a comprehensive life and times nor a conventional biography this is an engaging and accessible exploration of rulership and monarchical authority in eighteenth century Russia Its purpose is to see how Catherine II of Russia conceived of her power and how it was represented to her subjects Simon Dixon asks essential questions about Catherine's life and reign and offers new and stimulating arguments about the Enlightenment the power of the monarch in early modern Europe and the much debated role of the great individual in history

The Geography of Nationalism in Russia and the USSR Robert J. Kaiser, 2017-03-14 The Geography of Nationalism in Russia and the USSR is an important addition to the small library of essential works on the collapse of the Soviet empire The first attempt to construct and test broad theoretical propositions about place and territoriality in the making of nations it examines the critical social processes underlying the formation of nations and homelands in Russia and the USSR during the nineteenth and twentieth centuries Robert Kaiser finds that for the most part national self consciousness was only beginning to supplant a localist mentality by the time of World War I The national problem faced by Lenin was fundamentally different from the more difficult nationalist challenge that confronted Gorbachev In Kaiser's place based theory the homeland once created in the imaginations of the indigenous masses powerfully structured national processes and international relations Indigenization from below became an active competitor with nationality

policies that promoted Russification resulting in the restructuring of ethnic stratification to favor indigenes in their own respective home republics and to challenge Russian dominance outside Russia The revolutionary changes occurring since 1989 Kaiser argues should therefore be seen as part of a longer process of indigenization Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Literary Scholarship in Late Imperial Russia (1870s-1917) Andy Byford, 2017-12-02 The turn of the twentieth century was a decisive moment in the institutionalisation of Russia's literary scholarship This is the first book in the English language to provide an in depth analysis of the emergence of Russia's literary academia in the pre Revolutionary era In particular Byford examines the rhetoric of self representation of major academic establishments devoted to literary study the canonisation of exemplary literary historians and philologists Buslaev Grot Veselovskii Potebnia Ovsianiko Kulikovskii and attempts by Russian literary academics of this era to define their work as a distinct form of scholarship nauka By analysing a range of academic rituals from celebrations of institutional anniversaries to professors inaugural lectures and by dissecting the discourse of scholars obituaries commemorative speeches and manuals in scholarly methodology Byford reveals how the identity of literary studies as a discipline was constructed in Russia He provides not only a unique insight into fin de siecle Russian literary scholarship but also an original approach to academic institutionalisation more widely

Russia, Ukraine, and the Breakup of the Soviet Union Roman Szporluk, 2020-02-24 This book chronicles the final two decades in the history of the Soviet Union and presents a story that is often lost in the standard interpretations of the collapse of communism in Eastern Europe and the USSR Although there were numerous reasons for the collapse of communism it did not happen as it may have seemed to some overnight Indeed says Roman Szporluk the root causes go back even earlier than 1917 To understand why the USSR broke up the way it did it is necessary to understand the relationship between the two most important nations of the USSR Russia and Ukraine during the Soviet period and before as well as the parallel but interrelated processes of nation formation in both states Szporluk details a number of often overlooked factors leading to the USSR's fall how the processes of Russian identity formation were not completed by the time of the communist takeover in 1917 the unification of Ukraine in 1939 1945 and the Soviet period failing to find a resolution of the question of Russian Ukrainian relations The present day conflict in the Caucasus he asserts is a sign that the problems of Russian identity remain

Ottoman Imperial Diplomacy Dogan Gurpinar, 2013-10-25 The Ottoman Empire maintained a complex and powerful bureaucratic system which enforced the Sultan's authority across the Empire's Middle Eastern territories This bureaucracy continued to gain in power and prestige even as the empire itself began to crumble at the end of the nineteenth

century Through extensive new research in the Ottoman archives Dogan Gurpinar assesses the intellectual cultural and ideological foundations of the diplomatic service under Sultan Abdulhamid II In doing so Ottoman Imperial Diplomacy presents a new model for understanding the formation of the modern Turkish nation arguing that these Hamidian reforms undertaken with the support of the Young Ottomans led by Namik Kemal constituted the beginnings of modern Turkish nationalism This book will be essential reading for historians of the Ottoman Empire and for those seeking to understand the history of Modern Turkey *Information and Empire* Simon Franklin, Katherine Bowers, 2017-11-27 From the mid sixteenth to the mid nineteenth century Russia was transformed from a moderate sized land locked principality into the largest empire on earth How did systems of information and communication shape and reflect this extraordinary change *Information and Mechanisms of Communication in Russia 1600 1850* brings together a range of contributions to shed some light on this complex question Communication networks such as the postal service and the gathering and circulation of news are examined alongside the growth of a bureaucratic apparatus that informed the government about its country and its people The inscription of space is considered from the point of view of mapping and the changing public graphosphere of signs and monuments More than a series of institutional histories this book is concerned with the way Russia discovered itself envisioned itself and represented itself to its people Innovative and scholarly this collection breaks new ground in its approach to communication and information as a field of study in Russia More broadly it is an accessible contribution to pre modern information studies taking as its basis a country whose history often serves to challenge habitual Western models of development It is important reading not only for specialists in Russian Studies but also for students and non Russianists who are interested in the history of information and communications *A History of Russian Philosophy 1830-1930* G. M. Hamburg, Randall A. Poole, 2010-04-22 The great age of Russian philosophy spans the century between 1830 and 1930 from the famous Slavophile Westernizer controversy of the 1830s and 1840s through the Silver Age of Russian culture at the beginning of the twentieth century to the formation of a Russian philosophical emigration in the wake of the Russian Revolution This volume is a major history and interpretation of Russian philosophy in this period Eighteen chapters plus a substantial introduction and afterword discuss Russian philosophy's main figures schools and controversies while simultaneously pursuing a common central theme the development of a distinctive Russian tradition of philosophical humanism focused on the defence of human dignity As this volume shows the century long debate over the meaning and grounds of human dignity freedom and the just society involved thinkers of all backgrounds and positions transcending easy classification as religious or secular The debate still resonates strongly today **Russia under Western Eyes** Martin E. Malia, 2009-06-30 A dazzling work of intellectual history by a world renowned scholar spanning the years from Peter the Great to the fall of the Soviet Union this book gives us a clear and sweeping view of Russia not as an eternal barbarian menace but as an outermost if laggard member in the continuum of European nations The Visual Dominant in

Eighteenth-Century Russia Marcus C. Levitt, 2011-10-01 The Enlightenment privileged vision as the principle means of understanding the world but the eighteenth century Russian preoccupation with sight was not merely a Western import In his masterful study Levitt shows the visual to have had deep indigenous roots in Russian Orthodox culture and theology arguing that the visual played a crucial role in the formation of early modern Russian culture and identity Levitt traces the early modern Russian quest for visibility from jubilant self discovery to serious reflexivity to anxiety and crisis The book examines verbal constructs of sight in poetry drama philosophy theology essay memoir that provide evidence for understanding the special character of vision of the epoch Levitt s groundbreaking work represents both a new reading of various central and lesser known texts and a broader revisualization of Russian eighteenth century culture Works that have considered the intersections of Russian literature and the visual in recent years have dealt almost exclusively with the modern period or with icons *The Visual Dominant in Eighteenth Century Russia* is an important addition to the scholarship and will be of major interest to scholars and students of Russian literature culture and religion and specialists on the Enlightenment

The Cambridge History of Russia: Volume 2, Imperial Russia, 1689-1917 Maureen Perrie, D. C. B. Lieven, Ronald Grigor Suny, 2006-08-17 A definitive new history of Russia from early Rus to the collapse of the Soviet Union

Tsar and Sultan Victor Taki, 2016-06-20 *Tsar and Sultan* offers a unique insight into Russian Orientalism as the intellectual force behind Russian Ottoman encounters Through war diaries and memoirs accounts of captivity and diplomatic correspondences Victor Taki s analysis of military documents demonstrates a crucial aspect of Russia s discovery of the Orient based on its rivalry with the Ottoman Empire Narratives depicting the brutal realities of Russian Turkish military conflicts influenced the Orientalisation of the Ottoman Empire In turn Russian identity was built as the counter image to the demonised Turk This book explains the significance of Russian Orientalism on Russian identity and national policies of westernisation Students of both European and Middle East studies will appreciate Taki s unique approach to Russian Turkish relations and their influence on Eurasian history

A Documentary History of Russian Thought William J. Leatherbarrow, Derek Offord, 1985

Parting Of The Ways Government And The Educated Public In Russia 1801 1855 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Parting Of The Ways Government And The Educated Public In Russia 1801 1855 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Parting Of The Ways Government And The Educated Public In Russia 1801 1855 has opened up a world of possibilities. Downloading Parting Of The Ways Government And The Educated Public In Russia 1801 1855 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Parting Of The Ways Government And The Educated Public In Russia 1801 1855 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Parting Of The Ways Government And The Educated Public In Russia 1801 1855. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Parting Of The Ways Government And The Educated Public In Russia 1801 1855. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Parting Of The Ways Government And The Educated Public In Russia 1801 1855,

users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Parting Of The Ways Government And The Educated Public In Russia 1801 1855 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Parting Of The Ways Government And The Educated Public In Russia 1801 1855 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Parting Of The Ways Government And The Educated Public In Russia 1801 1855 is one of the best book in our library for free trial. We provide copy of Parting Of The Ways Government And The Educated Public In Russia 1801 1855 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Parting Of The Ways Government And The Educated Public In Russia 1801 1855. Where to download Parting Of The Ways Government And The Educated Public In Russia 1801 1855 online for free? Are you looking for Parting Of The Ways Government And The Educated Public In Russia 1801 1855 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Parting Of The Ways Government And The Educated Public In Russia 1801 1855. This method for see exactly what may be included and adopt these ideas to

your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Parting Of The Ways Government And The Educated Public In Russia 1801 1855 are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented.
