## **Perennial Philosophy:**

The Perennial Philosophy Aldous Huxley, 2009-07-28 An inspired gathering of religious writings that reveals the divine reality common to all faiths collected by Aldous Huxley The Perennial Philosophy Aldous Huxley writes may be found among the traditional lore of peoples in every region of the world and in its fully developed forms it has a place in every one of the higher religions With great wit and stunning intellect drawing on a diverse array of faiths including Zen Buddhism Hinduism Taoism Christian mysticism and Islam Huxley examines the spiritual beliefs of various religious traditions and explains how they are united by a common human yearning to experience the divine The Perennial Philosophy includes selections from Meister Eckhart Rumi and Lao Tzu as well as the Bhagavad Gita Tibetan Book of the Dead Diamond Sutra and Upanishads among many others

*Frithjof Schuon and the Perennial Philosophy* Harry Oldmeadow, 2010-04-16 This is the first comprehensive study of the intellectual and spiritual message of world renowned philosopher Frithjof Schuon 1907 1998 the foremost spokesman of the Perennialist or Traditionalist school of comparative religious thought Intended primarily as an introductory guide to Schuon's writings Harry Oldmeadow's book focuses on Schuon's exposition of metaphysics and the transcendent unity of religions his presentation of the religious traditions of East and West including the spiritual heritage of the American Indians his criticism of the modern world and his views on sacred art and beauty Also included is an overview of Schuon's paintings and poetry as well as his insights on prayer and virtue in the spiritual life This ground breaking work provides the general reader with a coherent and systematic account of the Perennial Philosophy and covers all aspects of Schuon's work Publisher's website

*Frithjof Schuon and the Perennial Philosophy* Harry Oldmeadow, 2010-08-19 This introduction to the writings of Frithjof Schuon 1907 1998 the pre eminent spokesman of the Perennialist or Traditionalist school of comparative religious thought is the first book to present a comprehensive study of his intellectual and spiritual message In addition to a clear explanation of Schuon's message of metaphysics and the great religions Oldmeadow includes an overview of Schuon's paintings and poetry and insights on prayer and virtue in the spiritual life

The Perennial Philosophy Aldous Huxley, 1947

*The Perennial Philosophy* Aldous Huxley, 2015-10-17 The Perennial Philosophy By Aldous Huxley Includes God truth religion good and evil prayer suffering faith mortification charity and much more

*The Making of the New Spirituality* James A. Herrick, 2004-12-02 James A Herrick offers an intellectual history of the New Religious Synthesis examining the challenges it poses to Judeo Christian tradition demonstrating its sources and manifestations in contemporary culture and questioning its acceptance in church and society

*Morality and the Literary Imagination* Gabriel R. Ricci, In a letter to Boccaccio Petrarch extolled the virtue of poetry and letters for promoting an understanding of both human nature and morals The letter was designed to console him after hearing a prediction that he was soon to die and that he ought to renounce poetry The prophecy came from an elder renowned for his piety but Petrarch admonished that too often dishonesty and fraud are couched in religious sentiments Nothing not even death according to Petrarch ought to divert us

from literature For Petrarch Virgil was the source for understanding how literary studies not only promote eloquence but enhance morals If anything literature dispels the fear of death The claims of this volume is that it may be the case that the virtuous life can be achieved by those ignorant of letters but a more direct and certain route is guaranteed by a devotion to literature The collected works in this new volume of the Transaction series Religion and Public Life heeds Petrarch s advice that literature not only orients us to life s developmental stages it can provide us with a more complete understanding of the human character while artfully advancing morals To this end Michelle Darnell s opening chapter entitled A New Age of Reason explains how existentialism is an argument for how literature can take on philosophical form not as formal argument but as persuasive narrative Over the objections of even those who study Sartre Darnell uses Sartre s The Age of Reason as a model and shows how his literary output was a legitimate philosophical inquiry In addition to the Darnell piece the volume boasts a series of outstanding and innovative works by scholars in the field Taken together as a whole these authors not only illustrate the moral consequences of an original choice but oblige the reader to explore the ramifications of such a choice in one s own life Gabriel R Ricci is professor of humanities and the chair of the Department of History at Elizabethtown College He is the author of Time Consciousness The Philosophical Uses of History and the editor of Transaction s much admired Religion and Public Life series

**Integral Psychology** Ken Wilber,2000-05-16 A leader in transpersonal psychology presents the first truly integrative model of spiritual consciousness and Western developmental psychology The goal of an integral psychology is to honor and embrace every legitimate aspect of human consciousness under one roof Drawing on hundreds of sources Eastern and Western ancient and modern Wilber creates a psychological model that includes waves of development streams of development states of consciousness and the self and follows the course of each from subconscious to self conscious to superconscious Included in the book are charts correlating over a hundred psychological and spiritual schools from around the world including Kabbalah Vedanta Plotinus Teresa of vila Aurobindo Theosophy and modern theorists such as Jean Piaget Erik Erikson Jane Loevinger Lawrence Kohlberg Carol Gilligan Erich Neumann and Jean Gebser Integral Psychology is Wilber s most ambitious psychological system to date and is already being called a landmark study in human development

**Shamanism** ,1987-05-01 A powerful collection of essays from authors such as Mircea Eliade Joan Halifax Stanley Krippner Brooke Medicine Eagle Serge King and Michael Harner on the mystifying phenomenon of shamanism around the world what it is how it works and why

**Bede Griffiths** Judson B. Trapnell,2001-02-22 Explores the work of spiritual leader and writer Bede Griffiths who envisioned a union of Eastern and Western spirituality

**The Holistic Curriculum** John P. Miller,2007-01-01 Holistic education is concerned with connections in human experience connections between mind and body between linear thinking and intuitive ways of knowing between academic disciplines between individual and community and between the personal self and the transpersonal Self that all spiritual traditions believe exist beyond the ego First published in 1988 The Holistic Curriculum examines the philosophical psychological and social

foundations of holistic education provides an outline of its history and discusses practical applications for this type of learning in the classroom This revised and expanded second edition concisely describes how holistic thinking integrates spiritual and scientific perspectives drawing on romantic humanistic and other radical alternatives to the atomistic worldview of the modern age The role of the teacher the issue of accountability and strategies for implementing the Holistic Curriculum are also discussed *Knowledge and the Sacred* Seyyed Hossein Nasr,1989-01-01 Nasr Islamic studies George Washington U in a series of ten lectures argues that unlike in the West where scientific thought has been secularized in the East knowledge and religious experience have remained unified Drawing from Buddhist Hindu Judaic Christian and Islamic traditions he finds in each the idea of perennial wisdom as a philosophical basis for such unity Paperback edition 10 95 not seen Annotation copyrighted by Book News Inc Portland OR Traditionalism Kenneth Oldmeadow,Harry Oldmeadow,2000 This book explains why no one engaged in religious and cultural studies can afford to disregard the urgent message of the traditionalists who have reminded a forgetful world in a manner which can be ignored but not refuted of those principles which everywhere and always remain true It also demonstrates why any reassessment of contemporary values now increasingly called into question must take into account the profound traditionalist critique of the modern Western worldview BOOK JACKET **Philosophia perennis** Wilhelm Schmidt-Biggemann,2007-11-08 The study features the five most important and most efficacious themes of Western spirituality in their ancient historical origins and in their unfolding up to early modernity Divine names Microkosmos Makrokosmos theories of creation the idea of spiritual spaces and the concepts of eschatological history **Aldous Huxley Between East and West** ,2021-11-01 Although the title of this volume is Aldous Huxley between East and West the order of the articles found within goes from West to East which naturally imitates Huxley s own progress especially since he went to the trouble of stepping out as far West as possible before starting for the East Indeed one could argue that he was already on his way there before he left for California a continuous journey perhaps since from the Californian shores of the Pacific the East is the further West After the Introduction which places Huxley between East and West the book starts with a consideration of Huxley s family connections then goes onto his earliest fictions his interest in science and the issue of modernity and his experiments with drama and their inherent philosophical concerns The poetry with which he began his writing career is then viewed as a link between his earlier Western self and his later Oriental interests suggesting that the latter was always inherent in the former A number of considerations of the Utopian themes in Huxley s middle and later fiction leads the volume to a climax with four articles surveying the foibles and the wisdom of Huxley s encounter with Eastern religious thought and philosophy his misunderstandings as well as ours of what actually he had learned and wished to pass on to the Western world **The Holistic Curriculum, Third Edition** John P. Miller,2019-04-08 Originally published in 1988 The Holistic Curriculum addresses the problem of fragmentation in education through a connected curriculum of integrative approaches to teaching and learning John P Miller author of more

than seventeen books on holistic education discusses the theoretical foundations of the holistic curriculum and particularly its philosophical psychological and social connections Tracing the history of holistic education from its beginnings this revised and expanded third edition features insights into Indigenous approaches to education while also expanding upon the six curriculum connections subject community thinking earth body mind and soul This edition also includes an introduction by leading Indigenous educator Greg Cajete as well as a dialogue between the author and Four Arrows author of Teaching Truly about the relationship between holistic education and Indigenous education Holistic Curriculum, Third Edition John P. Miller, 2019-04-16 Originally published in 1988 The Holistic Curriculum addresses the problem of fragmentation in education through a connected curriculum of integrative approaches to teaching and learning John P Miller author of more than seventeen books on holistic education discusses the theoretical foundations of the holistic curriculum and particularly its philosophical psychological and social connections Tracing the history of holistic education from its beginnings this revised and expanded third edition features insights into Indigenous approaches to education while also expanding upon the six curriculum connections subject community thinking earth body mind and soul This edition also includes an introduction by leading Indigenous educator Greg Cajete as well as a dialogue between the author and Four Arrows author of Teaching Truly about the relationship between holistic education and Indigenous education The Perennial Philosophy Reloaded Dana Sawyer, 2024-07-09 Dana Sawyer unpacks the philosophy spirituality of Huxley Watts and Ram Dass as well as our contemporaries including Mirabai Starr and Richard Rohr in ways readers will find intriguing creating an original view of human nature revealing why this mystical understanding of our world is called perennial During the 1960s and 70s Perennial Philosophy was the most popular theory regarding what the world's mystical traditions held in common and it was touted as the best platform for understanding the nature of human consciousness including how to expand it therapeutically with meditation yoga and psychedelic drugs Consequently books by Aldous Huxley Alan Watts Huston Smith Stanislov Grof Frances Vaughan Ram Dass and other Perennialists were widely available and sold like hotcakes However during the 80s their shared perspective fell out of fashion The Perennial Philosophy Reloaded corrects several common errors in understanding the perennial philosophy while providing a short up to date overview of the general perspective The goal is to reveal the continued relevance of perennial philosophy during this time psychedelic renaissance when many are seeking ways to interpret their experiences inside an engaging narrative free of philosophical shop talk The result is a demonstration of how perennial philosophy applies to all who are interested in self realization This book will appeal for the millions today who are involved with mindfulness meditation hatha yoga Transcendental Meditation Tibetan Buddhism Kabbalah Zen Sufism Shamanic drumming Christian Centering Prayer or their own DIY approaches to spiritual awakening Wrestling With the Ox Paul O. Ingram, 2006-05-01 A Christian scholar of Buddhism Paul Ingram here develops a primordial theology that deals with the key religious issues of our times including religious ways of knowing the character of the Sacred our relation with

nature and the various forms of liberation of the self of others and the final liberation from death with which all religious Ways must deal      **The Other Worldview** Peter Jones, 2015-06-24 A must read for every concerned American and especially for every Christian who weeps at the graveside of his culture R C Sproul A cataclysmic change has occurred as our culture has shifted toward belief in Oneism Every religion and philosophy fits into one of two basic worldviews Oneism asserts that everything is essentially one while Twoism affirms an irreducible distinction between creation and Creator The Other Worldview exposes the pagan roots of Oneism traces its spread throughout Western culture and demonstrates its inability to save For bodily holiness and transformed thinking we depend entirely on one amazing thing the incredibly powerful message of the Gospel to a sinful world which is the ultimate expression and goal of Twoism The only hope is in Christ alone
