Alfred A Knopf with her husband in 1915 With her finger on the pulse of a rapidly changing culture Blanche quickly became a driving force behind the firm A conduit to the literature of Langston Hughes and the Harlem Renaissance Blanche also legitimized the hard boiled detective fiction of writers such as Dashiell Hammett James M Cain and Raymond Chandler signed and nurtured literary authors like Willa Cather Elizabeth Bowen and Muriel Spark acquired momentous works of journalism by John Hersey and William Shirer and introduced American readers to Albert Camus Andr Gide and Simone de Beauvoir giving these French writers the benefit of her consummate editorial taste As Knopf celebrates its centennial Laura Claridge looks back at the firm s beginnings and the dynamic woman who helped to define American letters for the twentieth century Drawing on a vast cache of papers Claridge also captures Blanche s witty loyal and amusing personality and her charged yet oddly loving relationship with her husband An intimate and often surprising biography *The Lady with the Borzoi* is the story of an ambitious seductive and impossibly hardworking woman who was determined not to be overlooked or easily categorized "Catch if you can your country's moment" William S. Waddell,2009-05-05 The eight essays in this collection explore the work of Adrienne Rich one of America s most significant living writers and a poet and a public intellectual with a substantial audience both inside and outside the academy Taken together the essays argue for a shift in the perceived center of gravity of Rich s career from the passionate and eloquent poems of a largely personal feminist awakening from the mid 60s to the early 80s to the equally if differently passionate and eloquent poems of a more broadly public re imagination of our country and its history beginning with her work of the mid 1980s Rich has remained committed to the reconstruction of poetry s place in public as well as private life nationally and globally From varied perspectives accessible to the common reader as well as the specialist the collection addresses Rich s negotiation of the boundary between these public and private spheres and the potential of poetry as a revolutionary medium and alternate epistemology a means as the title expresses it of recovery and regeneration Rich has aimed always as the last lines of her poem *Planetarium* 1968 have it at the relief of the body and the reconstruction of the mind and this collection works to describe her effort to extend the reach of that healing motive across a continent and a culture In these eight keenly executed essays edited by William Waddell we see Rich finally removing those asbestos gloves once used to handle sizzling political topics Critics in this volume show Adrienne Rich struggling barehanded with changing poetic strategies complex new subject positions and the relations of power and cultural practice in the constitution of history Transformative cartographer of words and perceptions Rich as Waddell argues outlines a method for redefining American space remapping North American culture for the marginalized the repressed and the resistant Waddell s collection celebrates the polyphony of politics and aesthetics in Rich s work shaping for the reader an ethical discourse intensively visible for the first time in volumes such as *An Atlas of the Difficult World* Poems 1988 1991 but equally present throughout Rich s prose and poetry Mary Lynn Broe Caroline Werner Gannett Professor Rochester Institute of Technology *The Princess of Albemarle* Jane Turner Censer,2022-04-28 At the turn of the twentieth century Am lie
