Perfect Sax Jerrilyn Farmer, 2010-06-01 Jerrilyn Farmer's 1 LA Times bestselling Madeline Bean Culinary mysteries continue to prove to be scrumptiously hip, savoury and irresistible. In this mass market reprint of her second hardcover, Mad Bean is at it again as a search for the perfect sax becomes deadly. The dazzling Jazz Ball for the prestigious Woodburn School of Music promises to be event planner Madeline Bean's greatest triumph to date. All the rich and mighty of L.A. society's fund-raising crowd seem to be seriously enjoying the festivities. Of course, then everything goes straight to hell. Having to contend with a heap of celebrity trash, a ranting vocal coach, his rabid bitch of a girlfriend and duelling preteen music prodigies is bad enough. But when the furious bidding war for the prize item to be auctioned off—a one-of-a-kind sterling silver Selmer Mark VI tenor saxophone—almost results in bloodshed and the perfect sax subsequently vanishes, Madeline can't help but wonder what else could possibly go wrong. Well, he could arrive home to discover a dead body in her bedroom. Her ex-beau LAPD Detective Chuck Honnett could start making insistent take-me-back noises. And then there's the red-haired stranger who seems to be stalking her. All in all, the lethal looniness surrounding the theft of a priceless instrument is threatening to drive Mad quite mad. With the jazz cool, the sax hot and the martinis smoking, it may drive her quite dead. *The Perfect Neighbor* Nora Roberts, 2020-06-02

A novel of The MacGregors from 1 New York Times bestselling author Nora Roberts. *The Perfect Neighbor* brings together a man and woman who share nothing in common but an apartment building hallway and a desire for love with the perfect companion. Cybil Campbell paints her ideal life full of sunshine and laughter into her comic strip art. An eternal optimist who sees limitless joyful possibilities every day, she cannot understand why her handsome new neighbor across the hall chooses to believe in darkness and shadows his every waking hour. Preston McQuinn just wants to be left alone, not to be the object of his neighbor's patronizing pity about his well-being. But Cybil's genuine good cheer and compassionate kindness break through Preston's cynicism and opens his heart to pursue what may be the perfect love of his life. **A**

Kreyenbroek, Khalil Jindī, 2005 Until the late 20th century the West was unaware of the existence of an extensive corpus of Yezidi religious texts These were traditionally

transmitted orally and were kept secret from outsiders It was not until the 1970s that a few Yezidi intellectuals began to commit these texts to writing These first publications included only specimens of the most prestigious genres which for a time were thought to be representative of Yezidi religious literature as a whole It was later discovered however that this literature was far richer Furthermore it became clear that an understanding of Yezidi oral culture as a whole was indispensable for a proper understanding of the religious texts The present work offers the reader a representative selection of the main genres of Yezidi religious texts with translation and commentary The texts are intended moreover to cover the topics most often addressed in the Yezidi religious tradition The first introductory chapter aims to introduce the reader to the Yezidi community's history aspects of its religion and its social structures and institutions The next chapter focuses on some of the implications of the oral transmission of this literature and on its contents especially the sacred history of Yezidism The third chapter discusses aspects of orality and the transition to written culture questions of performance and reception and the formal characteristics of the various types of texts
