## **Perfect Weight:**

**Perfect Weight Canada** Jordan Rubin,2008      **Perfect Weight Loss** Kate Santon,2010-07-06 Perfect Weight Loss is essential reading for anyone who wants to shed a few pounds Based on the idea that real success comes from making small and sustainable lifestyle changes rather than trusting faddish diets it demystifies the process of losing weight and offers sensible and intelligent advice on everything from preparing nutritious food to exercising effectively Whether you re keen to slim down so you can fit into that favourite pair of jeans or just want to eat more healthily Perfect Weight Loss has all you need to know The Perfect series is a range of practical guides that give clear and straightforward advice on eveything from getting your first job to choosing your baby s name Written by experienced authors offering tried and tested tips each book contains all you need to get it right first time      *Treasures of the Soul* Maggie Bellevue,2022-10-14 The presentation of the main body of this book is based on a format that I conceptualized for ease of application of the principles which I consider fundamental to living a fulfilling life of purpose I call that format The 7 C s of Living In Purpose In the order in which I present each of them as a chapter on its own these are Conceive Confidence Concentrate Consistence Commitment Character and Celebration Having made myself amenable to the divine assignment I was given to write a book that broadly discusses purpose in as focused a manner as I could possibly make it I still found myself burdened with the task of conceiving of a learning methodology which would render the entire text not just one that would occupy the average reader s leisure reading hours but also one that would lend itself to an effective tool for the application of the knowledge provided in the book

*Making Morality Work* Holly M. Smith,2018-04-13 Most of us hope to do what morality requires of us But what if we can t figure out what it does require A soldier may know that morality requires him not to kill an innocent civilian but he can t tell whether the driver of a suspicious car is an innocent civilian or a terrorist about to detonate a bomb Holly M Smith addresses this problem in *Making Morality Work* by asking whether we should reject moral codes that can t be used by anyone hampered by inadequate information When considering questions of morality we call on moral theories to play both a theoretical and a practical role These theories provide accounts of what makes actions right or wrong and also provide a standard by which agents can guide their own conduct It is usually assumed that a single theory can serve both roles but limited knowledge often prevents people from using traditional normative theories to make decisions Smith examines three major strategies for addressing this epistemic problem in morality before developing an innovative solution that overcomes the weaknesses of prior approaches *Making Morality Work* opens a path towards resolving a deep problem in moral life
