Perfect Country Cottage:

The Perfect Country Cottage Bill Laws, 1993 Offering a delightful escape to the simple country life The Perfect Country Cottage includes lively photographs of small country houses from Cornwall to Maine from Scandinavia to Greece making it an essential companion for everyone wanting to decorate and style a country retreat Chapters focus not only on interiors spaces kitchens living rooms and bedrooms but also on exterior spaces such as flower and vegetable gardens patios and decks Exterior details are fully explored and close attention is given to topics special to decorating a country cottage such as soft furnishings floors painted furniture architectural details garden furniture and storage In addition the author who specializes in country buildings traces the evolution of the country cottage from simple farmworkers dwellings to modern rural oases from hectic urban life

Country Life, 1919 **The Perfect English Country Cottage** Lydia Greeves, John Miller, 1995 The Country Cottage small scale harmonious rooted in the landscape seems to sum up all that is best about Britain In this rich anthology Lydia Greeves and John Miller have sought out a range of visual treats from Cornwall to Northumbria and from East Anglia to Wales Some are unselfconscious reflections of place showing how for centuries country people used the materials around them to create buildings that seem to grow out of their surroundings These are the cottages that were built by hand using vernacular traditions that resulted in the cob and thatch of the West Country the half timbering of the Weald and Welsh Borders and the gabled golden stone of the Cotswolds Others were built to order and architect designed forming trim terraces in a hundred estate villages or set beside a waterway or on a remote coast for lock keepers coastguards and lighthouse attendants Some cottages were built to be lived in others as eye catchers their dripping thatch ivy covered walls and leaded gothic windows meant to be seen in a view across the park or from the comfort of a carriage And then as today there is the cottage as retreat sought out by writers artists and others seeking to escape the world Drawing on a rich range of cottages now owned by the National Trust Lydia Greeves explores all these themes while John Miller s evocative photographs capture the unique appeal of what are perhaps Britain s greatest national treasures

Maiden's Prayer Joan Fleming, 2012-09-06 To Miss Maiden the mysterious Mr Aladdin with his Persian origins his charm and his flavour of the exotic East appeared like the answer to a prayer It was perhaps odd that anybody should be called Mr Aladdin but it was even odder that Miss Maiden did not enquire more deeply into Mr Aladdin s past Had she done so she almost certainly would not have allowed him to help her in the management of her business affairs and she might have avoided her macabre fate

Country Life Illustrated, 1902 *Farm Fatale* Wendy Holden, 2010-07-01 Wickedly funny Kirkus A witty beloved novel of heart and heartland Farm Fatale skewers the culture clash of city vs country in the snappy observant style that made Wendy Holden famous Cash strapped Rosie and her boyfriend Mark are city folk longing for a country cottage Rampant nouveaux riches Samantha and Guy are also searching for rustic bliss in the biggest mansion money can buy The village of Eight Mile Bottom seems quiet enough despite a nosy postman a reclusive rock star a

glamorous Bond Girl and a ghost with a knife in its back But there are unexpected thrills in the hills and Rosie is rapidly discovering that country life isn't so simple after all This lighthearted romp surprisingly unpredictable smart and fun is refreshing fare readers can turn to Publishers Weekly Every character here is deliciously ridiculous and every rustic detail a grand satirical opportunity Baltimore Sun Wendy Holden writes with delicious verve and energy Mail on Sunday

The Spirits of Bad Men Made Perfect Constance Hall Jones, 2019-12-13 This remarkable biography and edited diary tell the story of William Ellis Jones 1838-1910 an artilleryman in Crenshaw's Battery Pegram's Battalion the Army of Northern Virginia One of the few extant diaries by a Confederate artilleryman Jones's articulate writings cover camp life as well as many of the key military events of 1862 including the Peninsula Campaign the Second Battle of Manassas the Maryland Campaign and the Battle of Fredericksburg In 1865 Jones returned to his prewar printing trade in Richmond and his lasting reputation stems from his namesake publishing company's role in the creation and dissemination of much of the Lost Cause ideology Unlike the pro Confederate books and pamphlets Jones published primarily among them the Southern Historical Society Papers his diary shows the mindset of an unenthusiastic soldier In a model of contextualization Constance Hall Jones shows how her ancestor came to embrace an uncritical veneration of the army's leadership and to promulgate a mythology created by veterans and their descendants who refused to face the amorality of their cause Jones brackets the soldier's diary with rich biographical detail profiling his friends and relatives and providing insight into his childhood and post war years In doing so she offers one of the first serious investigations into the experience of a Welsh immigrant family loyal to the Confederacy and makes a significant contribution to our understanding of Civil War era Richmond and the nineteenth century publishing industry Invitingly written **The Spirits of Bad Men Made Perfect** is an engaging life and times story that will appeal to historians and general readers alike

The Church Times, 1904 *A Vineyard in North Wales? It's Not Warm Enough!* Kevin Mawdesley, 2023-08-17 The original plan was to establish a small commercial vineyard in Andalucia in southern Spain but a combination of circumstances dictated that it finished up being fifteen hundred miles away on an island off the North Wales coast The first few vines had actually been planted on a gardening whim in our field in Anglesey a few years before but they were totally mismanaged and eventually produced a small amount of unremarkable wine Despite this somewhat insipid achievement the idea for the Andalucian project was spawned surely it would be easier in a better climate Well the climate in Spain is definitely better suited to producing grapes but the regulations weren't Undaunted by the disappointments there and now more determined I learned a bit more about this delightful infuriating profession and then thought that I could in fact probably do it properly in Anglesey So Red Wharf Bay Vineyard became unexpectedly into existence You would have to say that it's a bit of an unlikely tale indeed it became a bit of a saga Then I thought I wanted to tell people about it because I think there's a story worth telling and I like telling stories because I have enjoyed it am enjoying it and because I think it's a good story but you must be the judge of that Here you are then the tale of how it all unfolded 1967 David Stuart
