Because of You ,1955 Because of Your United States. Bureau of Naval Personnel,1955 Crimes of the Century: Bernie Madoff Andrew Ulloa,2012-02-05 ABOUT THE BOOK In the fall of 2008 at the zenith of the American financial crisis multiple Wall Street firms posted losses reaching into the hundreds of millions These losses represented the beginning of an unprecedented disaster In December of 2008 CNN estimated that Bernard L Madoff Investment Securities LLC was responsible for 50 billion Widely touted as the biggest Ponzi scheme in history Bernard Bernie Madoff lured wealthy investors with promises of high returns only to siphon away funds to finance his own lavish lifestyle He would then replenish his coffers by recruiting more unsuspecting clients After decades of deception the question remains How did Madoff get away with it for so long MEET THE AUTHOR Andrew Ulloa is an attorney who lives and practices in San Jose California

EXCERPT FROM THE BOOK Madoff's obsession with access extended beyond recruiting clients The Wall Street Journal documented Madoff's entrance into the world of regulatory agencies Madoff kept close ties with the leading securities industry organization Securities Industry and Financial Markets Association SIFMA where his brother Peter served on the board of directors Additionally Madoff held close relationships with employees of the Securities and Exchange Commission SEC His nephew was a SEC lawyer and Madoff considered past SEC Chairpersons and Commissioners to be friends It seemed that he had friends everywhere What is fascinating about Madoff is the ability he had to manipulate so many smart wealthy connected people Even days before Madoff's arrest there were those still clamoring to invest with him Madoff had crafted a sustainable self-perpetuating scheme Yet the one factor Madoff could not anticipate was the subprime mortgage crisis and the resulting housing market crash The economy was shaken and investors wanted to be as liquid as possible In the fall of 2008 they began requesting cash withdrawals from Madoff This was the end of the line There was no way Madoff could redeem over 7 billion in requests According to Bloomberg News Madoff only had 200 million left to disperse With his options limited he confessed to his family and surrendered to authorities on December 11 2008 Buy a copy to continue reading

Cornis-Pope, 1996-01-01 Ten essays explore violence in relation to notions of difference representation and power and the role of mediation in providing communal space in which cultural differences can interplay without conflict Among the topics are the semiotics of windows and television screens gender relations in contemporary film and the image of Mormons in popular literature The fiction of Kafka Lu Xun Conrad Aiken Toni Morrison and Ronald Sukenick is also examined Annotation
