where humans live all the world through political war machinery Our food niche must be present with the presence of the human species or grass becomes extinct desert on land sea air ensues A world desert is reversible planting the human niche food Jere in areas of human habitation reestablishes ionic chemical balance rebuilding the environment Why how is Jere our niche food not present where does it come from when This book describes my understanding as it was given to me by eating this wonderful food researching science language folklore farming it feeding it to my domestic animals **The Perfect 10** Yasmin Karachiwala,2023-02-27 Fitness looks hard Weight maintenance looks difficult It is a culture that has normalized conversations that have been internalized so deeply that we forget that many are the same half truths or untruths repeated for so long that they become part of our conditioning Normalize this fitness is easy This book will show you that all it takes is ten minutes a day to start that journey and will be packed with exercise plans movement ideas and lifestyle changes punctuated by stories of real journeys of real people Get up Move with Yasmin Karachiwala And see how your body and your life changes **Perfect Company IV** Gloria Divine,2022-03-24 This book contains personal experiences with Jesus Christ His Mother and His Saints It reveals hidden traps by the evil one and its friends When Jesus encouraged me to write in 2006 I was relieved and happy I thought about the experiences I had of Him in the past and could write about that I had no idea that four books would evolve from this encouragement by Jesus In this book the story continues whereby Jesus uses my life situations to reveal His power and wisdom Jesus takes me through many experiences so others can be enlightened and aware of certain circumstances in their lives I am not to keep these things to myself but to let them be known Jesus is anxious for others to come to know Him He walked among humans on earth and is neither a myth nor a liar In the Bible He was revealed several times as God A statement I saw on this book read Steeped in the profound traditions of Catholic mysticism I agree with this statement to a point but to be a child of God one does not have to be steeped in Catholic Mysticism Most of the churches I attend are Catholic they are mystical but mysticism can be found in every church based on Christ The traditions of the Church are not for Catholics only They are for everyone who wants to indulge in them Jesus did not come to place us into churches with particular names but to save everyone He who believes in me and is baptised will be saved Mt 15 16 Another statement I saw about the book read It is thought provoking and passionate I would agree that it is definitely thought provoking because it is not what the normal human being would experience in their everyday life These things are there but people are not realising what is going around them These things are not tangible or visible in the normal sense I believe the passion must be contained in the style of my writing and my determination to pen everything Jesus wanted do relay something to the world and I believe He has done so in these books We are walking in a state of unsafety and no one is telling us anything concerning this Our homes our cars our streets our churches our supermarkets products we buy and even our workplaces are unsafe These are just a some of the unsafe settings Jesus has pointed out to me as having evil and evil workers lurking to make our environments difficult and unsafe The main solution to this problem is for people to turn to God

and refuse to live in a society where He is obscured and ignored For more information about the book visit <https://www.jesusperfectcompany.com>
