Perfect Peace Daniel Black, 2010-03-16 As seen on TikTok Daniel Black s *Perfect Peace* is the heartbreaking portrait of a large rural southern family s attempt to grapple with their mother s desperate decision to make her newborn son into the daughter she will never have a complex imaginative story of one unforgettable black family in mid twentieth century Arkansas Atlanta Magazine When the seventh child of the Peace family named Perfect turns eight her mother Emma Jean tells her bewildered daughter You was born a boy I made you a girl But that ain t what you was supposed to be So from now on you gon be a boy It ll be a little strange at first but you ll get used to it and this ll be over after while From this point forward Perfect s life becomes a bizarre kaleidoscope of events while the rest of his family is forced to question everything they thought they knew about gender sexuality unconditional love and fulfillment A morality tale of the consequences of letting our selfish needs trap the ones we love into roles they weren t born to play The characters here are as flawed their sins numerous as any living human being held under the lens but the author brings a compassion and understanding to their plights Mat Johnson award winning author of *Invisible Things* Part cautionary tale part folk tale part fable Daniel Black s *Perfect Peace* is a complete triumph In Emma Jean Peace Dr Black has created a character as complex equivocal and unforgettable as Scarlett O Hara Larry Duplechan Lambda Literary Award winning author of *Got Til It s Gone*
