*Perfect* L.A. Kessler, 2022-05-02 Perfection Juliet Huff's life depends on it. She's never been outside, had friends over or attended school. She's also never had a cold, a bruise or a scrape. Her parents are researchers part of the secretive Genesis Foundation and they have one goal: Utopia. No one will ever lose another child to disease or birth defects. They'll achieve their goal through cloning perfect children. In order to attract funding, any imperfect subjects are terminated. As she nears her eighteenth birthday, she discovers she will become the first Genesis child to reach this milestone and will be preserved as a permanent record of their work unless she can break free. But Juliet has a secret. She met someone from the outside world once, the boy from across the street. Escaping her house, she finds Bill Manning, all grown up, but time is running out and she must expose the Genesis Foundation. Because she'll never be perfect again. *The Bookseller and the Stationery Trades' Journal*, 1992. Official organ of the book trade of the United Kingdom. **Whitaker's Books in Print**, 1998.
