The Girl Samantha Geimer, 2013-09-17 In this searing and surprising memoir Samantha Geimer the girl at the center of the infamous Roman Polanski sexual assault case breaks a virtual thirty five year silence to tell her story and reflect on the events of that day and their lifelong repercussions March 1977 Southern California Roman Polanski drives a rented Mercedes along Mulholland Drive to Jack Nicholson s house Sitting next to him is an aspiring actress Samantha Geimer recently arrived from York Pennsylvania She is thirteen years old The undisputed facts of what happened in the following hours appear in the court record Polanski spent hours taking pictures of Samantha on a deck overlooking the Hollywood Hills on a kitchen counter topless in a Jacuzzi Wine and Quaaludes were consumed balance and innocence were lost and a young girl s life was altered forever eternally cast as a background player in her own story For months on end the Polanski case dominated the media in the US and abroad But even with the extensive coverage much about that day and the girl at the center of it all remains a mystery Just about everyone had an opinion about the renowned director and the girl he was accused of drugging and raping Who was the predator Who was the prey Was the girl an innocent victim or a cunning Lolita artfully directed by her ambitious stage mother How could the criminal justice system have failed all the parties concerned in such a spectacular fashion Once Polanski fled the country what became of Samantha the young girl forever associated with one of Hollywood s most notorious episodes Samantha as much as Polanski has been a fugitive since the events of that night more than thirty years ago Taking us far beyond the headlines The Girl reveals a thirteen year old who was simultaneously wise beyond her years and yet terribly vulnerable By telling her story in full for the first time Samantha reclaims her identity and indelibly proves that it is possible to move forward from victim to survivor from confusion to certainty from shame to strength *Chambers of Horror* John Marlowe, 2011-04-01 What I want is an off the shelf sex partner I want to be able to use a woman whenever and however I want And when I m tired or bored I simply want to put her away Leonard Lake Jeffrey Dahmer who was obsessed with dead animals when he was younger later got sexual satisfaction from eating his victims as he felt like they became a part of him John Wayne Gacy toured the children s wards in hospitals dressed in a clown costume of

Green,2009-03-02 Throughout my captivity I was never told what was going to happen next or why This lack of knowledge was used by Master to maintain a continuous element of fear and control over me Anytime I was taken out of the box I never knew what to expect Fear of the unknown was always with me as I was kept in the dark both physically and mentally This lack of knowledge may have been a good thing in one sense If I had known the length of my entombment after returning from Riverside I m not sure I would have survived Of course I m not sure even Master knew how long he was going to keep me in the box A few days passed then a few more Then weeks passed followed by months Months slowly turned into years I would spend the next three years of my life 1981 1984 in the box sleeping dreaming and praying I have to assume my lengthy confinement in the box came about because Master was concerned he had given me too much freedom Maybe he felt he was losing control of his slave Too many neighbors had seen me and questions about my status in the Hooker household were surely to arise A fast thinking family member in Riverside may have copied down his vehicle tag number What if the police knocked on his door one day looking for Colleen Stan What if they searched the mobile home Would anyone think to look under a waterbed for the girl in the box Master wanted to keep me out of sight until the heat had passed The other reason for putting me into storage was Ma am I m sure she wanted me out of her life out of her children's lives and out of her husband's life Master was not ready to let his slave go Cloistering was the only answer My daily routine soon became predictive as I was allowed out late in the evening after the girls had gone to bed I emptied my bedpan drank a large glass of water and ate cold leftovers in the front bathroom Sometimes the leftovers were true leftovers that had been out all day and the family didn't want
