Fastiggi, 2014-05-17 Creating Eartheaven in Your Life is unique and it is innate in all human beings Humanitys quest for a wholesome peaceful life goes unabated Our search for our better self that identifies with the reality of the world we live in all too often filled with grief and stress is juxtaposed with faith and hope for change or a miracle Do we just have faith expecting God will deliver humanity from the ills we have caused Should we just buckle down and be practical seeking solution with our rational self What kind of God do we actually know or are we seeking a relationship with an image of God taught to us What is the divine matrix and does a personal God speak to us Science stands for one view of creation and faith stands for another Is there a joining point of the two Has our species Homo sapiens stalled out in evolutionary development Is the world becoming a village of cooperation and mutual peace seeking Can we continue the way we have been and survive our own arrogance What is the future of faith religion and spirituality The author in a comprehensive way takes us on a journey to explore answers to these questions and much more Eartheaven is a paradigm of integration between the souls development and our biological body and by extension all creation He delves into scientific reality while preserving in the beginning God created Creating Eartheaven in Your life is a deep exploratory of the souls life in the experience of hurt and suffering and the potential for there to be personal divine human embodiment and therefore earth peace Through ten fundamental teaching combining Jesus words of two thousand years ago an Aramaic understanding the authors revelatory experience in an apparition of Jesus his 44 years life experience psychology and science

your reading and learning experience will be a challenge and liberation of the soul. Profound transformation is needed and this codex offers the leverage needed to shift our life course towards personal awakening and transformation as well as providing a blue print for future generations. Creating Eartheaven in Your Life brings us into universal principles of life: a meeting for humanity without walls. This volume of two addresses specifically transformation of the soul; heaven unfolding. Volume two addresses transformation of the body representing the earth and thus eartheaven. Granted this book is not an easy read but proves to be a strong mirror reflecting back to us our lives and what we can become fulfilling humanity's evolutionary life potential and perhaps vital to our survival as a people. *Perfecting Perfection* Robert Webster, 2016-07-28

Henry D Rack is one of the most profound historians of the Methodist movement in modern times. He has spent a lifetime researching and writing about the rise and significance of John Wesley and his Methodist followers in the eighteenth century and has also uncovered the historical significance of the Methodist Church in the nineteenth and twentieth centuries. Collected in *Perfecting Perfection* are thirteen essays honouring the life and scholarship of Dr Rack from a host of international scholars in the field. The topics range from Wesley's view of grace in the eighteenth century to the dynamic intersection of the Methodist and Tractarian movements in the nineteenth century. Ultimately the collection of essays offered here in honour of Dr Rack will be engaging and provocative to those considering Methodist Studies in the present and future generations.

Transfiguration and Hope D. Gregory Van Dussen, 2018-09-17 To read and visualize the transfiguration of Christ is to enter its mystery and encounter its hope. Like the Gospel writers and the disciples who climbed the mountain with Jesus we struggle to tell the story and explain its meaning. Yet this astounding event reveals God's ultimate purpose in sending his Son: the complete restoration of humanity and all creation: our transfiguration in Christ. The light and glory of that moment reveal a destiny that is infinite and eternal, made possible by the power of grace. Transfiguration is the trajectory and goal of our spiritual journey. Across time and space Christians have reflected on the mystery and hope epitomized in the transfiguration yet their voices have been heard primarily within their own cultural and ecclesiastical contexts. This study gathers many of those voices from the panorama of Scripture and church history and finds in them the common theme of radical transformation in Christ. The point of this theological conversation is spiritual transfiguration and hope for each of us as we reach toward the future. Christ has shown us in himself.
