

Performance

I starred that night, I shone:

I was footwork and firework in one,

a rocket that wriggled up and shot
darkness with a parasol of brilliants
and a peewee descant on a flung bit;
I was blusters of glitter-bombs expanding
to mantle and aurora from a crown,
I was fouéttés, falls of blazing paint,

para-flares spot-welding cloudy heaven,
loose gold off fierce toeholds of white,
a finale red-tongued as a haka leap:
that too was a butt of all right!

As usual after any triumph, I was
of course, inconsolable.

its aesthetic qualities in addition to or instead of its notional and semantic content The increased emphasis on the aesthetics of language and the deliberate use of features such as repetition meter and rhyme are what are commonly used to distinguish poetry from prose but debates over such distinctions still persist while the issue is confounded by such forms as prose poetry and poetic prose Some modernists such as the Surrealists approach this problem of definition by defining poetry not as a literary genre within a set of genres but as the very manifestation of human imagination the substance which all creative acts derive from

American Poetry in Performance Tyler Hoffman, 2013-05-29 American Performance Poetry is the first book to trace a comprehensive history of performance poetry in America from Whitman through the rap meets poetry scene and to show how the performance of poetry is bound up with the performance of identity and nationality in the modern period This book will be a meaningful contribution both to the field of American poetry studies and to the fields of cultural and performance studies as it focuses on poetry that refuses the status of fixed aesthetic object and in its variability performs versions of race class gender and sexuality both on and off the page Relating the performance
