Perilous Frontier Nomadic Empires And China:

The Perilous Frontier Thomas Jefferson Barfield,1989 *The Perilous Frontier* Thomas J. Barfiels,1992 *The Perilous Frontier* Thomas Jefferson Barfield,1989 **Ancient China and its Enemies** Nicola Di Cosmo,2002-02-25 Relations between Inner Asian nomads and Chinese are a continuous theme throughout Chinese history By investigating the formation of nomadic cultures by analyzing the evolution of patterns of interaction along China s frontiers and by exploring how this interaction was recorded in historiography this looks at the origins of the cultural and political tensions between these two civilizations through the first millennium BC The main purpose of the book is to analyze ethnic cultural and political frontiers between nomads and Chinese in the historical contexts that led to their formation and to look at cultural perceptions of others as a function of the same historical process Based on both archaeological and textual sources this 2002 book also introduces a new methodological approach to Chinese frontier history which combines extensive factual data with a careful scrutiny of the motives methods and general conception of history that informed the Chinese historian Ssu ma Ch ien

Warfare in China Since 1600 Kenneth Swope,2017-05-15 Warfare has shaped the modern history of China more than any other single factor This book brings together the best recent English language scholarship on warfare in China over the last four centuries and situates warfare within the broader sweep of China s modern historical development **Confounding Powers** William J. Brenner,2016-01-29 Nearly a decade and a half after 9 11 the study of international politics has yet to address some of the most pressing issues raised by the attacks most notably the relationships between Al Qaeda s international systemic origins and its international societal effects This theoretically broad ranging and empirically far reaching study addresses that question and others advancing the study of international politics into new historical settings while providing insights into pressing policy challenges Looking at actors that depart from established structural and behavioral patterns provides opportunities to examine how those deviations help generate the norms and identities that constitute international society Systematic examination of the Assassins Mongols and Barbary powers provides historical comparison and context to our contemporary struggle while enriching and deepening our understanding of the systemic forces behind and societal effects of these confounding powers **Labrang Monastery** Paul Kocot Nietupski,2012-07-10 The Labrang Tibetan Buddhist Monastery in Amdo and its extended support community are one of the largest and most famous in Tibetan history This crucially important and little studied community is on the northeast corner of the Tibetan Plateau in modern Gansu Province in close proximity to Chinese Mongol and Muslim communities It is Tibetan but located in China it was founded by Mongols and associated with Muslims Its wide ranging Tibetan religious institutions are well established and serve as the foundations for the community s social and political infrastructures The Labrang community s borderlands location the prominence of its religious institutions and the resilience and identity of its nomadic and semi nomadic cultures were factors in the growth and survival of the monastery and its enormous estate This book tells the story

of the status and function of the Tibetan Buddhist religion in its fully developed monastic and public dimensions It is an interdisciplinary project that examines the history of social and political conflict and compromise between the different local ethnic groups The book presents new perspectives on Qing Dynasty and Republican era Chinese politics with far reaching implications for contemporary China It brings a new understanding of Sino Tibetan Mongol Muslim histories and societies This volume will be of interest to undergraduate and graduate student majors in Tibetan and Buddhist studies in Chinese and Mongol studies and to scholars of Asian social and political studies

The Rise of China Michael E. Brown, 2000 Analysts debate the international implications of a newly powerful China China's relentless economic growth in the 1980s and 1990s heralded its emergence as a great power in world politics As its economy expanded China seemed poised to become the second largest economy in the world At the same time it modernized its military and adopted a more assertive diplomatic posture Many observers have begun to debate the international implications of China's rise Some analysts argue that China will inevitably pose a threat to peace and security in East Asia A few even predict a new cold war between Beijing and Washington Others claim that a powerful China can remain benign None believes that China can be ignored The essays in this volume assess China's emerging capabilities and intentions debate the impact that China will have on security in the Asia Pacific region and propose policies for the United States to adopt in its relations with China

Managing Frontiers in Qing China, 2016-11-14 In *Managing Frontiers in Qing China* historians and anthropologists explore China's imperial expansion in Inner Asia focusing on early Qing empire building in Mongolia Xinjiang Tibet and beyond Central Asian perspectives and comparisons to Russia's Asian empire are included Taking an institutional historical and historical anthropological approach the essays engage with two Qing agencies well known for their governance of non Han groups the Lifanyuan and Libu This volume offers a comprehensive overview of the Lifanyuan and Libu revising and assessing the state of affairs in the under researched field of these two institutions The contributors explore the imperial policies towards and the shifting classifications of minority groups in the Qing Empire explicitly pairing and comparing the Lifanyuan and Libu as in some sense cognate agencies This text offers insight into how China's past has continued to inform its modern policies as well as the geopolitical make up of East Asia and beyond Contributors include Uradyn E Bulag Chia Ning Pamela Kyle Crossley Nicola DiCosmo Dorothea Heuschert Laage Laura Hostetler Fabienne Jagou Mei hua Lan Dittmar Schorkowitz Song Tong Michael Weiers Ye Baichuan Yuan Jian Zhang Yongjiang

China's Northern Wei Dynasty, 386-535 Puning Liu, 2020-12-21 The Northern Wei was a dynasty which originated outside China and ruled northern China when the south of China was ruled by a series of dynasties which originated inside China Both during the time that the Northern Wei dynasty was in power and over many centuries subsequently the legitimacy of the Northern Wei dynasty has been questioned This book outlines the history of the Northern Wei dynasty including its origins and the history of its southern rivals considers the practices adopted by both the Northern Wei dynasty and its rivals to establish legitimacy and examines the debates which

preoccupied Chinese scholars subsequently The book casts light on traditional ideas about legitimate rule in China ideas which have enduring relevance as tradition continues to be very significant in contemporary China

The Measure of Civilization Ian Morris,2013-01-27 A groundbreaking look at Western and Eastern social development from the end of the ice age to today In the past thirty years there have been fierce debates over how civilizations develop and why the West became so powerful The Measure of Civilization presents a brand new way of investigating these questions and provides new tools for assessing the long term growth of societies Using a groundbreaking numerical index of social development that compares societies in different times and places award winning author Ian Morris sets forth a sweeping examination of Eastern and Western development across 15 000 years since the end of the last ice age He offers surprising conclusions about when and why the West came to dominate the world and fresh perspectives for thinking about the twenty first century Adapting the United Nations approach for measuring human development Morris s index breaks social development into four traits energy capture per capita organization information technology and war making capacity and he uses archaeological historical and current government data to quantify patterns Morris reveals that for 90 percent of the time since the last ice age the world s most advanced region has been at the western end of Eurasia but contrary to what many historians once believed there were roughly 1 200 years from about 550 to 1750 CE when an East Asian region was more advanced Only in the late eighteenth century CE when northwest Europeans tapped into the energy trapped in fossil fuels did the West leap ahead Resolving some of the biggest debates in global history The Measure of Civilization puts forth innovative tools for determining past present and future economic and social trends

China's Rise in Historical Perspective Brantly Womack,2010-07-16 China with its geographical historical cultural and political distance from the West long has been a black box upon which we readily paste labels communist non Western developing country but whose internal logic remains a mystery to us Arguing that it would be a major step forward in our genuine knowledge of China if we understood its internal dynamic this innovative book considers China from a historical perspective to chart its current dynamic and future direction Renowned historians economists and political scientists explore the internal dynamic of China s rise since traditional times through the key themes of China s identity security economy environment energy and politics Each themed section pairs a historian with a social scientist to

give an overall view of where China is coming from and where it is heading One of the PRC's best known experts on international relations provides a concluding reflection on the political psychology of China's view of itself in the world Although a China centered perspective does not yield clear absolute truths about China's rise focusing on change in the PRC from pre modern times to the present allows us to distinguish between China's own dynamic and its relative change of position vis vis other actors including ourselves Written in clear and accessible style this nuanced book will be essential reading for all readers interested in China past and present and its growing global role Contributions by Lowell Dittmer Erica S Downs Mark Elvin Joseph W Esherick Joseph Fewsmith Barry Naughton Dwight H Perkins Qin Yaqing Evelyn S Rawski R Keith Schoppa Michael D Swaine and Brantly Womack *Early Modern China and Northeast Asia* Evelyn S. Rawski, 2015-06-11 Evelyn Rawski presents a revisionist history of early modern China in the context of northeast Asian geopolitics and global maritime trade [The Imperial Capitals of China](#) Arthur Cotterell, 2008-05-29 This history of China's imperial capital cities reveals a picaresque chronicle of dynastic succession and court intrigue across millennia Publishers Weekly Throughout the long history of Imperial China emperors designed their capital cities in ways that reveal the heart of their dynasty The ley lines of these cities reveal religious preoccupations while the design of important buildings tells us much about the cultural influences of the period The Shang Emperor of the third century B C made obsessive and ultimately fatal attempts to engage the Immortals with cosmologically pleasing urban planning Meanwhile the Tang capital at Chang'an betrays the striking creativity and cultural receptiveness that earmark the era as a literary and artistic golden age And the Forbidden City of fifteenth century Beijing still stands as testament to Ming dynasty architectural virtuosity Arthur Cotterell provides an inside view of the rich array of characters political and ideological tensions and technological genius that defined the imperial cities of China as each in turn is uncovered explored and celebrated The oldest continuous civilization in existence today stands to become the most influential **Rulers and Ruled in Ancient Greece, Rome, and China** Hans Beck, Griet Vankeerberghen, 2021-02-04 A comparative study of the ancient Mediterranean and Han China seen through the lens of political culture **China and Iran** Edward Burman, 2009-08-03 China and Iran have featured heavily in the news in recent years China is both a military and an economic superpower with 20% of the world's population Iran is suspected of developing nuclear weapons and arming terrorists and sits on the world's second largest oil and gas reserves They are also surprisingly close geographically Iran is only 700 miles across Afghanistan from China's extreme western border A 25 year 100 billion deal to supply China with oil and gas and the large number of Chinese companies operating in Iran shows that the two are moving increasingly close in both political and economic terms But what does this mean for the rest of the world and especially for the West Edward Burman examines how the strikingly similar histories of these two ancient civilisations can inform what the likely consequences for the world of an alliance between them might be *China* John King Fairbank, Merle Goldman, 2006-04-30 A broad history of China covering the period from the earliest archaeological records to the present

Updated by Merle Goldman from the original 1992 edition in order to include the reforms in the post Mao period through the early years of the twenty first century including the leadership of Hu Jintao She also provides an epilogue discussing the changes in contemporary China that will shape the nation in the years to come **China, Xinjiang and Central Asia** Colin Mackerras, Michael Clarke, 2009-04-14 Central Asia and Xinjiang the far northwestern province of China are of increasing international importance This book provides a comprehensive overview of the region s significance historically of the contemporary international forces which affect the region and of current political economic and cultural developments
