numerous and too well known for the author to make much further mention Among them however the method of divining
 character by the science of Astrology gained the greatest degree of prominence The exact age of Astrology is not known but
 it was first arranged in a code of mysteries called the Cabala which the magi handed down to the succeeding genera tion
 orally The science of Astrology was practiced many centur ies ago In almost all of the countries of the East and those ancient
 philosophers laid great stress upon the in uence exerted by the planets over the physical moral and mental conditions of man
 They considered seven the only perfect number and they limited the number of stars having any in uence upon mind and
 matter to seven About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at
