Perjury The Hiss Chambers Case

Gregory L. Schneider

Perjury The Hiss Chambers Case:

Perjury Allen Weinstein, 1978-03-12 **Perjury** Allen Weinstein, 2013-09-01 When the Hiss Chambers case first burst on the scene in 1948 its main characters and events seemed more appropriate to spy fiction than to American reality The major historical authority on the case **Perjury** was first published in 1978 Now in its latest edition **Perjury** links together the old and new evidence much of it previously undiscovered or unavailable bringing the Hiss Chambers s amazing story up to the present *Perjury* Allen Weinstein, 2013 This third edition of **Perjury** brings the controversial Alger Hiss case up to date with evidence that has only come to light in the past two decades The author has sought and gained access to many previously undiscovered unavailable or ignored sources of documentary and oral evidence both in this country and abroad and verified numerous details about the case from the papers or recollections of those who lived through it **Perjury** Allen Weinstein, Alan M. Dershowitz, 1978 **Alger Hiss, Whittaker Chambers and the Case That Ignited McCarthyism** Lewis Hartshorn, 2013-07-17 This is a consensus challenging history of the Alger Hiss Whittaker Chambers controversy of 1948 to 1950 a criminal case in which Hiss was convicted of perjury after two long trials Chambers claimed that Hiss had passed classified State Department documents to him in 1937 and 1938 for transmittal to the Soviet Union Hiss denied the charges but was found guilty at his second trial the jury could not reach a decision in the first Hiss was not charged with espionage because of the statute of limitations The main focus of this narrative concentrates on the early months of the affair from August 1948 when Chambers appeared before the House Committee on Un American Activities and denounced Hiss and several others as underground Communists to the following December when Hiss was indicted for perjury The truth emerges as the story unfolds based in part on grand jury records unsealed by court order in 1999 leading to the conclusion that the stories Whittaker Chambers told the authorities and later published about himself and Alger Hiss in the Communist underground are completely fraudulent **America's Two Constitutions** Thomas J. Reed, 2017-10-06 America s Two Constitutions explores the history of the treatment of dissenters in time of war beginning with the treatment of Tories during the Revolution followed by description and analysis of the Lincoln administration s treatment of disloyal persons during the Civil War President Wilson s organized plan to curb anti war anti draft groups including the Socialist party during World War I President Roosevelt s handling of the Japanese internment program and trial of U S citizens by military commission during World War II the cold war campaign against Communists in government and in the entertainment field the FBI spying program COINTELL and other means to curb draft resisters and anti war groups during the Viet Nam war followed by a chapter on the post 9 11 treatment of suspected terrorists including surreptitious interception of electronic traffic and trial of U S citizens and foreign nationals by military commission The final chapter concludes that the United States has two constitutions the written constitution in peacetime and a special unwritten constitution in time of war or national emergency **New York Magazine** , 1978-04-24 New York magazine was born in 1968 after a run as an insert of the New York Herald

Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Nelson Algren Richard F. Bales,2024-11-01 This book addresses critical gaps in existing biographies of Nelson Algren providing new perspectives on his writing style literary contributions professional colleagues and personal life especially his relationship with Simone de Beauvoir Although Beauvoir maintained a simultaneous relationship with philosopher Jean Paul Sartre the correspondence exchanged between Beauvoir Algren and Sartre as this book discusses sheds new light on her transatlantic love affair with Algren Moreover this work challenges the assertion that Algren s writing aligns seamlessly with the New Journalism style popularized by Tom Wolfe It investigates how Algren s literary legacy might have diverged had he embraced more of the principles associated with New Journalism **Encyclopedia of Gay Histories**

and Cultures George Haggerty,2013-11-05 First Published in 2000 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a wide range of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

Alger Hiss's Looking-Glass Wars G. Edward White,2004-03-11 For decades a great number of Americans saw Alger Hiss as an innocent victim of McCarthyism a distinguished diplomat railroaded by an ambitious Richard Nixon And even as the case against Hiss grew over time his dignified demeanor helped create an aura of innocence that outshone the facts in many minds Now G Edward White deftly draws together the countless details of Hiss s life from his upper middle class childhood in Baltimore and his brilliant success at Harvard to his later career as a self made martyr to McCarthyism to paint a fascinating portrait of a man whose life was devoted to perpetuating a lie White catalogs the evidence that proved Hiss s guilt from Whittaker Chambers s famous testimony to copies of State Department documents typed on Hiss s typewriter to Allen Weinstein s groundbreaking investigation in the 1970s The author then explores the central conundrums of Hiss s life Why did this talented lawyer become a Communist and a Soviet spy Why did he devote so much of his life to an extensive

public campaign to deny his espionage And how without producing any new evidence did he convince many people that he was innocent White offers a compelling analysis of Hiss s behavior in the face of growing evidence of his guilt revealing how this behavior fit into an ongoing pattern of denial and duplicity in his life The story of Alger Hiss is in part a reflection of Cold War America a time of ideological passions partisan battles and secret lives It is also a story that transcends a particular historical era a story about individuals who choose to engage in espionage for foreign powers and the secret worlds they choose to conceal In White s skilled hands the life of Alger Hiss comes to illuminate both of those themes **Treasonable Doubt** R. Bruce Craig,2004 Armed with a wealth of new information Craig examines the controversial 1948 allegations that Communist spies had penetrated the American government and explores the ambiguities that have haunted it for more than half a century Encyclopedia of Lesbian and Gay Histories and Cultures George Haggerty,Bonnie Zimmerman,2003-09-02 Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this Encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the Encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written by some of the most famous names in the field as well as new researchers this is intended as a reference for students and scholars in all areas of study as well as the general public **The Cold War** Spencer C. Tucker,2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies diplomatic initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals wars battles weapons systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps are inset throughout to provide additional context to the material *The Devil on Trial* Phillip Margulies,Maxine Rosaler,2008 Featuring five famous trials this book examines the way our right to a fair trial can be threatened when people are tempted to abandon their principles in the name of safety Trials included are the Salem Witch Trials the Haymarket Affair

Trial the Scopes Monkey Trial the trial of Alger Hiss and the trial of Zacarias Moussaoui the latter not yet covered extensively in any book

Crimes against the State James A. Beckman, Eric Merriam, 2024-08-08 This work provides an authoritative survey of America's long and turbulent history of rebellions against laws and institutions of the state ranging from violent acts of sedition and terrorism to acts of nonviolent civil disobedience against discriminatory or unjust laws Crimes against the State is an evenhanded and illuminating one stop resource for understanding acts of rebellion against legal authorities and institutions and the motivations goals driving them Special care is taken to differentiate between hostile acts and actors that seek to overthrow or otherwise damage the state and or targeted demographic groups through violence such bad actors as the January 6 Capitol mob and bombers of abortion clinics and acts and actors that seek to defy reform or improve laws and institutions of the state through nonviolent action such good actors as activists in the civil rights movement Within these pages readers will 1 learn how to differentiate between sedition insurrection treason domestic terrorism espionage and other acts meant to injure or overthrow the government 2 gain a deeper understanding of laws policies and events that have aroused violent or nonviolent opposition 3 gain a deeper understanding of the perspectives and motivations of both good actors and bad actors and 4 learn about state responses to these challenges and threats from martial law style crackdowns to new laws and reforms

Cold War Spencer C. Tucker, Priscilla Roberts, 2007-09-10 The most comprehensive and up to date student reference on the Cold War offering expert coverage of all aspects of the conflict in a richly designed format fully illustrated to give students a vivid sense of life in all countries affected by the war ABC CLIO is proud to announce the latest addition to its widely acclaimed legacy of historical reference works for students Under the direction of internationally known expert Spencer Tucker Cold War A Student Encyclopedia captures the vast scope day to day drama and lasting impact of the Cold War more clearly and powerfully than any other student resource ever published Ranging from the end of the Second World War to the collapse of the Soviet Union Cold War A Student Encyclopedia offers vivid portrayals of leading individuals significant battles economic developments societal cultural events changes in military technology and major treaties and diplomatic agreements The nearly 1 100 entries plus topical essays and a documents volume draw heavily on recently opened Russian Eastern European and Chinese archives Enhanced by a rich program of maps and images it is a comprehensive current and accessible student reference on the dominant geopolitical phenomenon of the late 20th century James B.

Conant James G. Hershberg, 1995 James B Conant 1893 1978 was one of the giants of the American establishment in the twentieth century President of Harvard University from 1933 to 1953 he was also a scientist who led the US government's effort to develop weapons of mass destruction and his story mirrors the transition of the United States from isolationism to global superpower at the dawn of the nuclear age This splendid portrait of Conant illuminates the life of a pivotal figure in the making of US nuclear scientific educational and foreign policy for almost half a century But the book is much more it is not only an insightful narration of Conant's life it is also a brilliant and important account of the making of the nuclear age a

chronicle that contains much that is new The Washington Post The bomb would be as much Conant's as it was anyone's in government His inner response to that burden of responsibility has long been obscured but it is illumined here This is a model of historiography that is evocative reading The New York Times Book Review Vibrantly written and compelling it breaches Conant's shield of public discretion in masterly fashion

Popular Controversies in World History Steven L. Danver, 2010-12-22 Covering prehistoric times to the modern era this fascinating resource presents pro and con arguments regarding unresolved historic controversies throughout the development of the world Popular Controversies in World History Investigating History's Intriguing Questions offers uniquely compelling and educational examinations of pivotal events and puzzling phenomena from the earliest evidence of human activity to controversial events of the 20th century From the geographic location of human origins to the authenticity of the Shroud of Turin to the innocence or guilt of Sacco and Vanzetti Popular Controversies in World History Investigating History's Intriguing Questions provides four volumes on the ongoing debates that have captivated both the historical community and the public at large In each chapter established experts offer credible opposing arguments pertaining to specific debates providing readers with resources for independent critical thinking on the issue This format allows students scholars and other interested readers to actively engage in some of the most intriguing conundrums facing historians today

Cadres for Conservatism Gregory L. Schneider, 1999 In this history of the other Sixties Gregory L. Schneider traces the influence of Young Americans for Freedom a conservative political group that locked horns with the New Left and spawned many of the major players in the contemporary conservative movement from the Goldwater campaign in 1964 to Reagan's revolution in the 1980s *Cadres for Conservatism* reveals how young political conservatives unlike their leftist counterparts avoided fracture in the wake of the Sixties Rather YAF continued to serve as a seedbed for future conservative leaders many of whom drew on the contacts and counter activism of their youth to consolidate conservative power Schneider's talent for trenchant archival research is supplemented by a plethora of detailed interviews with virtually every past national chairman and executive director of the YAF as well as important sponsors such as William F. Buckley, William Rusher and M. Stanton Evans

Historical Dictionary of the 1940s James Gilbert Ryan, Leonard C. Schlup, 2015-03-26 The only available historical dictionary devoted exclusively to the 1940s this book offers readers a ready reference portrait of one of the twentieth century's most tumultuous decades In nearly 600 concise entries the volume quickly defines a historical figure institution or event and then points readers to three sources that treat the subject in depth In selecting topics for inclusion the editors and authors offer a representative slice of life as contemporaneous Americans saw it with coverage of people movements court cases and economic social cultural political military and technological changes The book focuses chiefly on the United States but places American lives and events firmly within a global context

Perjury The Hiss Chambers Case Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Perjury The Hiss Chambers Case PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and

empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Perjury The Hiss Chambers Case PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Perjury The Hiss Chambers Case free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Perjury The Hiss Chambers Case Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Perjury The Hiss Chambers Case is one of the best book in our library for free trial. We provide copy of Perjury The Hiss Chambers Case in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Perjury The Hiss Chambers Case. Where to download Perjury The Hiss Chambers Case online for free? Are you looking for Perjury The Hiss Chambers Case PDF? This is definitely going to save you time and cash in something you should think about.
