will be what you want it to be and life with your husband will be a source of never ending encouragement and satisfaction Azriela Jaffe takes a fearless approach to a topic most writers wouldn't dare tackle Her column at FSB.com is one of our most popular simply because she is brave enough to discuss what really goes on between married couples Elaine Pofeldt executive editor Fortune Small Business Online **Half Full** Azriela Jaffe, 2003 When the Worst Happens and it Always Does sooner or later that worst possible thing often turns out to be a blessing in disguise In this brave and cheerful little volume you'll find forty of these blessings in disguise moving true stories in which people just like you and me gather their courage and overcome their hardships with optimism and grace You'll meet Layota Maddox an impoverished disabled girl with no use of any joints in her body except her neck who writes out her story with a pencil in her mouth poking at a computer keyboard Rise Kittle single parent to four boys of her own who suddenly finds herself mother to four little girls Theresa Blume whose deafness actually enhances her life And many many more With author Azriela Jaffe as your guide you'll draw inspiration and strength from these astonishing and life affirming stories which bear the promise that yes the glass really is half full Book jacket **Prosperity Gospel Latinos and Their American Dream** Tony Tian-Ren Lin, 2020-07-21 In this immersive ethnography Tony Tian Ren Lin explores the reasons that Latin American immigrants across the United States are increasingly drawn to Prosperity Gospel Pentecostalism a strand of Protestantism gaining popularity around the world Lin contends that Latinos embrace Prosperity Gospel which teaches that believers may achieve both divine salvation and worldly success because it helps them account for the contradictions of their lives as immigrants Weaving together his informants firsthand accounts of their religious experiences and everyday lives Lin offers poignant insight into how they see their faith transforming them both as individuals and as communities The theology fuses salvation with material goods so that as these immigrants pursue spiritual rewards they are also perhaps paradoxically striving for the American dream But after all Lin observes prosperity is the gospel of the American dream In this way while becoming better Prosperity Gospel Pentecostals they are also adopting traditional white American norms Yet this is not a story of smooth assimilation as most of these immigrants must deal with the immensity of the broader cultural and political resistance to their actually becoming Americans Rather Prosperity Gospel Pentecostalism gives Latinos the logic and understanding of themselves as those who belong in this country yet remain perpetual outsiders **The Publishers Weekly**, 2002 **Annual Reports** Ontario Agricultural College. Agricultural and Experimental Union, 1895 Ontario. Canada. Department of Agriculture. Annual Report, 1895 *Gender, Family and Work in Tanzania* Colin Creighton, C.K. Omari, 2024-11-01 This title was first published in 2000 The essays in this volume explore the changing nature of family and gender relations in contemporary Tanzania Particular attention is paid to the social construction of marriage and to the interplay of family life and gender relations with economic processes and forms of work Many of the papers are based upon recent ethnographic and survey research others provide a much needed historical perspective upon the change in family patterns and upon the ways in which gender and

family relations are shaped by and in turn help to shape wider social institutions and processes
