BROKEN AND TEACHABLE Troy Naeyaert, 2018-08-17 Can you remember a time in your life when Jesus became real to you Jesus has always been a big part of my life Jesus became real to me the afternoon of May 5 2016 My decision to take a late afternoon motorcycle ride that day changed my life and began my journey to discovering God's mercy and grace It's in times of brokenness and survival that we see how fragile life really is Valleys and mountaintops are all part of this thing we call life It is sad that it takes times of brokenness and loss for us to become teachable and dependent on God Real life is found at the end of yourself and the beginning of openness to God The pages within this book are my story It is a story of ups and downs A

rediscovery of who God is and who I am in Christ It is a story of God showing up each day to teach me about myself and my faith And it is the story of how he continues to teach me more about myself and my faith as he deepens my dependence on him for the journey I am on If your life is one of brokenness this book is for you Faith to Believe Dr. Floyd Grant, 2022-11-03 Faith to Believe is a compilation of several different components of faith that commenced our belief with a promise When God gives us a promise transformation immediately starts shaping our future through the agent of change Although we might encounter chaos and confusion along the way and oftentimes we cannot fully quantify the result that we desire to achieve know that God's transformation process in us having faith to believe is still effectively taking place in our life to fulfill our purpose hopes and dreams *Reflections Of God's Work* Jerri Broglin, 2017-03-29 The book is a collection of different lessons that people can go through such as going through losses There are many examples of the deep seated dysfunctional habits that we all hold close to our hearts and how we overcome adversity There are lots of joy in the different ways God comes through to us as He pries us away from these terrible habits These enlightening words may be familiar to you as you experience your different lessons in life but still allows you to be able to relate to others These lessons that are taught are through different avenues but we all come out with the same positive outcome We all go through many different lessons but are part of one body of Christ as we are learning similar traits to be closer to God This shows how it's a learning process always progressing into new territory as we each are learning at our own rate and have different tests that we are going through We learn to be close to others as we go through our unique lessons We become more positive in God's ways together God has put us through the lessons that bring out the best in each person This book has expressed what brought a magnitude of lessons to us that brings such success in the great change in our attitudes Otherwise without them we would never been taught about the greatest gifts ever that comes from God It shows the powerful lessons that we as individuals can learn from as we trudge along and go through our ups and downs that God so delicately planted into our lives God is the most magnificent being that created each individual to become mature through His ingenious purpose He has for us He allows us to meet others at just the right time and place that can bring us the greatest lessons in relating with others This will teach us the most as we are searching dearly for our soul's purpose I believe this a great eye opener for those searching for answers as we are finding the answers that are so deep in our hearts God has the true path through our lives that allow us the strong and wise choices that we need to make That keeps us from falling again once we learn the lessons deep in our heart It shows the great joy that we go through as we learn these great lessons *Pillar of Fire*, 1929

Talking in the Dark Steve Harper, 2007-07-01 Have you ever stopped praying When life seems unfair and prayer doesn't seem to make any difference you may quit praying Most people who admit that they stopped praying for a while including the author say they felt as if they were suffocating after a period without prayer Sometimes I think God has called me to speak write and teach about prayer so I won't give up on it altogether writes Harper After more than forty years of praying I still

don't understand prayer Prayer does not come easily for me In the pages of this book Harper continues I will ask you to roll up your sleeves and confront your problems with prayer and then keep praying Sometimes you will feel as though you are talking in the dark But the fact is sound travels in both darkness and light If you're frustrated in your prayer life and wonder whether prayer is worth the effort this book is for you Nothing daunts Harper in this wrangle with God No doubt experience or unholy feeling is out of bounds as he considers life and prayer's dark patches No matter how lost or lonely you feel he offers assurance During days when you feel the number one problem with prayer is an unresponsive God you'll have the strength to dig deeper and surrender to the mysterious sustenance God offers As you read Harper's brutally honest stories and follow his advice on how to cultivate a prayer life you'll discover the kind of prayer that makes you want to continue even though everything in you wants to quit

Faith Void: The Greatest Destroyer of Mankind Ballah Kemah, 2010-08-03 In Faith Void Ballah Kemah reveals that without faith no one can be a conqueror and a victor He also reveals that in our pursuits in life faith is what we need to carry us through the ups and downs Some call it drive but faith is the fuel that keeps a drive alive Based on his personal experience when God miraculously delivered him from several life or death situations simply based on his faith in the power of God's word the Author wrote this book He uses scriptural references from the Bible as basis for the revelations in this book Faith is not just about being religious rather it is the source of hope and confidence that one needs in order to fulfill a dream and to become victorious when faced with a situation that is too big to handle It is a good thing to have faith in oneself but it is best to have faith in God Only God knows tomorrow and with him all things are possible A life without purpose is worse than physical death but with faith you will have courage and confidence which will in turn cause you to take action toward your dreams and thereby living in God's plans for your life With faith in God nothing is impossible as long as you're walking in his plans for you How do you know God's plans for you Read Jeremiah 29:11-14 Stay in faith and see the miracle-working hand of God

Disobedient God Albert Tate, 2023-04-25 In this powerful guidebook the lead pastor of Fellowship Church demonstrates how the moments that test our faith are the moments God uses to direct our hearts to the one thing we truly desire most a relationship with Christ When the people of Israel those who had witnessed the most abundant and inexplicable acts of God grew tired of waiting for Moses to come off the mountain they made a calf of gold It was easier for them to make a new god than to continue serving a God that didn't conform to their schedule and expectations Just like the Israelites in the desert we are all fundamentally longing for God but who and what are we actually reaching for and serving Disobedient God addresses the things we do when we feel ignored inconvenienced and frustrated by

God What things are we reaching for in our life Are we reaching for porn when we long for intimacy Reaching for success when we long for security We would never say that we have replaced God but our actions tell a different story Whether we are trying to replace God trying to run away or trying to perform for Him we have no mindset to deal with a disobedient God Disobedient God is a book for people dealing with this disappointment and interested in properly understanding and loving the God they ve misunderstood This is not a step by step instruction manual for how to react when things are difficult rather it is a way of understanding God that leads people to discover the relationship with God that they were always meant for
