

PERMISSION TO
REMAIN AMONG US
*Education for Blacks in
Oberlin, Ohio, 1880-1914*

Cally L. Waite

Permission To Remain Among Us

George Thompson

Permission To Remain Among Us:

Permission to Remain Among Us Cally L. Waite, 2002-12-30 Waite details the history of the community of Oberlin Ohio which demonstrated a commitment to the education of blacks during the antebellum period that was rare at the time By the end of Reconstruction however black students at Oberlin were becoming segregated and events at the college influenced the rest of the community with neighborhoods houses of worship and social interaction becoming segregated Waite suggests that Oberlin s history mirrors the story of race in America The decision to admit black students to Oberlin College and offer them the same curriculum as their white classmates challenged the notion of black intellectual inferiority that prevailed during the antebellum period Following the model of the college the public schools of Oberlin were integrated in direct opposition to state laws that forbade the education of black children with public funds However after Reconstruction 1877 the nation tried to negotiate the future of a newly freed and barely educated people In Oberlin this change was evidenced by the gradual segregation of black students at the college In the community newly segregated neighborhoods houses of worship and social interaction took hold in the former interracial utopia The country looked to Oberlin as a model for integrated education at the end of the 19th century only to find that it too had succumbed to segregation This study examines why and focuses on the intersection of three national issues the growth of the black church increased racism and discrimination and the transformation of higher education

The Way of Prayer Father Gabriel of St. Mary Magdalen, O.C.D., 2017-02-02 This acclaimed commentary on Saint Teresa of Avila s classic work Way of Perfection discusses the various forms of Christian prayer with an emphasis on Teresa s meditation on the Our Father The author a renowned expert on Carmelite spirituality includes many quotations from Saint Teresa and Saint John of the Cross which have been conformed to the most current authorized translations Teresa of Avila reformed the Carmelite order in the sixteenth century Seeing Teresa in deep prayer her first companions asked her to teach them how to pray The apostles made the same request of Jesus Teach us to pray Jesus answered by teaching the Our Father Teresa responded to her sisters by writing Way of Perfection which contains an extended commentary upon the Lord s Prayer As Jesus did in his Sermon on the Mount Teresa in her Way of Perfection first teaches the necessary dispositions for prayer before teaching the different kinds of prayer Named a Doctor of the Church by Pope Paul VI in 1970 Teresa united not only prayer and the apostolate but contemplation and the apostolate for contemplation is a particular kind of prayer that tends toward the most sublime intimacy with our Lord

Discussion on American Slavery, Between George Thompson George Thompson, 1836 *The Holy Bible, Etc. (The Psalms of David in Metre [as Allowed by the General Assembly of the Church of Scotland].)*, 1746 **Oberlin, Hotbed of Abolitionism** J.

Brent Morris, 2014-09-02 By exploring the role of Oberlin the college and the community in fighting against slavery and for social equality J Brent Morris establishes this hotbed of abolitionism as the core of the antislavery movement in the West and as one of the most influential reform groups in antebellum America As the first college to admit men and women of all races

and with a faculty and community comprised of outspoken abolitionists Oberlin supported a cadre of activist missionaries devoted to emancipation even if that was through unconventional methods or via an abandonment of strict ideological consistency Their philosophy was a color blind composite of various schools of antislavery thought aimed at supporting the best hope of success Though historians have embraced Oberlin as a potent symbol of egalitarianism radicalism and religious zeal Morris is the first to portray the complete history behind this iconic antislavery symbol In this book Morris shifts the focus of generations of antislavery scholarship from the East and demonstrates that the West s influence was largely responsible for a continuous infusion of radicalism that helped the movement stay true to its most progressive principles

Atlantic Reporter ,1911 **A Samaritan Chronicle** Cohen,2022-10-17 *Moravian Journals Relating to Central New York, 1745-66* William Martin Beauchamp,1916 **The National Magazine** ,1885 Magazine of Western History William Williams,J.
