Chapter 1 Revisionism and the Historical Blackout by Harry Elmer Barnes This details the methods used by the enemies of truth to suppress those historians who dare to lift the veil on reasons for world events focussing specifically on America s entry into both World Wars

Chapter 2 The United States and the Road to War in Europe by Dr Charles Callan Tansill reveals how the betrayal of President Wilson s Fourteen Points and the terms of the Armistice of November 11 1918 laid the basis for the Second World War

Chapter 3 Roosevelt Is Frustrated in Europe by Dr Frederic R Sanborn This section reveals FDR s anti German policy in Europe and his unsuccessful efforts to directly enter the war through the front door By 1941 Roosevelt decided to force America into war through the back door of the Far East by a manipulation of Japanese American relations

Chapter 4 How American Policy toward Japan Contributed to War in the Pacific by Dr William L Neumann provides an overview of Roosevelt s foreign policy initiatives which were designed to drive Japan into the war which would serve as a spark to enter the war in Europe These policies included an embargo which was nothing less than the economic strangulation of Japan a policy which the American naval authorities advised against because they knew it would lead to war Japan given the alternative of economic starvation or war

Chapter 5 Japanese American Relations 1921 1941 The Pacific Back Road to War by Dr Charles Callan Tansill An account of Roosevelt s rejection of all Japanese peace overtures from 1933 to the end of 1941 and of how he ultimately succeeded in needling the Japanese into the decision to attack Pearl Harbor

Chapter 6 The Actual Road to Pearl Harbor by George Morgenstern A detailed account of the antecedents of the Japanese attack on Pearl Harbor which casts aside the lies and whitewashing around the event The cracking of the Japanese code and diplomatic messages revealed that Roosevelt and his henchmen knew exactly when and where the Japanese would attack and deliberately did not warn the commander at Pearl Harbor so as to maximize the shock effect to create a war footing in America and undo the isolationist efforts

Chapter 7 The Pearl Harbor Investigations by Percy L Greaves Jr is the only thorough and searching account of the various investigations of the responsibility for the Pearl Harbor disaster This includes the previously confidential report by Secretary of the Navy William Franklin Knox who flew to Hawaii immediately after the disaster and reported to the president about a week later Knox stated that the Pearl Harbor commanders could not be held responsible for the tragedy since they had not been supplied with the secret information about the impending Japanese attack which had been intercepted in Washington

Chapter 8 The Bankruptcy of a Policy by William Henry Chamberlin reveals the physical and monetary cost of Roosevelt s lies which brought his country into the Second World War against the wishes of at least 80 percent of the American people

Chapter 9 American Foreign Policy in the Light of National Interest at the Mid Century by Dr George A Lundberg This section investigates the bearing and effects of the Roosevelt Truman global foreign policy on the national interest of the United States and in particular how it reversed the tradition of American isolationism into one of taking on the role of world policeman a policy which has led to an ever increasing series of disasters for the American people
