Outcast London Gareth Stedman Jones,2014-08-19 In the second half of the nineteenth century Victorian middle and upper classes felt increasingly threatened by the masses of outcast London Gareth Stedman Jones working from a mass of statistical and documentary evidence argues that after 1850 London passed through a crisis of social and economic development Outcast London is a fascinating and important study of the problem at the center of the crisis the casual poor and their fraught relations with the labor market with housing and with middle class London *Holiness* William J. O'Malley,2008 A masterful teacher looks at down to earth holiness and inspires us to live for God on the spot where we re standing To be holy writes Fr O Malley is to be fully human fully alive and he draws on Jesus life and the examples of saints who are flawed like us to surprise us and inspire us to be what we already are children of God in the family of God

Church Talk Makes Men Walk Woody L. Davis,2017-07-13 The mystery of the missing men can be answered in one sentence The church has forgotten how to speak to men While the church s language has excluded women in its use of nouns and pronouns it has excluded men in everything else Its content character and construction say You don t belong here

Church Talk Makes Men Walk Corrects the myth that men are innately non religious or non spiritual Demonstrates how the culture increasingly reflected in church talk has filtered action oriented people out of the church in favor of relationally orientated ones Demonstrates that the same factors that have driven most men from the church have also driven like minded women away Provides research based and theologically informed solutions to the problem of the missing action oriented men and women Chapters presenting well documented social science research alternate with chapters presenting practical steps that answer the question So what should the church do Written in a conversational humorous and sometimes confessional style Church Talk bridges the gap between the academy and the local church It shows how language that is inclusive of both women and men relational and action oriented can create a church that is once again gender balanced and missional
