Person-centred Counselling in Action ,1988 Person-Centred Therapy Today Dave Mearns, Brian Thorne, 2000-08-25 This is a book that is rooted in the origins of person centred therapy but stands at the cutting edge of new ideas developing in this tradition It will reinvigorate those of us already immersed in this tradition It should convince newcomers of the vitality and potential of this approach to therapy Tim Bond University of Bristol This book is clearly a labour of love by two authors with unique abilities and unparalleled experience readers will be educated inspired and encouraged in their own dialogue with the person centred approach Charles J O Leary Denver Colorado Mearns and Thorne have done Rogers proud in suggesting how person centred theory and practice can without losing its essence evolve in new directions Richard Nelson Jones Director of the Humanistic Cognitive Institute Chiang Mai Person Centred Therapy Today represents a significant contribution to the development of the person centred approach It will be read by teachers and students of counselling and psychology who wish to keep their knowledge of the approach fully up to date and by all who consider themselves to be person centred in their approach to helping clients *Person-Centred Counselling in Action* Dave Mearns, Brian Thorne, 1988-10 This practical and comprehensive guide is written for counsellor trainers and their trainees as well as for counsellors already in practice wanting to familiarize themselves with the person centred approach to counselling Dave Mearns and Brian Thorne explain the theoretical principles of the person centred approach by relating these principles to actual practice Drawing on one particular case study the two counsellors present an extensive exploration of the core

conditions of empathy acceptance and congruence and provide a step by step account of both the counsellors and the clients experience of being involved in a trusting caring relationship characterised by power sharing and mutuality

Person-centered Counselling in Action David Mearns,1988 **Person-Centred Therapy** Brian Thorne,Elke Lambers,1998-11-20 In this scholarly book Thorne and Lambers have gathered together significant contributions to the advancement of person centred theory and practice from leading exponents of the approach in Austria Belgium Germany The Netherlands Norway and the United Kingdom I found the book both stimulating and challenging The insight it offers into working with difficult clients is invaluable and the sections on theory stretched me in my understanding of the approach I strongly recommend it to anyone from within or without the person centred tradition who wants to achieve a real understanding of the approach post Rogers and get to grips with the vibrancy and vitality of person centred thought in Europe Counselling and Psychotherapy The Journal of the British Association for Counselling and Psychotherapy This book brings together up to date contributions to the development of person centred theory and practice from leading European practitioners The book makes available for the first time in English some of the most significant theoretical ideas and practical applications of a distinguished group of contributors at the cutting edge of the approach It also gives a valuable insight into a vibrant professional network whose members are making a significant impact on the European world of counselling and psychotherapy Covering a wide range of person centred issues the book provides unique and challenging material that will act as a springboard for debate at many levels between experienced practitioners supervisors trainers and trainees *Developing Person-Centred Counselling* Dave Mearns,2002-11-27 This is a useful book for those who use person centred counselling in their practice or who are training to become person centred counsellors Counselling and Psychotherapy the Journal of the British Association for Counselling and Psychotherapy Developing Person Centred Counselling Second Edition is designed to help counsellors improve their skills within the person centred approach Written by Dave Mearns leading person centred expert and bestselling author the Second Edition has been fully revised and updated taking account of developments in person centred practice With new chapters on growth and transference the book covers the subjects which are central to person centred training the core conditions therapeutic alliance development of the counsellor therapeutic process the person centred approach in relation to psychopathology Supported by case material and examples from practice each part of the book presents the counsellor with practical and often challenging ideas which encourage him/her to think carefully about his/her practice and how to improve it Developing Person Centred Counselling Second Edition is a highly practical and inspiring resource for trainees and practitioners alike **Experiences of Counselling in Action** Dave Mearns,Windy Dryden,1989-12-06 How hard it is to find a book to recommend to trainees which will give them an insight into what counselling and psychotherapy too for that matter is really like This book does exactly that This is a book which would be equally useful to the humanistic practitioner and the more orthodox one The

breadth of sympathy is admirable in dealing with what is common to all orientations This is one of those rare books which does justice both to the human experiences involved in counselling and psychotherapy and to the theory which might explain those experiences Changes What is the experience of counselling from the perspectives of both client and counsellor What can be learned for the practice of counselling from an understanding of how it feels to be a client or a counsellor Addressing these questions central to this book are the personal accounts of individual clients and counsellors who each relate their own very different experiences of counselling They explore such issues as identity expectations trust power and boundaries in the client counsellor relationship And each examines the intense personal meanings of success or failure in the client or counsellor role An analysis of the implications for the counselling relationship concludes the volume *Developing Person-Centred Counselling* Dave Mearns, 2002-11-27 This is a useful book for those who use person centred counselling in their practice or who are training to become person centred counsellors Counselling and Psychotherapy the Journal of the British Association for Counselling and Psychotherapy *Developing Person Centred Counselling* Second Edition is designed to help counsellors improve their skills within the person centred approach Written by Dave Mearns leading person centred expert and bestselling author the Second Edition has been fully revised and updated taking account of developments in person centred practice With new chapters on growth and transference the book covers the subjects which are central to person centred training the core conditions therapeutic alliance development of the counsellor therapeutic process the person centred approach in relation to psychopathology Supported by case material and examples from practice each part of the book presents the counsellor with practical and often challenging ideas which encourage him her to think carefully about his her practice and how to improve it *Developing Person Centred Counselling* Second Edition is a highly practical and inspiring resource for trainees and practitioners alike *Person-Centred Counselling Training* Dave Mearns, 1997-11-14 This thoughtful and thought provoking book is essential reading not only for those involved in the training of counsellors within the person centred approach but also for individuals who may have simplistic dismissive or otherwise ill informed notions of the depth of self awareness required of the person centred practitioner and the far reaching challenges offered by the approach For counsellors who define themselves as person centred but who have had no substantial training it should be compulsory reading British Journal of Guidance Counselling Person centred counselling probably requires more training and a greater intensity of training than most other mainstream counselling approaches but until now no one book has concentrated solely on the principles practices and requirements of training person centred counsellors Dave Mearns has drawn on the lived experiences of both trainers and trainees to demonstrate the potential range and importance of training in this field The material covered includes selecting and supporting trainers selecting course members skills development supervision and other professional issues essential features of all counsellor training but of particular relevance to the person centred approach Written expressly for both trainees and trainers this book also extends and develops current thinking

within the approach and will be a valuable resource for all person centred practitioners *Person-Centred Therapy Today* Dave Mearns, Brian Thorne, Elke Lambers, Margaret Warner, 2000-11-13 At the risk of being directive I would say you should buy this book It contains some of the most stimulating and refreshing ideas to have emerged in the person centred literature since *On Becoming a Person* Person Centred Practice Person Centred Therapy Today makes a timely and significant contribution to the development of one of the most popular and widely used therapeutic approaches This is a book that is rooted in the origins of person centred therapy but stands at the cutting edge of new ideas developing in this tradition It will reinvigorate those of us already immersed in this tradition It should convince newcomers of the vitality and potential of this approach to therapy

Person-Centred Therapy Brian Thorne, Elke Lambers, 1998-11-28 In this scholarly book Thorne and Lambers have gathered together significant contributions to the advancement of person centred theory and practice from leading exponents of the approach in Austria Belgium Germany The Netherlands Norway and the United Kingdom I found the book both stimulating and challenging The insight it offers into working with difficult clients is invaluable and the sections on theory stretched me in my understanding of the approach I strongly recommend it to anyone from within or without the person centred tradition who wants to achieve a real understanding of the approach post Rogers and get to grips with the vibrancy and vitality of person centred thought in Europe *Counselling The Journal of*

Person-Centred Counselling David L Rennie, 1998-03-13 This book offers a truly engaging read The writing style is good and it gives the reader a wide range of perspectives from the meta theoretical to the concrete practical experience of clients and counsellors David Rennie's book serves to continue the development as well as the exposition of the person centred approach to counselling *British Journal of Guidance and Counselling* This is a very good book clearly within the humanistic experiential tradition It seems to me to be very important that this kind of research continues it is the raw data of the counselling profession *Person Centred Practice* This book contains powerful new ideas about person centred theory and practice Supported by intensive qualitative research into the client's experience of counselling the book highlights the significance and pervasiveness of reflexivity defined as self awareness and agency within that self awareness and explores surprising ways in which clients contribute reflexively to the counselling process Vivid examples highlight activities show the therapy in action and illustrate how counsellors can use their own experiences creatively to facilitate their attunement to themselves their clients and their relationships with them The theoretical framework covers matters such as the use of images and metaphor counsellor transparency and the assistance of clients agency Emphasis is placed on the client counsellor relationship through such crucial areas as the working alliance power dynamics and metacommunication

Counselling the Person Beyond the Alcohol Problem Richard Bryant-Jeffries, 2001 Through his work with problem drinkers Richard Bryant-Jeffries has developed a person centred approach to counselling that encourages a change of lifestyle This work shows how client focused counselling can support problem drinkers

Oxford Handbook of Psychotherapy Ethics Manuel Trachsel, Nikola Biller-Andorno, Jens Gaab, John

Sadler, Serife Tekin, 2021-08-27 Psychotherapy is an indispensable approach in the treatment of mental disorders and for some mental disorders it is the most effective treatment. Yet psychotherapy is abound with ethical issues. In psychotherapy ethics numerous fundamental ethical issues converge including self determination, autonomy, decision making capacity and freedom of choice, coercion and constraint, medical paternalism, the fine line between healthiness and illness, insight into illness and need of therapy, dignity under and overtreatment and much more. The Oxford Handbook of Psychotherapy Ethics explores a whole range of ethical issues in the heterogeneous field of psychotherapy thereby closing a widespread perceived gap between ethical sensitivity, technical language and knowledge among psychotherapists. The book is intended not only for a clinical audience but also for a philosophical ethical audience linking the two disciplines by fostering a productive dialogue between them thereby enriching both the psychotherapeutic encounter and the ethical analysis and sensitivity in and outside the clinic. An essential book for psychotherapists in clinical practice it will also be valuable for those professionals providing mental health services beyond psychology and medicine including counsellors, social workers, nurses and ministers.

An Introduction To Counselling McLeod, John, 2013-08-01 This bestseller provides a comprehensive introduction to the theory and practice of counselling and psychotherapy.

The Practice of Person-Centred Couple and Family Therapy Charles O'Leary, 2011-11-29 In *The Practice of Person Centred Couple and Family Therapy* Charles O'Leary offers a rich description of relationship therapy that draws on the resources of both person centred psychotherapy and systemic and family therapy to present a skilful, respectful and empathic approach to working with couples and families. Grounded in detailed descriptions of client goals and predicaments, the book takes an inside look at the therapist's options and decision making with both clarity and compassion. Written in a refreshing, lively and personal style, the book provides an abundance of ideas and techniques relevant to each step of the therapeutic process. Addresses the complexity of family and couple therapy including chapters on working with same sex couples and working with children and adolescents. Offers humanistic depth and breadth to a challenging area of practice with a strong value base and a philosophy that always privileges the client's viewpoint. Clear, concise and highly readable, this is a vital, thought provoking text for students, trainees and practitioners of counselling and psychotherapy working with couples and families.

The Person-Centred Counselling and Psychotherapy Handbook: Origins, Developments and Current Applications Colin Lago, Divine Charura, 2016-04-16 From the origins of Carl Rogers' person centred approach to the cutting edge developments of therapy today, *The Person Centred Counselling and Psychotherapy Handbook* charts the journey of an ambitious vision to its successful reality. In this book Lago and Charura bring together history, theory, research and practice to deliver a complete and unique perspective on the person centred approach. Key topics include: The groundbreaking journey of PCA's early decades spearheaded by Carl Rogers; Developments and extensions of the original theory and practice; The influence of PCA in developing new therapies and practice; The frontier of contemporary PCA and therapists' work with client groups of difference and diversity. With its broad view that explores the

origins variations and applications of PCA The Person Centred Counselling and Psychotherapy Handbook gives a comprehensive overview of the knowledge required and the issues faced by practitioners making it an important resource for the seasoned and training practitioner alike This particularly welcome contribution is distinctive in fostering a contemporary contextualised and transcultural person centred practice edited as it is by two leading UK figures in the field of diversity in counselling and psychotherapy Review in Therapy Today October 2016 *Carl Rogers* Brian Thorne,Pete Sanders,2012-11-13 As founder of the person centred approach Carl Rogers 1902 1987 is arguably the most influential psychologist and psychotherapist of the 20th century This book provides unique insights into his life and a clear explanation of his major theoretical ideas This Third Edition is co authored by Brian Thorne and Pete Sanders leading person centred practitioners and bestselling authors Pete Sanders contributes a new chapter on The Ongoing Influence of Carl Rogers covering topics such as research the emerging tribes in person centred tradition and its interaction with the medical profession Brian Thorne draws on his experience of having known and worked with Rogers to beautifully describe the way in which Rogers worked with clients and from that to draw out the practical implications of what is in effect a functional philosophy of human growth and relationships In the twenty years since the first edition of Carl Rogers appeared the book has continued to provide an accessible introduction for all practitioners and students of the person centred approach

Counselling for Obesity Richard Bryant-Jefferies,2005 Aimed at counsellors trainees and other healthcare and social care professionals this work uses fictitious dialogue to illustrate the person centred approach enabling the reader to experience directly the diverse and challenging issues surrounding patients confronted with the reality of obesity

Person Centered Counselling In Action Introduction

In today's digital age, the availability of Person Centered Counselling In Action books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Person Centered Counselling In Action books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Person Centered Counselling In Action books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Person Centered Counselling In Action versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Person Centered Counselling In Action books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Person Centered Counselling In Action books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Person Centered Counselling In Action books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Person Centered Counselling In Action books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Person Centered Counselling In Action books and manuals for download and embark on your journey of knowledge?

FAQs About Person Centered Counselling In Action Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
