a concise yet comprehensive guide to his life and writings Immigrants in Our Own Land & Selected Early Poems Jimmy Santiago Baca, 2013-11-20 Immigrants in Our Own Land they all communicate the sting from the backhand of the American promise As Denise Levertov has noted Baca is far from being a naive realist but of poverty and prejudice of material that is truly raw he writes in unconcealed passion **Representing Modernist Texts** George Bornstein, 1991 Literary scholars explore the significant yet largely ignored field of textual and editorial scholarship in the work of modern authors **Myths & Texts** Gary Snyder, 2013-08-10 Gary Snyder's second collection Myths Texts was originally published in 1960 by Totem Press It is now reissued by New Directions in this completely revised format with an introduction by the author The three sequences in the book Logging Hunting Burning show the remarkable cohesiveness in Snyder's writings over the years for we find the poet absorbed then as now with Buddhist and Amerindian lore and other interconnections East and West but above all with the premedical devotion to the land and work **The Blue Flowers** Raymond Queneau, 2018-08-28 A romp through the ages by a writer who inspires newsletters fan clubs and passionate exegeses Michael Dirda The Washington Post The Blue Flowers follows two unlikely characters Cidrolin who alternates between drinking and napping on a barge parked along the Seine in the 1960s and the Duke d Auge as he rages through history about 700 years of it refusing to crusade clobbering his king with a cannon and dabbling in alchemy But is it just a coincidence that the Duke appears only when Cidrolin is dozing And vice versa As Raymond Queneau explains There is an old Chinese saying I dream that I am a butterfly and pray there is a butterfly dreaming he is me The same can be said of the characters in this novel those who live in the past dream of those who live in the modern era and those who live in the modern era dream of those who live in the past Channeling Villon and C line Queneau attempts to bring the language of the French streets into common literary usage and his mad wordplays puns bawdy jokes and anachronistic wackiness have been kept amazingly and glitteringly intact by the incomparable translator Barbara Wright *Stairs to the Roof* Tennessee Williams, 2016-03-02 A play produced only twice in the 1940s and now published for the first time reveals that Tennessee Williams anticipated the themes of Star Trek by decades Sixty years ago a young Tennessee Williams wrote a play looking toward the year 2001 Stairs to the Roof is a rare and different Williams work a love story a comedy an experiment in meta theater with a touch of early science fiction Tennessee Williams called Stairs to the Roof a prayer for the wild of heart who are kept in cages and dedicated it to all the little wage earners of the world It reflects the would be poet's season in hell during the Depression when he had to quit college to type orders eight hours a day at the International Shoe Factory in St Louis Stairs is Williams' revenge expressed through his alter ego Benjamin Murphy the clerk who stages a one man rebellion against the clock the monotony of his eight to five job and all the dehumanizing forces of an increasingly mechanized and commercial society Ben's swift moving series of fantastic adventures culminate in an escape from the ordinary that is an endorsement of the American dream In 1941 with the world at war and civilization in danger of collapse Williams dared to imagine a utopian future as Ben leads us up his

stairs towards the Millennium Stairs to the Roof was produced only twice once at the Playbox in Pasadena California in 1945 and subsequently at the Pasadena Playhouse in 1947 Now in an edition meticulously prepared by noted Williams scholar Allean Hale Williams fans can share this play of youthful optimism

A Lovely Sunday for Creve Coeur Tennessee Williams, 2015-10-04 In this masterful play Tennessee Williams explores the meaning of loneliness and the need for human connection through the lens of four women and the designs and desires they harbor for themselves and for each other It is a warm June morning in the West End of St Louis in the mid thirties a lovely Sunday for a picnic at Creve Coeur Lake But Dorothea one of Tennessee Williams s most engaging marginally youthful forever hopeful Southern belles is home waiting for a phone call from the principal of the high school where she teaches civics the man she expects to fulfill her deferred dreams of romance and matrimony Williams s unerring dialogue reveals each of the four characters of A Lovely Sunday for Creve Coeur with precision and clarity Dorothea who does even her setting up exercises with poignant flutters Bodey her German roommate who wants to pair Dotty with her beer drinking twin Buddy thereby assuring nieces nephews and a family for both herself and Dotty Helena a fellow teacher with the eyes of a predatory bird who would like to rescue Dotty from her vulgar common surroundings and substitute an elegant but sterile spinster life and Miss Gluck a newly orphaned and distraught neighbor whom Bodey comforts with coffee and crullers while Helena mocks them both Focusing on one morning and one encounter of four women Williams once again skillfully explores with comic irony and great tenderness the meaning of loneliness the need for human connection as well as the inevitable compromises one must make to get through the long run of life

Selected Poems Octavio Paz, G. Aroul, 1984 Octavio Paz asserts Eliot Weinberger in his introduction to these Selected Poems is among the last of the modernists who drew their own maps of the world For Latin America s foremost living poet his native Mexico has been the center of a global mandala a cultural configuration that in his life and work he has traced to its furthest reaches to Spain as a young Marxist during the Civil War to San Francisco and New York in the early 1940s to Paris as a surrealist in the postwar years to India and Japan in 1952 and to the East again as his country s ambassador to India from 1962 to 1968 and to various universities in the United States throughout the 1970s A great synthesizer the rich diversity of Paz s thought is shown here in all its astonishing complexity Among the sixty seven selections in this volume a gathering in English of his most essential poems drawn from nearly fifty years work are Muriel Rukeyser s now classic version of Sun Stone and new translations by editor Weinberger of Blanco and Maithuna And since for Paz forever in motion there can be no such thing as a definitive text all the poems have been revised to conform to the poet s most recent changes in the original Spanish Besides those by Rukeyser and Weinberger the translations in the Selected Poems are by G Aroul Elizabeth Bishop Paul Blackburn Lysander Kemp Denise
