

Prayer for Government Leaders

God of power and might,
wisdom and justice,
through you authority is rightly
administered,
laws are enacted, and
judgment is decreed.
Assist with your spirit of
counsel and fortitude
the President and other
government leaders.
May they always seek
the ways of righteousness,
justice and mercy.
Grant that they may be enabled
by your powerful protection
to lead our country
with honesty and integrity.
We ask this through
Christ our Lord.
AMEN

"A" Companion to the Authorised Daily Prayer Book of the United Hebrew Congregations of the British Empire Israel Abrahams, 1922 **The Government's Speech and the Constitution** Helen Norton, 2019-08-22 When we discuss constitutional law we usually focus on the constitutional rules that apply to what the government does Far less clear are the constitutional rules that apply to what the government says When does the speech of this unusually powerful speaker violate our constitutional rights and liberties More specifically when does the government s expression threaten liberty or equality And under what circumstances does the Constitution prohibit our government from lying to us In The Government s Speech and the Constitution Professor Helen Norton investigates the variety and abundance of the government s speech from early proclamations and simple pamphlets to the electronic media of radio and television and ultimately to today s

digital age This enables us to understand how the government's speech has changed the world for better and for worse and why the government's speech deserves our attention and at times our concern

Ukrainians and Jews in Revolutionary Times Henry Abramson, 2018-02-23 After the fall of the Russian Empire Jewish and Ukrainian activists worked to overcome previous mutual antagonism by creating a Ministry of Jewish Affairs within the new Ukrainian state and taking other measures to satisfy the national aspirations of Jews and other non Ukrainians This bold experiment ended in terrible failure as anarchic violence swept the countryside amidst civil war and foreign intervention Pogromist attacks resulted in the worst massacres of Jews in Europe in almost three hundred years Some 40 percent of these pogroms were perpetrated by troops ostensibly loyal to the very government that was simultaneously extending unprecedented civil rights to the Jewish population Henry Abramson explores this paradox and sheds new light on the relationship between the various Ukrainian governments and the communal violence focusing especially on the role of Symon Petliura the Ukrainian leader later assassinated by a Jew claiming revenge for the pogroms A Prayer for the Government treats a crucial period of Ukrainian and Jewish history and is also a case study of ethnic violence in emerging political entities This revised edition contains a new Foreword and Afterword by the author
