Preaching Judges:

Preaching Judges (pct) , **Preaching Judges** Joseph R Jeter,2003-11-01 Judges is crisis literature reflecting a time of violence and confusion very much like our own Preachers confronted by the Bible s dark side will discover guidance and inspiration Judges Abraham Kuruvilla,2017-06-05 Judges A Theological Commentary for Preachers engages hermeneutics for preaching employing theological exegesis that enables the preacher to utilize all the units of the letter to craft effective sermons This commentary unpacks the crucial link between Scripture and application the theology of each preaching text i e what the author is doing with what he is saying Judges is divided into fourteen preaching units and the theological focus of each is delineated The overall theological trajectory or theme of the book deals with the failure of leadership in the community of God s people Since God s people are all called to be leaders in some arena to some degree in some fashion the lessons of Judges are applicable to all Christians The specific theological thrust of each unit is captured in this commentary making possible a sequential homiletical movement through each pericope of Judges While the primary goal of the commentary is to take the preacher from text to theology it also provides two sermon outlines for each of the twelve preaching units of Judges The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching through Judges with an emphasis on application **Judges** J. Clinton McCann,2011-01-01 Interpretation A Bible Commentary for Teaching and Preaching is a distinctive resource for those who interpret the Bible in the church Planned and written specifically for teaching and preaching needs this critically acclaimed biblical commentary is a major contribution to scholarship and ministry **In Those Days as Today** James Ellis,2025-10-09 In those days Israel had no king everyone did as they saw fit Human beings have a troubling history of rejecting freedom as if they re strangely drawn to bondage both their own and that of others Often overlooked the book of Judges offers a raw unfiltered glimpse into the moral chaos and mystery that lives in everyone It holds up a mirror and dares readers to look Through both godly and ungodly examples of leadership worthy of emulation and avoidance Judges reveals the human impulse to grasp for power and supposed autonomy and wield them recklessly like toddlers with Tonka trucks This book is a collection of sermons from James Ellis III preached over the course of twelve months to a single congregation Maplewood Reformed Church as a Baptist pastoring Dutch Calvinist For seasoned preachers or those just beginning to find their voice this collection is an invitation to wrestle with hard truths deepen biblical engagement and proclaim the full counsel of God Accessible honest and unflinching these sermons will help build a bridge between the ancient text and this modern world because the story of Judges is in many ways still a story for today Missional Preaching Stephen Stallard,2025-09-01 Missional Preaching provides overwhelmed pastors with a step by step guide to preaching in today s post Christian culture blending practical experience with missional expertise **The Big Idea Companion for Preaching and Teaching** Matthew D. Kim,Scott M. Gibson,2021-04-20 Preaching 2022 Book of the Year Haddon Robinson s widely used and influential text Biblical Preaching has influenced

generations of students and preachers In The Big Idea Companion for Preaching and Teaching trusted leading evangelical homiletics teachers of preaching and experienced pastors demonstrate that Robinson's big idea approach to expository preaching still works in today's diverse cultures and fast paced world This accessible resource offers an insider's view on figuring out the big idea of each book of the Bible helping preachers and teachers check their interpretation of particular biblical books and passages The contributors offer tips on how to divide each book of the Bible into preaching and teaching passages guidance on difficult passages and verses cultural perspectives for faithful application and suggested resources for interpreting preaching and teaching Pastors teachers Bible study leaders small groups and college and seminary students and professors will find a wealth of valuable information in this resource Judges Through the Centuries David M. Gunn, 2005-01-28 This bible commentary traces the reception of Judges through the ages not only by scholars and theologians but also by preachers teachers politicians poets essayists and artists A bible commentary focusing on The Book of Judges best known for the tale of Samson and Delilah but full of many other rich and colourful stories Treats the text story by story making it accessible to non specialists Considers the stories of women in Judges including Deborah Jael who slew Sisera and Jephthah's daughter sacrificed by her father Traces the reception of Judges through the ages not only by scholars and theologians but also by preachers teachers politicians poets essayists and artists Illustrates how ideology and the social location of readers have shaped the way the book has been read Discloses a long history of debate over the roles of women and the use of force as well as Christian prejudice against Jews and Orientals Offers a window onto the use of the Bible in the Western world Judges Abraham Kuruvilla MD, 2017-06-05 Judges A Theological Commentary for Preachers engages hermeneutics for preaching employing theological exegesis that enables the preacher to utilize all the units of the letter to craft effective sermons This commentary unpacks the crucial link between Scripture and application the theology of each preaching text i.e. what the author is doing with what he is saying Judges is divided into fourteen preaching units and the theological focus of each is delineated The overall theological trajectory or theme of the book deals with the failure of leadership in the community of God's people Since God's people are all called to be leaders in some arena to some degree in some fashion the lessons of Judges are applicable to all Christians The specific theological thrust of each unit is captured in this commentary making possible a sequential homiletical movement through each pericope of Judges While the primary goal of the commentary is to take the preacher from text to theology it also provides two sermon outlines for each of the twelve preaching units of Judges The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching through Judges with an emphasis on application *The Preacher's Complete Homiletical Commentary on the Old Testament: Judges*, 1892
