Renewing Biblical Interpretation:

Renewing Biblical Interpretation Craig G. Bartholomew, Colin J. D. Greene, Karl Möller, 2000 This book seizes the opportunity to reassess the discipline of biblical studies from the foundation up and forges creative new ways for reopening the book for our culture *Renewing biblical interpretation : opening the book for a new millennium* Karl Moller (ed), 2000

A Royal Priesthood?: The Use of the Bible Ethically and Politically Zondervan, 2022-03-01 Since September 11 2001 we are intensely aware of the need for political wisdom Can Scripture help us in this respect Yes but not simplistically In an exhilarating dialogue with Oliver O Donovan a team of international scholars look in detail in this book at biblical interpretation as we make the journey from what God said to Abraham as it were to how to respond to the political challenges of today Such exploration is essential if the church is to become a royal priesthood today Craig Bartholomew Contributors include Oliver O Donovan respondent to 14 chapters Gilbert Meilaender Christopher Rowland Bernd Wannenwetsch N T Wright *A Royal Priesthood* is the third volume from the Scripture and Hermeneutics Seminar This annual gathering of Christian scholars from various disciplines was established in 1998 and aims to reassess the discipline of biblical studies from the foundations up and forge creative new ways for reopening the Bible in our cultures Any attempt to open the Book in new and fresh ways for our cultures at the start of the third millennium must explore how to read the Bible ethically and politically This volume looks at the obstacles to such a process and in dialogue with Oliver O Donovan s creative work in this regard looks in detail at how to read different parts of the Bible for ethics and politics A unique element of the book is Oliver O Donovan s 14 responses to individual chapters Volume 1 *Renewing Biblical Interpretation* and Volume 2 *After Pentecost* are also published by Paternoster Press and Zondervan *After Pentecost: Language and Biblical Interpretation* Zondervan, 2022-03-01 There is always some view of language built into biblical interpretation If we are to read Scripture to hear God s address it is vital that we attend to current debates about language and become critically conscious in this respect Craig Bartholomew *After Pentecost* is the second volume from the Scripture and Hermeneutics Seminar This annual gathering of Christian scholars from various disciplines was established in 1998 and aims to reassess the discipline of biblical studies from the foundations up and forge creative new ways for reopening the Bible in our cultures The Seminar was aware from the outset that any renewal of biblical interpretation would have to attend to the issue of language In this rich and creative volume the importance of linguistic issues for biblical interpretation is analyzed the challenge of postmodernism is explored and some of the most creative recent developments in philosophy and theology of language are assessed and updated for biblical interpretation CONTRIBUTORS INCLUDE Mary Hesse Ray Van Leeuwen Anthony Thiselton Kevin Vanhoozer Nicholas Wolterstorff *'Behind' the Text: History and Biblical Interpretation* Zondervan, 2011-04-19 Christianity believes in a God who acts in history The Bible tells us the story of God s actions in Israel culminating in the ministry of Jesus of Nazareth and the spreading of the gospel from Jerusalem to Rome The issue of history is thus unavoidable when it comes

to reading the Bible Volume 4 of the Scripture and Hermeneutics Series looks at how history has dominated biblical studies under the guise of historical criticism This book explores ways in which different views of history influence interpretation It considers the implications of a theology of history for biblical exegesis and in several case studies it relates these insights to particular texts Few topics are more central to the task of biblical interpretation than history and few books open up the subject in so illuminating and thought provoking a manner as this splendid collection of essays and responses Hugh Williamson Regius Professor of Hebrew University of Oxford England breaks new ground in its interdisciplinary examination of the methodology presuppositions practices and purposes of biblical hermeneutics with a special emphasis on the relation of faith and history Eleonore Stump Robert J Henle Professor of Philosophy Saint Louis University United States This volume holds great promise for the full fledged academic recovery of the Bible as Scripture It embodies an unusual combination of world class scholarship historic Christian orthodoxy bold challenges to conventional wisdom and the launching of fresh new ideas Al Wolters Professor of Religion and Theology Redeemer University College Ontario Canada The essays presented here respect the need and fruitfulness of a critical historiography while beginning the much needed process of correcting the philosophical tenets underlying much modern and postmodern biblical research The result is a book that mediates a faith understanding both theoretical and practical of how to read the Bible authentically as a Christian today Francis Martin Chair Catholic Jewish Theological Studies John Paul II Cultural Center Washington D C Not only is history central to the biblical story but from a Christian perspective history revolves around Jesus Christ All roads of human activity before Christ lead up to him and all roads after Christ connect with him A concern with history and God s action in it is a central characteristic of the Bible The Bible furnishes us with an account of God s interactions with people and with the nation of Israel that stretches down the timeline from creation to the early church It tells us of real men women and children real circumstances and events real cultures places languages and worldviews And it shows us God at work in human affairs revealing his character and heart through his activities Behind the Text examines the correlation between history and the Bible For the scholar student and informed reader of the Bible this volume highlights the importance of history for biblical interpretation and looks at how history has and should influence interpretation

Rendering the Word in Theological Hermeneutics Mark Alan

Bowald, 2016-04-08 This book proposes an original typology for grasping the differences between diverse types of biblical interpretation fashioned in a triangle around a major theological and philosophical lacuna the relation between divine and human action Despite their purported concern for reading God s word most modern and postmodern approaches to biblical interpretation do not seriously consider the role of divine agency as having a real influence in and on the process of reading Scripture Mark Bowald seeks to correct and clarify this deficiency by demonstrating the inevitable role that divine agency plays in contemporary proposals in relation to human agency enacted in the composition of the biblical text and the reader This book presents an important contribution to the emerging field of theological hermeneutics Bowald discusses in depth

the hermeneutics of George Lindbeck Hans Frei Kevin Vanhoozer Francis Watson Stephen Fowl David Kelsey Werner Jeanron Karl Barth James K A Smith and Nicholas Wolterstorff Out of Egypt: Biblical Theology and Biblical Interpretation Zondervan, 2011-03-01 Biblical theology attempts to explore the theological coherence of the canonical witnesses no serious Christian theology can overlook this issue The essays in the present volume illustrate the complexity and richness of the conversation that results from attentive consideration of the question In a time when some voices are calling for a moratorium on biblical theology or pronouncing its concerns obsolete this collection of meaty essays demonstrates the continuing vitality and necessity of the enterprise Richard B Hays George Washington Ivey Professor of New Testament The Divinity School Duke University USA This volume on biblical theology jumps into the fray and poses the right kind of questions It does not offer a single way forward Several of the essays are quite fresh and provocative breaking new ground Bray Reno others set out the issues with clarity and grace Bartholomew others offer programmatic analysis Webster Bauckham others offer a fresh angle of view Chapman Martin The success of this series is in facing the challenge of disarray in biblical studies head on and then modeling a variety of approaches to stimulate our reflection Christopher Seitz Professor of Old Testament and Theological Studies St Andrews University UK The Scripture and Hermeneutics Seminar, 25th Anniversary Zondervan, 2022-10-11 A celebration of 25 years of the Scripture and Hermeneutics Seminar that features contributions from a diverse lineup of today s most respected scholars For twenty five years the Scripture and Hermeneutics Seminar has produced a steady stream of influential global diverse ecumenical and world class research and publications that have impacted a generation of scholars now in mid career teaching or ministering at various universities seminaries divinity schools or churches around the globe The volumes of the seminar have resourced countless classrooms and have been cited thousands of times in scholarly research and in the pulpits and Bible studies worldwide In celebration of the 25th year of the seminar 1997 2022 this compendium reflects on its work and impact It offers new essays that chart the value of the seminar for biblical interpretation and the needs of biblical interpretation in the future and includes stories from the formative SAHS community This volume distills the work of the seminar for a new generation of students opening to them a gateway to the community and to the resources developed over the past two decades Tightly organized carefully arranged and cross referenced this volume Highlights the work of a significant movement in biblical interpretation in the academy Charts a path of biblical interpretation from the past to the future Helps readers understand the philosophical and theological commitments that undergird biblical interpretation Helps readers construct a theological hermeneutics that yields a deeper richer reading of Scripture Introduces readers to stories of the seminar from scholars and ministers impacted by it This celebratory volume not only gives a unique perspective on the architecture of biblical interpretation in the first quarter of the twenty first century but it is offered in hope of preparing fertile soil for the next generation of women and men to cultivate biblical interpretation for years to come The volume features essays by Craig Bartholomew David Beldman Amber

L Bowen Susan Bubbers Jean Louis Chr tien Havilah Dharamraj Bo Lim Murray Rae J Aaron Simmons Anthony Thiselton and John Wyatt **Hermeneutics, Intertextuality and the Contemporary Meaning of Scripture** Ross Cole, Paul Petersen, 2013-12-31 Did Matthew twist the Scriptures Where did Satan come from My Reading Questions and issues like these are presented in this selection of papers and presentations from a Bible conference at Avondale College on the broad topic of intertextuality More than 100 scholars and administrators convened and shared their research as well as their personal perspectives on how to read and apply holy Scripture in the 21st century This anthology contains a representative sample of their studies and reflections **The Interpreting Spirit** Hannah R. K. Mather, 2020 The Interpreting Spirit is both a consideration of the Spirit s role in the interpretation of Scripture and a celebration of renewal scholarship It examines those who have focused on the Spirit s role in their hermeneutical considerations recognizing common uniting themes amidst the diversity of scholarly approach and opinion Working on the principle that the Spirit communicates in ways that seek to unify and celebrate the other Mather works diachronically from 1970 identifying and drawing together these common uniting hallmarks into a collective understanding Pivotal to Mather s argument is her emphasis that we do not just interpret Scripture but that the Spirit through Scripture and working in our lives in ways that lead us towards Scripture interprets us The Interpreting Spirit is the first comprehensive analysis of the conversation surrounding pneumatic interpretation that has been taking place particularly among renewal scholars since 1970 It seeks to answer the notoriously difficult question What does the Spirit do in the process of biblical interpretation Awarded 2021 Award of Excellence by The Foundation for Pentecostal Scholarship **The Law, The Prophets, and The Writings** Andrew M King, Joshua M Philpot, William R Osborne, 2021-07-05 In The Law the Prophets and the Writings eighteen evangelical scholars analyze the Old Testament through a historical literary and theological hermeneutic providing new insights into the meaning of the Scriptures **Who Is a True Christian?** David W. Congdon, 2024-02-22 No true Christian could vote for Donald Trump Real Christians are pro life You can t be a Christian and support gay marriage Assertive statements like these not only reflect growing religious polarization but also express the anxiety over religious identity that pervades modern American Christianity To address this disquiet conservative Christians have sought security and stability whether by retrieving historic Christian doctrines reconceptualizing their faith as a distinct culture or reinforcing a political vision of what it means to be a follower of God in a corrupt world The result is a concerted effort Make Christianity Great Again a religious project predating the corresponding political effort to Make America Great Again Part intellectual history part nuanced argument for change this timely book explores why the question of what defines Christianity has become over the last century so damagingly vexatious and how believers might conceive of it differently in future Scripture as Communication Jeannine K. Brown, 2021-07-20 Jeannine Brown a seasoned teacher of biblical interpretation believes that communication is at the heart of what happens when we open the Bible We are actively engaging God in a conversation that can be life changing In this

guide to the theory and practice of biblical hermeneutics Brown emphasizes the communicative nature of Scripture proposing a communication model as an effective approach to interpreting the Bible The new edition of this successful textbook has been revised and updated to interact with recent advances in interpretive theory and practice **Paroimia and Parrësia in the Gospel of John** Thomas Tops,2022-02-07 The language of the Gospel of John is known for its complexity On the basis of the modern standards of transparency and logic previous scholars have depicted this language as obscure confusing and mysterious Thomas Tops goes beyond these oversimplifications by providing an in depth historical study of John s characterisation of Jesus language with the terms paroimia and parr e sia By providing original insights in these terms the author offers a new perspective on the functioning of Johannine language As the Johannine Jesus teaches both through paroimia and parr e sia his language conceals and reveals at the same time His criticism is veiled and calls on its addressees to search for the hidden meanings of his words Veiled speech allows the Johannine Jesus to criticise his opponents and openly reveal his messianic identity to those who cannot accept the truth in any other way Evangelicals & Scripture Vincent E. Bacote,Laura Miguelez Quay,Dennis L. Okholm,2009-08-20 Vincent Bacote Laura C Migu lez and Dennis L Okholm present twelve essays that explore in depth the meaning of an evangelical doctrine of Scripture that takes seriously both the human and divine dimensions of the Bible *Virtue and the Voice of God* Daniel J. Treier,2006 Theology s longest tradition is as a course of study that leads to wisdom With the growth of the academy however theology fell into a fixation with the objective results of science In this illuminating study Daniel Treier retrieves the older deeper understanding of theology and connects wisdom in theological education to the theological interpretation of scripture giving rise to a renewed understanding of the role of virtue in each Dialoguing with a number of prominent proponents of theological interpretation of scripture Treier builds on a biblical theology of wisdom that involves the daily lives of all God s people Ultimately Treier connects educational discussions of theology and hermeneutical discussions through a trinitarian understanding of wisdom As a result the increasingly diverse forms and social locations of theology can be integrated into the mainstream of theological reflection Filled with interdisciplinary wisdom *Virtue and the Voice of God* is a timely recovery of the essential conversation between theological education virtue and scriptural interpretation **A Prophet in Debate** Karl Möller,2003-06-01 An investigation of the literary structure and rhetorical challenge that prompted the book s production Moller argues that the book of Amos captures and presents the debate between Amos and his eighth century audience When read in the light of Israel s fall the presentation of Amos struggling and failing to convince his contemporaries of the imminent divine punishment functions as a powerful warning to subsequent Judaeans readers **Progressive Creation and the Struggles of Humanity in the Bible** Zoltan Dornyei,2018-03-22 Why does the Christian walk often feel like an ongoing struggle and why does God s creation include imperfection let alone forces that are intent on thwarting God s creative work In seeking a response to these questions this book argues that the biblical accounts describe creation in terms of a

progressive transformation process whereby the initially incomplete created order will reach perfection only in the fulfillment of new creation The following discussion then outlines a comprehensive framework for the biblical theology of humanity's struggles centered on three key themes corporeal temptation deficient social structures and the much debated notion of spiritual warfare The book presents an overarching canonical narrative that threads together a series of diverse biblical topics from Job's temptation to the Atonement The final part surveys biblical teaching on how human conduct can be aligned with God's creative purpose and discusses three assignments from Jesus to believers to celebrate the Eucharist to pray the Lord's Prayer and to fulfill the Great Commission Hermeneutics, Linguistics, and the Bible Stanley E. Porter, 2024-01-25

The volume presents Stanley E Porter's considered thoughts and reflections on key questions of meaning and context addressing the problems of biblical interpretation and how a close collaboration between hermeneutics and linguistics can help to solve them The chapters display Porter's work in both fields examining how hermeneutics functions as a field in modern biblical studies and how the quest for meaning in biblical texts is underpinned by the study of linguistics The volume focuses on context for understanding the meanings of biblical texts Porter suggests that linguists can learn more from the philosophical questions around meaning that hermeneutics apply in their study of biblical texts and that there is more fruitful work to be done in the field of hermeneutics using insights from linguistics (re)Aligning with God Brian D.

Russell, 2015-12-22 How do we communicate the message of the Scriptures in our twenty first century post Christian context re Aligning with God Reading Scripture for Church and World answers this question by presenting the Scriptures through the lens of mission and by teaching a method for reading Scripture with a missional hermeneutic The biblical story seeks to convert us to its perspective and to transform its readers and hearers into God's missional community that exists to reflect and embody God's character to for in the world Ready to revolutionize your reading of the Bible and expand your ability to unleash the Scriptures in your context re Aligning with God will give you rich content and practical tools to become a profound inspiring and confident reader of the Bible for all who are seeking to hear its good news
