Impressionism John I. Clancy, 2003 Defining an artistic era or movement is often a difficult task as one tries to group individualistic expressions and artwork under one broad brush Such is the case with impressionism which culls together the art of a multitude of painters in the mid 19th century including Monet C zanne Renoir Degas and van Gogh Basically impressionism involved the shedding of traditional painting methods The subjects of art were taken from everyday life as opposed to the pages of mythology and history In addition each artist painted to express feelings of the moment instead of hewing to time honoured standards This description of impressionism obviously is quite broad and can apply to a wide array of styles Nonetheless it remains a very important school in the annals of art Any current or budding art aficionado should become familiar with the impressionist movement and its impact on the art world This book presents a sweeping study of this artistic period from its origins to its manifestations in the works of some of art history s most revered painters Following this overview is a substantial and selective bibliography featuring access through author title and subject indexes

The Real Nick and Nora David L.

Goodrich, 2004-10 Frances Goodrich and Albert Hackett wrote the screenplays for some of America's most treasured movies including *It's a Wonderful Life*, *The Thin Man*, *Easter Parade*, *Father of the Bride*, *Naughty Marietta*, and *Seven Brides for Seven Brothers*. Legendary films indeed, but writing both the play and screenplay for *The Diary of Anne Frank* was their crowning achievement. Controlled chaos best describes their writing method. They discussed a scene at length, sometimes acting it out. Afterwards, they each wrote a draft which they exchanged. Then Frances said began free criticism which sometimes erupted into screaming matches. Noisy and contentious, the method worked splendidly. Enormously successful and remarkably prolific, Goodrich and Hackett began their thirty-four year collaboration in 1928. Married after the first of their five plays became a hit, they were in many ways an unlikely pair. Frances, the privileged daughter of well-to-do parents, graduated from Vassar then played minor parts on Broadway. Albert's mother put him on stage at age five when his father died to help pay the bills, and he became a highly paid comedian. The Hacketts were known for their wit and high spirits and the pleasure of their Bel Air dinner parties. They waged memorable battles with their powerful bosses and were key activists in the stressful creation of the Screen Writers Guild. Once they had created Nick and Nora Charles, *The Thin Man's* bright, charming, sophisticated lead couple, played memorably by William Powell and Myrna Loy, many people saw a strong resemblance, and the Hacketts acknowledged that they put themselves into Nick and Nora. *The Real Nick and Nora* is a dazzling assemblage of anecdotes featuring some of the most talented writers and the brightest lights of American stage and screen. The work was arduous, the parties luminous. On any given night, the guests singing and acting out scripts at a party might include F. Scott Fitzgerald and Sheilah Graham, S. J. Perelman, Oscar Levant, Ogden Nash, Judy Garland, Abe Burrows, Hoagy Carmichael, Johnny Mercer, Ira Gershwin, George Burns, and Gracie Allen, Pat O'Brien, Dick Powell, and June Allyson, Dashiell Hammett, Lillian Hellman, James Cagney, and Dorothy Parker.
