

WHAT IS RENT CONTROL?

Rent Control And The War Against The Poor

**United States. Congress. House.
Committee on Banking and Currency**

Rent Control And The War Against The Poor:

The Left's War Against the Poor John Pepple, 2015-02-09 Leftists have been waging a war against the poor since the 1960s During that decade the left began turning its attention to other causes and in doing so began a war against the poor This war is not an intentional war but it is a war nevertheless It manifests itself in a number of ways by environmentalists who never think about the impact that their policies have on the poor by well meaning people who destroyed the public schools and by people who support criminals over their victims who are almost always poor people Why did this war happen It happened because the left despite its focus on the poor has almost always been controlled by the rich When the left adopted new issues several decades ago these rich people refused to listen to those among the poor who protested But while the left's war against the poor goes back only a few decades the fact that the left has been controlled by the rich ever since the left began means that the left has never really been wholly committed to helping the poor Instead the analyses and policies formulated by rich leftists have helped rich leftists who get to keep their wealth and to control the government more than the poor This book argues that a leftism by and for the poor will be strikingly different from leftism as it now exists While Rich Peoples Leftism blames capitalism for exploiting the workers and wants a redistribution of wealth Poor Peoples Leftism wants job creation The more jobs there are for the poor the less they are exploited It is job creation more than anything else that will help the poor escape from poverty Rent Control and the War Against the Poor R. W. Grant, 1989

The Austro-Libertarian Point of View Alan G. Futerman, Walter E. Block, 2021-11-01 This book covers several areas of economic theory and political philosophy from the perspective of Austrian Economics and libertarianism As such it deals with Epistemology and Methodology Microeconomics Macroeconomics Labor Economics International Economics Political Philosophy Law and Public Policy all from the Austro libertarian perspective Hence this book offers an integrated view of libertarianism and Austrian economics in the light of recent debates in the areas of economic science and political philosophy Moreover it builds from the foundations of the Austrian approach epistemology and methodology while the latter material deals with its application to the individual from the microeconomic perspective which in turn allows an exploration of subjects in macroeconomics Additionally this work applies Austro libertarianism to law politics and public policy Thus it offers a unified view of the entire approach in a logical progression allowing the readers to judge this perspective in full Futerman and Block say that their book is not a manual which I suppose it is not But it is a collection of highly pertinent essays from which you can understand what is mistaken in the orthodoxy of economics law and politics The central term of art in Austrian economics is that phrase human action It is the exercise of human will not the blind bumping of one molecule against another or one organism against another as in the physical sciences Futerman and Block distinguish Austrian economics as a scientific enterprise based on liberty of the will from libertarianism as an advocacy based on policies implied by such liberty Although Austrian economics is positive and libertarianism is normative they write this book shows how both

are related how each can support the other Indeed they do Deirdre N McCloskey PhD UIC Distinguished Professor of Economics and of History Emerita Professor of English Emerita Professor of Communication Emerita University of Illinois at Chicago *Philosophy of Law* Walter E. Block, Roy Whitehead, 2019-11-14 Looking at discrimination education environment health and crime this volume analyses United States Supreme Court rulings on several legal issues and proposed libertarian solutions to each problem Setting their own liberal theory of law each chapter discusses the law at hand what it should be and what it would be if their political economic philosophy were the justification of the legal practice Covering issues such as sexual harassment religion markets in human organs drug prohibition and abortion this book is a timely contribution to classical liberal debate on law and economics The Economics of Poverty Martin Ravallion, 2016 An overview of the economic development of and policies intended to combat poverty around the world Provided by publisher **War on Poverty--victory Or Defeat?** United States. Congress. Joint Economic Committee. Subcommittee on Monetary and Fiscal Policy, 1986 Cities and Private Planning David Emanuel Andersson, Stefano Moroni, 2014-09-26 Through comprehensive case studies of privately planned cities and neighbourhood in Asia Europe and North America this book characterizes the theoretical basis and empirical manifestations of private urban planning In this innovative volume Andersson Extension of Rent Control, Hearings Before ..., 81-2 on S 3181, S 3464, And S.3492 ..., April 24, 25, 26, 27 And 28, 1950. 500::2 Fold Outs United States. Congress. Senate. Committee on Banking and Currency, 1950 Secretary Jack Kemp Talks about a New War on Poverty Jack Kemp, 1990 Extension of Rent Control, 1949 United States. Congress. House. Committee on Banking and Currency, 1949 **Finance for Housing** Cathy Davis, 2013-07-17 The global financial crisis of 2007 08 was triggered by sub prime mortgage mis selling in the US and the global sale of these debts as new bonds Austerity programmes are designed to reduce the borrowing that governments undertook to stabilise failing banking systems but the UK's Coalition government is using austerity as a cover to dismantle the welfare state Housing is at the forefront of these changes Mortgages and rental costs are rising as the market dictates them while people with low incomes now receive substantially less financial help from the welfare state In this much needed text by an experienced author with a policy background current housing finance issues and their history are linked with broader social policy and political themes It covers the finance of building and refurbishment managing and maintaining property for all the different tenures owner occupation council housing housing association and private renting and discusses whether current arrangements are sustainable Written for housing social policy and politics students and staff it is also accessible to anyone concerned about housing in Britain today The Oxford Handbook of the Social Science of Poverty David Brady, Linda M. Burton, 2016-03-23 Despite remarkable economic advances in many societies during the latter half of the twentieth century poverty remains a global issue of enduring concern Poverty is present in some form in every society in the world and has serious implications for everything from health and well being to identity and behavior Nevertheless the study of poverty has remained disconnected across disciplines The Oxford Handbook

of the Social Science of Poverty builds a common scholarly ground in the study of poverty by bringing together an international inter disciplinary group of scholars to provide their perspectives on the issue Contributors engage in discussions about the leading theories and conceptual debates regarding poverty the most salient topics in poverty research and the far reaching consequences of poverty on the individual and societal level The volume incorporates many methodological perspectives including survey research ethnography and mixed methods approaches while the chapters extend beyond the United States to provide a truly global portrait of poverty A thorough examination of contemporary poverty this Handbook is a valuable tool for non profit practitioners policy makers social workers and students and scholars in the fields of public policy sociology political science international development anthropology and economics *The Better War, as Reported by The Washington Post, Associated Press, The Cincinnati Enquirer[and] United Press International [and] The Better War II* United States.
