

Repertoire des Nouvelles a la Main (Histoire du Livre)

Mouniau, Francois

Repertoire Des Nouvelles A La Main

Auguste Wahlen

Repertoire Des Nouvelles A La Main:

Répertoire des nouvelles à la main François Moureau, 1999 Une enquête de près de quinze ans dans la plupart des grandes bibliothèques d'Europe mais aussi dans de modestes dépôts d'archives et dans quelques collections privées Le Répertoire des nouvelles à la main a pour ambition de remettre en lumière l'un des aspects les plus méconnus sinon les plus importants de la communication sous l'Ancien Régime

L'information à l'époque moderne, 2001 **Communicating the News in Early Modern Europe** Jenni Hyde, Massimo Rospocher, Joad Raymond, Yann Ryan, Hannu Salmi, Alexandra Schäfer-Griebel, 2023-11-29 This history of early modern news focuses on news itself rather than specific material forms Centering on movement through different media time and place it makes the case for a truly comparative pan European history of news After the Introduction the second section News Moves explores how we think about and research news culture and news communication demonstrating movement is more important than static forms The third News Sings focuses on news ballads comparing actors public music and soundscapes of ballad singing in several European cities highlighting the central role of immaterial elements such as sound music and voice The fourth News Counts argues that seeing news the way a machine might read it through its metadata is one way of moving beyond form allowing us to find surprising commonalities in news cultures which differ greatly in both time and place

Women on the Stage in Early Modern France Virginia Scott, 2010-07-08 Focusing on actresses in France during the early modern period Virginia Scott examines how the stereotype of the actress has been constructed The study then moves beyond that stereotype to detail the reality of the personal and artistic lives of women on the French stage from the almost unknown Marie Ferr who signed a contract for 12 livres a year in 1545 to perform the antiques of Rome or other histories moralities farces and acrobatics in the provinces to the queens of the eighteenth century Paris stage whose adventures have overshadowed their artistic triumphs The book also investigates the ways in which actresses made invaluable contributions to the development of the French theatre in the seventeenth and eighteenth centuries and looks at the afterlives of such women as Armande Bérart Marquise Du Parc Charlotte Desmares Adrienne Lecouvreur and Hippolyte Clairon in biographies plays and films

Répertoire des sources manuscrites de l'histoire de Paris Étienne Clouzot, 1915

The Politics of Information in Early Modern Europe Sabrina Alcorn Baron, Brendan Dooley, 2005-07-08 First attempt to bring together a range of research on the origins of news publishing Provides a broad ranging comprehensive survey High quality contributors with very good publishing record

The Devil in the Holy Water, or the Art of Slander from Louis XIV to Napoleon Robert Darnton, 2009-11-27 Slander has always been a nasty business Robert Darnton notes but that is no reason to consider it a topic unworthy of inquiry By destroying reputations it has often helped to delegitimize regimes and bring down governments Nowhere has this been more the case than in eighteenth century France when a ragtag group of literary libelers flooded the market with works that purported to expose the wicked behavior of the great Salacious or seditious outrageous or hilarious their books and

pamphlets claimed to reveal the secret doings of kings and their mistresses the lewd and extravagant activities of an unpopular foreign born queen and the affairs of aristocrats and men about town as they consorted with servants monks and dancing masters These libels often mixed scandal with detailed accounts of contemporary history and current politics And though they are now largely forgotten many sold as well as or better than some of the most famous works of the Enlightenment In *The Devil in the Holy Water* Darnton winner of the National Book Critics Circle Award for his *Forbidden Best Sellers of Pre Revolutionary France* and author of his own best sellers *The Great Cat Massacre* and *George Washington's False Teeth* offers a startling new perspective on the origins of the French Revolution and the development of a revolutionary political culture in the years after 1789 He opens with an account of the colony of French refugees in London who churned out slanderous attacks on public figures in Versailles and of the secret agents sent over from Paris to squelch them The libelers were not above extorting money for pretending to destroy the print runs of books they had duped the government agents into believing existed the agents were not above recognizing the lucrative nature of such activities and changing sides As the Revolution gave way to the Terror Darnton demonstrates the substance of libels changed while the form remained much the same With the wit and erudition that has made him one of the world's most eminent historians of eighteenth century France he here weaves a tale so full of intrigue that it may seem too extravagant to be true although all its details can be confirmed in the archives of the French police and diplomatic service Part detective story part revolutionary history *The Devil in the Holy Water* has much to tell us about the nature of authorship and the book trade about Grub Street journalism and the shaping of public opinion and about the important work that scurrilous words have done in many times and places
