Sessional Index for Session ... Great Britain. Parliament. House of Commons,1997 **Index to Chairmen** ,1997 **The Politics of Accountability in the Modern State** Matthew Flinders,2017-10-05 This title was first published in 2001 In this compelling work Matthew Flinders examines how far alternative forms of accountability have evolved and the extent to which they remedy the current shortcomings of the parliamentary system Adopting a pluralistic perspective this exploration of the accountability of the core executive is clearly grounded in research methodology thus ensuring the book makes a valid incisive contribution to the literature Features include A detailed study of the location of power and mechanisms of accountability in modern government which challenges the largely prosaic existing literature Useful summaries of the key tensions and trends within constitutional infrastructure A new and refreshing approach to the study of central government Insightful critiques of major governmental policies This intriguing volume will be of interest to undergraduates post graduates and lecturers for courses on legislative studies central government reform public administration British politics and research methods **The Stationery Office Annual Catalogue** Great Britain. Constitutional and Administrative Law Neil Parpworth,2020 Constitutional and Administrative Law is a clear and concise text which allows students to easily get to the heart of the subject **Human Rights and the United Kingdom Supreme Court** Brice Dickson,2013-03-28 How does the UK Supreme Court approach human rights law This book provides the first comprehensive overview of human rights in the highest UK court criticizing the failure of UK judges to develop the common law in sympathy with human rights Britain 1998 Office for National Statistics,1998 Britain An Official Handbook is one of the best known and most respected reference works on Great Britain It is the only publication that gathers together in a single volume a complete range of official information about Britain s people government and environment as well as its economic social and cultural affairs The 1998 Edition presents comprehensive chapters on every major aspect of British society Special features in this edition include an 8 page color section on the Government Art Collection which celebrates its 100th anniversary in 1998 and new maps showing the revised local authority boundaries in England Northern Ireland Scotland and Wales Tables maps diagrams and photographs are included throughout *The meaning of public authority under the Human Rights Act* Great Britain: Parliament: Joint Committee on Human Rights,2007-03-28 Section 6 of the Human Rights Act HRA makes it unlawful for public authorities to act in breach of Convention rights UK courts have adopted a restrictive interpretation of the meaning of public authority potentially depriving numerous often vulnerable people from the human rights protection afforded by the HRA There has been little evidence of progress since the previous report on this matter HL 39 HC 382 7th report session 2003 4 ISBN 9780104004173 Chapter 2 examines developments in case law since 2004 and the Committee considers the Government s 2005 guidance on contracting for services in the light of the Human Rights Act takes a very negative approach to the difficulties facing the use of contracts to secure better the protection of

human rights lacks accessibility and is difficult to understand and has little or no influence on the procurement policies of local authorities In Chapter 3 the Committee considers the case for further action to overcome the problems arising from a narrow interpretation of public authority It concludes that the practical implications of the current case law are such that some service users are deprived of a right to an effective remedy for any violation of their Convention rights The Committee has not seen any convincing evidence that providers would leave the public services market if they were subject to the duty to act compatibly with Convention rights despite the Government's premature and unsupported concerns about market flight In Chapter 4 the Committee considers steps which could be taken to resolve the problems identified including use of legislation to clarify the meaning of public authority in section 6 HRA through a separate supplementary and interpretative statute
