What Dreams Were Made of Sean Griffin, 2011 Humphrey Bogart Abbott and Costello Judy Garland and Mickey Rooney John Wayne Rita Hayworth and Betty Grable Images of these film icons conjure up a unique moment in cinema and history one of optimism and concern patriotism and cynicism *What Dreams Were Made Of* examines the performers who helped define American cinema in the 1940s a decade of rapid and repeated upheaval for Hollywood and the United States Through insightful discussions of key films as well as studio publicity and fan magazines the essays in this collection analyze how these actors and actresses helped lift spirits during World War II whether in service comedies combat films or escapist musicals The contributors all major writers on the stars and movies of this period also explore how cultural shifts after the war forced many stars to adjust to new outlooks and attitudes particularly in film noir Together they represented the hopes and fears of a nation during turbulent times enacting on the silver screen the dreams of millions of moviegoers **Raiding**

the Icebox Peter Wollen, 2020-05-05 *Raiding the Icebox* is a kaleidoscopic review of the avant garde and radical subcultures of the twentieth century and explains how the most powerful artistic statements of the era redrew the line between high and low art Beginning with an analysis of the role of Diaghilev and the Russian Ballet Wollen argues that modernism has always had a hidden suppressed side which cannot easily be absorbed into the master narrative of modernity Wollen reviews the hopes fears and expectations of artists and critics such as the Bauhaus movement as fascinated by Henry Ford s assembly line as they were by the Hollywood dream factory concluding with Guy Debord s caustic dystopian vision of an all consuming Society of the Spectacle Finally Wollen chronicles the emergence of a subversive sensibility as he explores some of the unexpected new cultural forms which non Western artists are taking as modernism enters into crisis at the beginning of a new century reversing the rules of the game and raiding the icebox of the West **American Media and Mass Culture**

Donald Lazere, 1987-12-07 On subjects from Superman to rock n roll from Donald Duck to the TV news from soap operas and romance novels to the use of double speak in advertising these lively essays offer students of contemporary media a comprehensive counterstatement to the conservatism that has been ascendant since the seventies in American politics and cultural criticism Donald Lazere brings together selections from nearly forty of the most prominent Marxist feminist and other leftist critics of American mass culture from a dozen academic disciplines and fields of media activism The collection will appeal to a wide range of students scholars and general readers **Hollywood Left and Right** Steven J.

Ross, 2011-08-01 In *Hollywood Left and Right* Steven J Ross tells a story that has escaped public attention the emergence of Hollywood as a vital center of political life and the important role that movie stars have played in shaping the course of American politics Ever since the film industry relocated to Hollywood early in the twentieth century it has had an outsized influence on American politics Through compelling larger than life figures in American cinema Charlie Chaplin Louis B Mayer Edward G Robinson George Murphy Ronald Reagan Harry Belafonte Jane Fonda Charlton Heston Warren Beatty and

Arnold Schwarzenegger Hollywood Left and Right reveals how the film industry's engagement in politics has been longer deeper and more varied than most people would imagine As shown in alternating chapters the Left and the Right each gained ascendancy in Tinseltown at different times From Chaplin whose movies almost always displayed his leftist convictions to Schwarzenegger's nearly seamless transition from action blockbusters to the California governor's mansion Steven J Ross traces the intersection of Hollywood and political activism from the early twentieth century to the present Hollywood Left and Right challenges the commonly held belief that Hollywood has always been a bastion of liberalism The real story as Ross shows in this passionate and entertaining work is far more complicated First Hollywood has a longer history of conservatism than liberalism Second and most surprising while the Hollywood Left was usually more vocal and visible the Right had a greater impact on American political life capturing a senate seat Murphy a governorship Schwarzenegger and the ultimate achievement the Presidency Reagan

Forbidden Animation Karl F. Cohen, 2013-10-18 Tweety Bird was colored yellow because censors felt the original pink made the bird look nude Betty Boop's dress was lengthened so that her garter didn't show And in recent years a segment of Mighty Mouse was dropped after protest groups claimed the mouse was actually sniffing cocaine not flower petals These changes and many others like them have been demanded by official censors or organized groups before the cartoons could be shown in theaters or on television How the slightly risqué gags in some silent cartoons were replaced by rigid standards in the sound film era is the first misadventure covered in this history of censorship in the animation industry The perpetuation of racial stereotypes in many early cartoons is examined as are the studios' efforts to stop producing such animation This is followed by a look at many of the uncensored cartoons such as Lenny Bruce's Thank You Mask Man and Ralph Bakshi's Fritz the Cat The censorship of television cartoons is next covered from the changes made in theatrical releases shown on television to the different standards that apply to small screen animation The final chapter discusses the many animators who were blacklisted from the industry in the 1950s for alleged sympathies to the Communist Party

Hollywood: Social dimensions: technology, regulation and the audience Thomas Schatz, 2004 Hollywood as a concept applies variously to a particular film style a factory based mode of film production a cartel of powerful media institutions and a national and increasingly global way of seeing It is a complex social cultural and industrial phenomenon and is arguably the single most important site of cultural production over the past century This collection brings together journal articles published essays book chapters and excerpts which explore Hollywood as a social economic industrial aesthetic and political force and as a complex historical entity

A Very Dangerous Citizen Paul Buhle, Dave Wagner, 2001-06-05 When he was summoned before the House Committee on Un American Activities in 1951 Abraham Lincoln Polonsky 1911-1999 was labeled a very dangerous citizen by Harold Velde a congressman from Illinois Lawyer educator novelist labor organizer radio and television scriptwriter film director and screenwriter wartime intelligence operative and full time radical romantic Polonsky was blacklisted in Hollywood for refusing to be an informer The New York

Times called his blacklisting the single greatest loss to American film during the McCarthy era and his expressed admirers include Steven Spielberg Martin Scorsese Sidney Lumet Warren Beatty and Harry Belafonte In this first critical and cultural biography of Abraham Polonsky Paul Buhle and Dave Wagner present both an accomplished consideration of a remarkable survivor of America's cultural cold war and a superb study of the Hollywood left The Bronx born son of immigrant parents Polonsky in the few years after the end of World War II and just before the blacklist had one of the most distinguished careers in Hollywood He wrote two films that established John Garfield's postwar persona *Body and Soul* 1947 still the standard for boxing films and the model for such movies as *Raging Bull* and *Pulp Fiction* and *Force of Evil* 1948 the great noir drama that he also directed Once blacklisted Polonsky quit working under his own name yet he proved to be one of television's most talented writers Later in life he became the most acerbic critic of the Hollywood blacklist's legacy while writing and directing films such as *Tell Them Willie Boy Is Here* 1970 *A Very Dangerous Citizen* goes beyond biography to help us understand the relationship between art and politics in American culture and to uncover the effects of U.S. anticommunism and anti-Semitism Rich in anecdote and in analysis it provides an informative and entertaining portrait of one of the most intriguing personalities of twentieth century American culture

The Politics of Glamour David F. Prindle, 2012-11-01 Rarely are the off screen lives of actors examined for evidence of deep thinking or good citizenship Still more rarely do the internal workings of labor unions attract public scrutiny Nevertheless as David Prindle shows in his examination of democracy in the Screen Actors Guild this actors union has for over 50 years been an arena for idealistic yet intense and hardboiled political maneuvering In *The Politics of Glamour* readers become aware of the seriousness and political commitment displayed by people whom the general public has generally admired more for their artistic skills After reading this account of politics among America's screen royalty no one could wonder about where Ronald Reagan a former SAG president received his political training Besides analyzing the politics of SAG however the author follows a good story wherever it leads The reader can expect to learn something about the political economy of Hollywood and the American labor movement the value of celebrity within the acting community the impact of technological change and even a bit of gossip

The Lost One Stephen D. Youngkin, 2005-09-30 Often typecast as a menacing figure Peter Lorre achieved Hollywood fame first as a featured player and later as a character actor trademarking his screen performances with a delicately strung balance between good and evil His portrayal of the child murderer in Fritz Lang's masterpiece *M* 1931 catapulted him to international fame Lang said of Lorre He gave one of the best performances in film history and certainly the best in his life Today the Hungarian born actor is also recognized for his riveting performances in *The Man Who Knew Too Much* 1934 *The Maltese Falcon* 1941 and *Casablanca* 1942 Lorre arrived in America in 1934 expecting to shed his screen image as a villain He even tried to lose his signature accent but Hollywood repeatedly cast him as an outsider who hinted at things better left unknown Seeking greater control over his career Lorre established his own production company His unofficial graylisting by the House Committee on Un American Activities however left him with little work He returned to Germany where he co authored directed and starred in the film *Der Verlorene* *The Lost One* in 1951 German audiences rejected Lorre's dark vision of their recent past and the actor returned to America wearily accepting roles that parodied his sinister movie personality The first biography of this major actor *The Lost One A Life of Peter Lorre* draws upon more than three hundred interviews including conversations with directors Fritz Lang Alfred Hitchcock Billy Wilder John Huston Frank Capra and Rouben Mamoulian who speak candidly about Lorre both the man and the actor Author Stephen D Youngkin examines for the first time Lorre's pivotal relationship with German dramatist Bertolt Brecht his experience as an emigrant from Hitler's Germany his battle with drug addiction and his struggle with the choice between celebrity and intellectual respectability Separating the enigmatic person from the persona long associated with one of classic Hollywood's most recognizable faces *The Lost One* is the definitive account of a life triumphant and yet tragically riddled with many failed possibilities
