Reporters And Officials The Organization And Politics Of Newsmaking:

Reporters and Officials Leon V. Sigal, 1973 *Reporters and Officials* Leon V. Sigal, 1973 *Reporters and Officials: the Organization and Politics of Newsmaking* By Leon V. Sigal Leon V. Sigal, 1973 **Power Transfer and Electoral Politics**

Hsin-chi Kuan, 1999 This book provides an in depth analysis of the election of the Hong Kong Legislative Council in May 1998 which was the first general election in Hong Kong since the change of sovereignty to China in 1997 The election was conducted in the wake of the government's mismanagement of health policy and other aspects of public concern and amid widespread hardships inflicted by the Asian financial crisis Nevertheless the election still had the highest turnout rate in Hong Kong's entire history The elected legislature replaced the Provisional Legislative Council which was a product of the Sino British conflict before the change over However as a result of institutional design and electoral outcome this duly elected Legislative Council has been fragmented and weak in its legislative and supervisory powers and therefore there are long term implications for the governance of Hong Kong in general and for the executive legislative relations in particular Contributors to this volume are renowned scholars in Hong Kong studies The various aspects of the 1998 legislative election are critically examined to ascertain their exact meanings and to clarify doubts Questions such as the following are properly addressed Did the transfer of sovereignty have any impact on the systems of election representation and authority What was the impact of institutional change on the conduct of electoral campaigns Did the end of colonialism and the advent of one country two systems help to activate Hong Kong voters who were once dubbed attentive spectators Did the China factor which had been influential in the 1991 and 1995 elections give way to other electoral divisions Did the mass media properly perform their roles during the election Does the emergence of class and economic issues during the election signify a new era of political normalization Will the now legitimately constituted Legislative Council have political clout What is in store for the future

Bureaucratic Politics and Foreign Policy Morton H. Halperin, 2002-12-31 The first edition of *Bureaucratic Politics and Foreign Policy* is one of the most successful Brookings titles of all time Government agencies departments and individuals all have certain interests to preserve and promote Those priorities and the conflicts they sometimes spark heavily influence the formulation and implementation of foreign policy A decision that looks like an orchestrated attempt to influence another country may in fact represent a shaky compromise between rival elements within the U S government The authors provide numerous examples of bureaucratic maneuvering and reveal how they have influenced our international relations

Managing Democracy in the Digital Age Julia Schwanholz, Todd Graham, Peter-Tobias Stoll, 2017-09-13 In light of the increased utilization of information technologies such as social media and the Internet of Things this book investigates how this digital transformation process creates new challenges and opportunities for political participation political election campaigns and political regulation of the Internet Within the context of Western democracies and China the contributors analyze these challenges and opportunities from three perspectives the regulatory state the political use of social media and

through the lens of the public sphere The first part of the book discusses key challenges for Internet regulation such as data protection and censorship while the second addresses the use of social media in political communication and political elections In turn the third and last part highlights various opportunities offered by digital media for online civic engagement and protest in the public sphere Drawing on different academic fields including political science communication science and journalism studies the contributors raise a number of innovative research questions and provide fascinating theoretical and empirical insights into the topic of digital transformation

The Oxford Handbook of Swiss Politics Patrick Emmenegger, Flavia Fossati, Sijla Häusermann, Yannis Papadopoulos, Pascal Sciarini, Adrian Vatter, 2024 This volume provides a comprehensive account of the many different facets of the Swiss political system and of the major developments in modern Swiss politics The chapters offer analyses relevant not only to political science but also to international relations European studies history sociology law and economics

Feeling Politics D. Redlawsk, 2006-06-10 As part of the study of emotions and politics this book explores connections between affect and cognition and their implications for political evaluation decision and action Emphasizing theory methodology and empirical research Feeling Politics is an important contribution to political science sociology psychology and communications

Surrogate Motherhood and the Politics of Reproduction Susan Markens, 2007-09-04 Susan Markens takes on one of the hottest issues on the fertility front surrogate motherhood in a book that illuminates the culture wars that have erupted over new reproductive technologies in the United States In an innovative analysis of legislative responses to surrogacy in the bellwether states of New York and California Markens explores how discourses about gender family race genetics rights and choice have shaped policies aimed at this issue She examines the views of key players including legislators women s organizations religious groups the media and others In a study that finds surprising ideological agreement among those with opposing views of surrogate motherhood Markens challenges common assumptions about our responses to reproductive technologies and at the same time offers a fascinating picture of how reproductive politics shape social policy

The Politics of Persuasion Anthony R. DiMaggio, 2017-02-21 Examines how the US media covers high profile public policy issues in the context of competing claims about media bias Tracking the effects of media content on the public is a difficult endeavor and media effects vary on a subject to subject basis To address this challenge The Politics of Persuasion employs a multifaceted mixed method approach to studying mass media and public attitudes Anthony R DiMaggio analyzes more than a dozen case studies covering US domestic economic policy and examines a wide range of theories of how bias operates in mass media with regard to coverage of these issues While some research claims that journalists are overly negative and biased against government officials some reveals that journalists favor citizens groups Still other studies contend there is a liberal bias in the media a progovernment bias or a bias in favor of advertisers and business interests Through his analysis DiMaggio is the first to systematically examine all of these competing interpretations He concludes that reporters tailor stories to corporate and government interests but argues that the ability to

manufacture consent from the public in favor of these elite views is far from guaranteed According to DiMaggio citizens often make use of their own personal experiences and prior attitudes to challenge official narratives **Censored 2020** Andy Lee Roth,2019-10-08 In the midst of Trump s attacks on the media comes this look at the rigorous independent reporting of the year s most underreported news stories While the country s president displays a brazen disregard for the First Amendment and routinely demonizes the press as the enemy of the people Censored 2020 looks beyond Donald Trump s dizzying contempt for the truth to clarify the corporate media s complicity in misinforming the American public while also providing a clear vision of a better future based on rigorous trustworthy independent reporting that presents a fuller picture of truth With a discerning eye Censored 2020 focuses the public s attention on the most important but underreported news stories of 2018 2019 These stories expose the corporate news media s systemic blind spots while highlighting the crucial role played by independent journalists in providing the kind of news necessary for informed engaged citizens The book also examines this year s lowlights in junk food news and news abuse further revealing how corporate news often functions as propaganda as well as highlights of exemplary organizations that champion Media Democracy in Action Additional chapters address the importance of constructive journalism the untold story of Kashmir news coverage of LGBTQ issues in the Trump era fake news as a Trojan horse for censorship and online memes as a form of political communication The Politics of the Pill Rachel VanSickle-Ward, Kevin Wallsten,2019-10-22 The announcement of a Health and Human Services HHS rule requiring insurance providers to cover the costs of contraception as part of the Affordable Care Act sparked widespread political controversy How did something that millions of American women use regularly become such a fraught political issue In The Politics of the Pill Rachel VanSickle Ward and Kevin Wallsten explore how gender has shaped contemporary debates over contraception policy in the U S Within historical context they examine the impact that women and perceptions of gender roles had on media coverage public opinion policy formation and legal interpretations from the deliberation of the Affordable Care Act in 2009 to the more recent Supreme Court rulings in *Burwell v Hobby Lobby Stores Inc* and *Zubik v Burwell* Their central argument is that representation matters who had a voice significantly impacted policy attitudes deliberation and outcomes While women s participation in the debate over birth control was limited by a lack of gender parity across institutions women nevertheless shaped policy making on birth control in myriad and interconnected ways Combining detailed analyses of media coverage and legislative records with data from public opinion surveys survey experiments elite interviews and congressional testimony The Politics of the Pill tells a broader story of how gender matters in American politics Strengthening Canadian Democracy Institute for Research on Public Policy,2005 Reconsidering provincial and federal debates about democratic reform alternatives **Media and Conflict in the Twenty-First Century** P. Seib,2005-06-03 This collection of essays explores current issues surrounding the media and conflict in the Twenty first Century Essays will look at the role of evolving media technologies the globalization of television and communications public

diplomacy gender and war coverage terrorism and other issues **Explaining News** C. Archetti, 2010-07-05 The book challenges the idea that processes of globalization are leading to an increasing homogenization of news on a worldwide scale by focusing on two defining crises of our time 9 11 and the War in Afghanistan The empirical analysis combines process tracing as well as both quantitative and qualitative content analysis of governmental discourses and news coverage of eight elite newspapers across the US France Italy and Pakistan It develops a new multidisciplinary framework to explain news that brings together previously distinct levels of analysis the micro level of the individual decisions made by journalists the organizational environment of the news organization national social and political contexts the macro level of international relations The book is going to be of interest primarily to academics and researchers postgraduate students across communications media studies journalism politics and international relations as well as journalists media practitioners and officials involved in public communication The Emergence and Scope of the Voice of Government Mordecai Lee, 2023-03-21 Nowadays we all tend to be annoyed by bureaucracy and by propaganda if only because both touch our daily lives This book examines the intersection of those two subjects external communications emanating from government agencies When bureaucracies communicate with us directly or via the news media are we being bombarded with self serving propaganda or with helpful information to improve our lives Perhaps it is a mash up of both purposes This book examines the scope uses and history of government communications Topics of discussion include digital government disaster communication relations between the media and government agency spokespersons democratic reporting to the citizenry wartime public relations PR and how US presidents and the US Congress treated bureaucratic PR Several chapters are historical case studies such as about an astronaut who became US Assistant Secretary of State for Public Affairs In addition two chapters examine President Nixon s record while in a more light hearted vein another presents the pop culture image of government spokespersons in movies The book concludes with the origins of the academic study of external communications in public administration **Presidential Leadership** George C. Edwards, Kenneth R. Mayer, Stephen J. Wayne, 2022-04-06 With a focus on presidential leadership the authors address the capacity of chief executives to fulfill their tasks exercise their powers and utilize their organizational structures to affect the output of government This text examines all aspects of the presidency up to and including the administration of President Joe Biden **The Routledge Handbook of Political Campaigning** Darren Lilleker, Daniel Jackson, Bente Kalsnes, Claudia Mellado, Filippo Trevisan, Anastasia Veneti, 2024-11-05 The Routledge Handbook of Political Campaigning provides an essential global and timely overview of current realities as well as anticipating the trajectory and evolution of campaigning in the coming years Offering a comprehensive analysis the handbook is structured into seven thematic sections including the campaign environment rhetoric and persuasion campaign strategies campaign tactics and platform affordances news and journalism citizens and voters and civil society The chapters within each section reflect on the latest societal technological and cultural developments and their impact on campaigning on

democratic culture within societies and on the roles that campaigns might play in both facilitating and impeding political engagement Key trends and innovations are examined alongside case studies and examples from a range of nations and political contexts Issues around trust and representation are further reflected in a focus on the wider campaigning environment and the rise in importance of grassroots and pressure groups social movements and movements that coalesce within digital environments The Routledge Handbook of Political Campaigning is an essential resource for scholars students and practitioners in political communication media and communication elections and voting behavior digital media journalism social movements strategic communication social media and more broadly to democracy sociology and public policy

Cultural Meanings of News Daniel A. Berkowitz, 2011 What is news Why does news turn out like it does What factors influence the creation production and dissemination of news Cultural Meanings of News takes on these deceptively simple questions through an essential collection of seminal and contemporary studies by leaders in the fields of mass communication and media studies Similar in format and purpose to editor Dan Berkowitz's award winning Social Meanings of News this new volume represents a conceptual update a continuation of the discourse about the nature of news and how it comes to be moving ideas ahead from the earlier tradition of sociological approaches to the more pervasive cultural perspectives that inform understandings about news Cultural Meanings of News provides a carefully selected set of readings organized into thematic areas that each probe a dimension of the literature from sociological roots to cultural perspectives news as narrative and cultural text newswork as cultural ritual news as cultural myth news and its interpretive communities news as a source and reflection of collective memory toward the future of news research This text reader provides students and scholars with first hand exposure to cultural approaches to the study of news while also providing an organizing framework for understanding the commonalties and differences between threads in the research The goals are to engage readers through guided immersion in the material

A Public Betrayed Adam Gamble, Takesato Watanabe, 2004-07-01 In his new book Adam Gamble reveals how the Japanese media have dangerously overstepped their boundaries and distorted even wiped out honest news

The book delves into Reporters And Officials The Organization And Politics Of Newsmaking. Reporters And Officials The Organization And Politics Of Newsmaking Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are

now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Reporters And Officials The Organization And Politics Of Newsmaking PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Reporters And Officials The Organization And Politics Of Newsmaking PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Reporters And Officials The Organization And Politics Of Newsmaking free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can

explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Reporters And Officials The Organization And Politics Of Newsmaking Books

1. Where can I buy Reporters And Officials The Organization And Politics Of Newsmaking books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
