Representation And Community In Western Democracies

D Kirk

Representation And Community In Western Democracies:

Representation and Community in Western Democracies N. Rao, 2000-03-07 This book of critical essays explores new thinking and new evidence on the role of locally elected representatives in Western democracies The book is topical in the light of the intense political and popular interest in the problems of making local government representative and responsive The contributors drawn from the UK US France Denmark and Norway deal with two principal themes political recruitment and representativeness and the processes of political representation and highlight the dilemmas of open and accessible local government

Policy Making at the Second Tier of Local Government in Europe Xavier Bertrana, Björn Egner, Hubert Heinelt, 2015-09-07 Debates about multi level governance have led to a profound restructuring of regional and local government The second level of local government is under review in most European countries with the aim to strengthen the institutional capacity of municipalities or to develop appropriate institutional structures for governing fragmented urban areas This book provides a thematic and cross national analysis of the key actors in local government that form the crucial components of effective and democratic policy making Focussing on the second tier of local government it examines new empirical data on councillors from this level of government in 15 European countries and integrates important variables such as party politics notions of democracy finance multi level settings Divided into five parts it addresses Attitudes of county provincial councillors towards administrative and territorial reforms Their role perceptions and role behaviour Their political orientation Actor constellations and governance arrangements Political socialization and recruitment professionalization and career patterns of county provincial councillors This book will be of interest to students and scholars of local government urban studies regional studies political science sociology and geography

Party Politics and Local Government Colin Copus, 2004-08-21 This book is an explanation of the long standing interrelationship between local government and political parties It examines and outlines the differences between the political party outside the council and the political party group of councillors within the council It explores the impact that the party groups have on the conduct of council business decision making and policy development and the impact they have on local representation It addresses two questions that are fundamental to local representative democracy who or what is it that the councillor represents and are councillors elected to govern or to serve

Political Leaders and Changing Local Democracy Hubert Heinelt, Annick Magnier, Marcello Cabria, Herwig Reynaert, 2017-12-19 This book studies political leadership at the local level based on data from a survey of the mayors of cities of more than 10 000 inhabitants in 29 European countries carried out between 2014 and 2016 The book compares these results with those of a similar survey conducted ten years ago From this comparative perspective the book examines how to become a mayor in Europe today the attitudes of these politicians towards administrative and territorial reforms their notions of democracy their political priorities whether or not party politicization plays a role at the municipal level and how mayors interact with other actors in the local political arena This study addresses students academics and

practitioners concerned at different levels with the functioning and reforms of the municipal level of local government

The Powers and Aims of Western Democracy William Milligan Sloane, 1919 **Local Elites In Western**

Democracies Samuel J. Eldersveld, 2019-03-07 Much insightful scholarship has been devoted to the elaboration of the nature and functions of elites in modern societies The theories and paradigms which have emerged have evoked both strong support as well as considerable criticism Testing this conception of the role of elites is a primary goal of the analysis presented here We investigate in great detail in these three democratic systems the level of elites concern for their problems their sense of responsibility and power to act their relations with community groups and the public and their values And throughout the analysis we keep in mind the question of effective action This study both builds on and diverges from the early comparative research on local elites

Leading the Localities Colin Copus, 2013-02-28 This book now available in paperback is the result of national research conducted amongst England's directly elected mayors and the councillors that serve alongside them It is the first such major publication to assess the impact on local politics of this new office and fills a gap in our understanding of how the Local Government Act 2000 has influenced local governance The book also draws from a range of research that has focused on elected mayors in England and overseas to set out how the powers roles and responsibilities of mayors and mayoral councils would need to change if English local politics is to fundamentally reconnect with citizens It not only explores how English elected mayors are currently operating but how the office could develop and as such is a major contribution to the debate about the governance of the English localities

The Oxford Handbook of Political Representation in Liberal Democracies Robert Rohrschneider, Jacques Thomassen, 2020-07-28 The Handbook of Political Representation in Liberal Democracies offers a state of the art assessment of the functioning of political representation in liberal democracies In 34 chapters the world's leading scholars on the various aspects of political representation address eight broad themes The concept and theories of political representation its history and the main requisites for its development elite orientations and behavior descriptive representation party government and representation non electoral forms of political participation and how they relate to political representation the challenges to representative democracy originating from the growing importance of non majoritarian institutions and social media the rise of populism and its consequences for the functioning of representative democracy the challenge caused by economic and political globalization what does it mean for the functioning of political representation at the national level and is it possible to develop institutions of representative democracy at a level above the state that meet the normative criteria of representative democracy and are supported by the people The various chapters offer a comprehensive review of the literature on the various aspects of political representation The main organizing principle of the Handbook is the chain of political representation the chain connecting the interests and policy preferences of the people to public policy via political parties parliament and government Most of the chapters assessing the functioning of the chain of political representation and its various links are based on

original comparative political research Comparative research on political representation and its various subfields has developed dramatically over the last decades so that even ten years ago a Handbook like this would have looked totally different

Women, Quotas and Politics Drude Dahlerup, 2013-05-13 This is the first world wide comparative study of the controversial new trends of gender quotas now emerging in global politics presenting a comprehensive overview of changes in women s parliamentary representation across the world This is important reading for all those working to increase women s influence in politics because it scrutinizes under what circumstances gender quotas do increase women s representation and why they sometimes fail These distinguished international scholars also show how gender balance in politics has become important to a nation s international image and why quotas are being introduced in many post conflict countries They present key case studies of Afghanistan Iraq Argentina Sweden South Africa Belgium covering almost all major regions of the world Latin America Africa the Arab world South Asia the Balkans The Nordic countries and Europe New Zealand Australia and the USA and Rwanda which in 2003 unexpectedly surpassed Sweden as the number one country in the world in terms of women s parliamentary representation Using a comparative perspective this book contains analyses of the discursive controversies around quotas it gives an overview over various types of quotas in use from candidate quotas to reserved seat systems and it throws light over the troublesome implementation process When do gender quotas lead to actual increase in the number of women parliament When are quotas merely a symbolic gesture What does it imply to be elected as a quota woman Tackling these and many more key questions this is a major new contribution to the field Making an important contribution to our knowledge of gender politics worldwide this book will be of interest to NGOs students and scholars of democracy policy making comparative politics and gender studies

Representation and Democracy in the EU Richard Bellamy, Sandra Kröger, 2016-04-14 This book explores the various ways in which citizens are represented in EU policy making Most accounts naturally focus on the European Parliament as the prime source of democratic representation This collection focuses instead on four other channels that are as and often more important namely representation via governments national parliaments civil society organisations and directly via referenda Based on original research the book combines democratic theory with detailed empirical analysis to provide an innovative timely and up to date evaluation of the nature of representation in the EU Policy advisors practitioners and those scholars interested in democracy and the European Union will find this volume to be a valuable resource This book was published as a special issue of the Journal of European Integration

Social Control James J. Chriss, 2010-11-10 Explains and conceptualizes social control in its diversity This title includes treatments of informal control socialization group formation and the controls exerted in everyday life as well as medical control norms regarding health and illness particularly with regard to notions of normal behaviour

Rights-Based Community Practice and Academic Activism in a Turbulent World Jim Torczyner, 2020-12-20 Drawing on a theoretical model of coexistence premised on universality reciprocity and inclusion this book focusses on the development of academic social work programs

and cross border partnerships to promote social justice and peace in Israel Palestine and Jordan Using the model of rights based practice initiated by Professor Torczyner in Montreal and brought to the Middle East in the 1990s it shows how the creation and brokering of cross border partnerships added the concept of rights based practice to the lexicon of these countries established groundbreaking advocacy centers in the hearts of disadvantaged communities developed academic social work programs and initiated important policy changes in each country to reduce inequality and promote social inclusion Showing how this evolving method of rights based practice rooted in theories of coexistence was uniquely adapted in different contexts and cultures while negotiating complex volatile political environments it illustrates how long term peace can be advanced when like minded people irrespective of nationality or religion find ways to promote common interest and a regional culture where all people share the same rights This book will be of interest to all social work students and practitioners interested in community organization and rights based practice as well as scholars policy makers and practitioners of international development political science peace studies Jewish studies Middle Eastern studies reconciliation and conflict resolution

Politics of Representation Sudha Pai,Sukhadeo Thorat,2022-10-13 The book presents debates around the concept of representation and how these ideas apply to representation for selected disadvantaged groups in India It discusses empirical concerns and examines political representation of these disadvantaged groups in post independence India The experience of political representation of SCs STs the method of election role of political parties in providing representation role played by these groups in parliamentary institutions and the extent of their participation A second significant area the volume attempts to cover is representation of the Muslim minority in parliament and state assemblies and understanding the reasons for their under representation since independence and more particularly in recent years

Democracy in Eastern Asia Edmund S. K. Fung,Steven Drakeley,2013-11-20 With the Asian Century now upon us bringing with it many profound economic and political changes to the world order it is very timely to assess the state of democracy in the Asian region Focusing on Eastern Asia this book provides such a review highlighting lines of connections between the states and peoples of this complex and dynamic region Featuring chapters on China Japan Taiwan South Korea Hong Kong Indonesia Malaysia Singapore Thailand the Philippines Cambodia and Myanmar this book provides a detailed analysis of the state of democracy in each country or territory and shows how each is different and distinctive whilst simultaneously drawing out important similarities Further it provides up to date analysis of political changes in the region relating to the processes of democratization and in some cases to the ongoing quest for democracy Critically examining the current state of political development in the region the chapters explore the issues and problems that challenge the region s governments in terms of democratic transition democratic consolidation democratic improvement and good governance With contributions from leading international scholars this book will be of great interest to students and scholars interested in Asian politics and politics and democratization studies more broadly

Communism and the Emergence of Democracy

Harald Wydra, 2007-02-08 Before democracy becomes an institutionalised form of political authority the rupture with authoritarian forms of power causes deep uncertainty about power and outcomes This book connects the study of democratisation in eastern Europe and Russia to the emergence and crisis of communism Wydra argues that the communist past is not simply a legacy but needs to be seen as a social organism in gestation where critical events produce new expectations memories and symbols that influence meanings of democracy By examining a series of pivotal historical events he shows that democratisation is not just a matter of institutional design but rather a matter of consciousness and leadership under conditions of extreme and traumatic incivility Rather than adopting the opposition between non democratic and democratic Wydra argues that the communist experience must be central to the study of the emergence and nature of democracy in post communist countries

Politicians' Reading of Public Opinion and its Biases Stefaan Walgrave, Karolin Soontjens, Julie Sevenans, 2022-08-15 Examining a central assumption widely accepted as being crucial in making democracy work that politicians form a more or less accurate image of public opinion and take that perception into account when representing citizens Politicians Reading of Public Opinion and its Biases presents a paradox of representation On the one hand politicians invest enormously in reading public opinion They are committed to finding out what the people want and public opinion is a key consideration in many of their undertakings Yet on the other hand politicians perceptions of public opinion are surprisingly inaccurate Politicians are hardly better at estimating public opinion than ordinary citizens are Their perceptions are distorted by social projection in the sense that politicians own opinion affects their estimations and on top of that there seems to be a systematic right wing bias in these perceptions The findings imply that one of the main paths to responsive policy making is flawed Even though politicians do the best they can to learn about people s preferences skewed perceptions put them on the wrong track From a democratic perspective the central findings of the book are quite sobering The high hopes that many authors had with regard to politicians ability to adequately consult or sense public opinion appear to be vain The book puts forward a plausible driver of the slippage between the public and politics Politicians are less responsive to people s preferences than they could be not because they do not want to be responsive but because they base themselves on erroneous public opinion perceptions

Political Theory Andrew Heywood, Clayton Chin, 2023-02-23 While Western modern political thought has been a story of inclusion it has also been one of continued exclusion and new forms of political oppression and silencing This is why political theory is so necessary today Political thought is diverse From liberal theories laying out ideal democratic institutions to critical analyses of postcolonial settler states to conceptual analyses of the nature of freedom there are very different approaches topics and aims within the tradition of Western political theory What binds these diverse forms of thinking together How do they help us to understand political institutions life behaviour and events How do they help us to make decisions in the complex world of politics This book significantly revised and reconceptualized introduces you to the modern discipline of political theory in the Western tradition tackling its key debates

concepts problems and traditions What is the nature of political concepts What problems do they pose to thinkers and political actors How have modern political thinkers usually approached thinking about politics How has this been problematized in contemporary debates Has modern politics fundamentally ignored economically impoverished groups women indigenous peoples racialized groups and the natural environment How have ideas like freedom equality sovereignty and the state been conceptualized in the modern tradition What tensions has this given rise to Delving into topics as diverse as Maoism postcolonialism and white supremacy boxed features give you room to explore and expand in political theorising Focusing on the texts helps you deal with difficult texts and arguments Tradition introduces you to major approaches to political theory Thinker allows you to understand the contributions of major figures in political thought Thinking globally gives insight into how political theory is adapting to global interconnectedness Beyond the West makes you reflect on what can be learnt from non Western approaches Spanning the development of Western political thought from Thucydides through to John Rawls and beyond with a focus on Modern and contemporary debates this is an essential text for undergraduate and postgraduate courses on political thought and political philosophy

Democracy within Parties Reuven Y. Hazan, Gideon Rahat, 2010-07-01 Can too much participation harm democracy Democratic theory places great importance upon the conduct of elections but it is not often recognized that the electoral game takes place in two arenas not only between parties but also within them This pioneering book presents a new approach to understanding political parties It sheds light on the inner dynamics of party politics and offers the first comprehensive analysis of one of the most important processes any party undertakes its process of candidate selection Candidate selection methods are the mechanisms by which a party chooses its candidates for the general elections It may be the function that separates parties from other organizations For such an important function this field has certainly faced a dearth of serious investigation Hazan and Rahat the leading scholars on this topic conduct an in depth analysis of the consequences of different candidate selection methods on democracy This book is a culmination of almost two decades of research and defines the field of candidate selection Part I of the book delineates candidate selection methods based on four major dimensions candidacy the selectorate decentralization and voting versus appointment systems Part II analyses the political consequences of using different candidate selection methods according to four important aspects of democracy participation representation competition and responsiveness The book ends with a proposed candidate selection method that optimally balances all four of the democratic aspects concurrently and answers the question Is the most participatory candidate selection method necessarily the best one for democracy Comparative Politics is a series for students teachers and researchers of political science that deals with contemporary government and politics Global in scope books in the series are characterised by a stress on comparative analysis and strong methodological rigour The series is published in association with the European Consortium for Political Research For more information visit www.essex.ac.uk/ecpr The General Editor is Professor David M Farrell School of Politics and International Relations University

College Dublin *Concepts and Theories of Modern Democracy* Anthony H. Birch, 2002-01-04 The first aim of this text book is to define and examine the principle concepts that are employed when people write or argue about modern democratic politics to discuss the implications of using the concepts in this way or that and to examine the normative theories associated with the concepts A second purpose is to summarise methods of analysis used by political scientists and to discuss the controversies that have arisen about these methods with particular reference to attempts to create a science of politics

Civil Society in Democratization Peter Burnell, Peter Calvert, 2004-03 Featuring a broad range of perspectives on the democratic process this collection of essays explores the development of civil society and how civil societies manage democratic change around the world

Yeah, reviewing a book **Representation And Community In Western Democracies** could build up your close associates listings. This is just one of the solutions for you to be successful. As understood, capability does not suggest that you have extraordinary points.

Representation And Community In Western Democracies Introduction

In the digital age, access to information has become easier than ever before. The ability to download Representation And Community In Western Democracies has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Representation And Community In Western Democracies has opened up a world of possibilities. Downloading Representation And Community In Western Democracies provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Representation And Community In Western Democracies has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Representation And Community In Western Democracies. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Representation And Community In Western Democracies. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Representation And Community In Western Democracies, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites.

they are downloading from. In conclusion, the ability to download Representation And Community In Western Democracies has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Representation And Community In Western Democracies Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Representation And Community In Western Democracies is one of the best book in our library for free trial. We provide copy of Representation And Community In Western Democracies in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Representation And Community In Western Democracies. Where to download Representation And Community In Western Democracies online for free? Are you looking for Representation And Community In Western Democracies PDF? This is definitely going to save you time and cash in something you should think about.
