Representing Religion in the European Union Lucian N. Leustean, 2012-08-21 Religious actors are becoming part of the EU bureaucratic system and their mobilisation in Brussels and Strasbourg in the last decade has increased dramatically This book explores the mechanism and impact of religious representation by examining relations between religious practitioners and politicians in the European Union from the Second World War until today This book seeks to answer the following questions How do trans national religious groups enter into contact with European institutions What are the rationale and the mechanisms of religious representation in the European Union How are religious values transposed into political strategies What impact has relations between religious practitioners EU officials and politicians on the construction of the European Union Examining religious representation at the state transnational and institutional levels this volume demonstrates that faith is becoming an increasingly important element of the decision making process It includes chapters written by both academics and religious practitioners in dialogue with European institutions and will be of great interest to students and scholars of European politics history sociology of religion law and international relations

Lobbying the European Union David Coen, Jeremy Richardson, 2009-06-04 Seeking to understand the role of interest groups in the policy process from agenda setting to implementation in the EU this book contains details of processes of institutional and actor learning professionalisation of lobbying and the possible emergence of a distinct EU public policy style

Functional and Territorial Interest Representation in the EU Michèle Knodt, Christine Quittkat, Justin Greenwood, 2014-07-16 Despite a substantial legacy of literature on EU interest representation there is no systematic analysis available on whether a European model of interest representation in EU governance is detectable across functional and territorial categories of actors Functional actors include associations for business interests the professions and trade unions as well as NGOs and social movements territorial based entities include public actors such as regional and local government as well as actors primarily organised at territorial level What are the similarities and differences between territorial and functional based entities and are the similarities greater than the differences Are the differences sufficient to justify the use of different analytical tools Are the differences within these categories more significant than those across them Is there a professionalised European lobbying class across all actor types Does national embeddedness make a difference Which factors explain the success of actors to participate in European governance This book was originally published as special issue of Journal of European Integration

EU Lobbying: Empirical and Theoretical Studies David Coen, 2013-10-31 EU Lobbying Empirical and Theoretical studies offers an analysis of large empirical studies of interest group politics and Lobbying in Europe Recognising the continued European economic integration globalisation and the changing role of the state it observes significant adaptations in interest mobilisation and strategic behaviour This book assesses the logic of collective and direct action the logic of access and influence the logic of

venue shopping and alliance building It addresses specific issues such as the emergence of elite pluralism in EU institutions the pump priming of political action by EU institutions and the growing political sophistication of private and public interests in Brussels Through these issues the book explores how interest groups lobby different European institutions along the policy process and how the nature of policy dictates the style and level of lobbying This book was previously published as a special issue of Journal of European Public Policy European Union in the Global Context Simon Sweeney,2023-12-22 European Union in the Global Context explores the interplay between the state and state sovereignty nationalism European integration and globalisation It provides essential foundations in these areas while using stimulating arguments to prompt discussion and provoke interest in the relationships between these processes It critically analyses the challenges faced by the EU from the contemporary political and economic dynamics of globalisation IPE including trading relationships set through the WTO and bilateral relations with emerging markets especially the BRICS economies Likewise pressures from within such as a resurgence of nationalism localisation anti austerity politics and Euroscepticism are examined While the Union is fundamentally challenged by pressures from above and below and by its own internal dysfunction it remains central to the effective management of the international political economy European Union in the Global Context is a lively focused and engaging text incorporating anecdotes and contemporary arguments and presenting different perspectives on European integration and globalisation It will be of key interest to students of European Politics European Studies European Union Studies and more broadly global political economy foreign and security policy and international relations **Laboring for Rights** Gerald Hunt,2009 A global look at labor unions and sexual minorities **The Effectiveness of European Union Environmental Policy** W. Grant,D. Matthews,P. Newell,2000-10-25 Several hundred directives on environmental policy have been produced by the European Union What impact has the output of the legislative factory had After considering how decisions on environmental policy in the EU are made and the balance of power between business and environmental interests this book draws on the specialist expertise of the authors to look in depth at the areas of global warming water pollution and air pollution Politics in the European Union Ian Bache,Stephen George,Simon Bulmer,2011-02-17 This is an account of the main developments in the process of European integration It provides coverage of theory history member states institutions and policies drawing on academic debates including issues of legitimacy and globalisation Interest Mediation and Policy Formulation in the European Union Olga Schenk,2013 Inside the EU Business Associations J. Greenwood,2001-12-05 Whilst actions by business interests are widely acknowledged to be a central mechanism of European integration the capacity of formal groups which represent them to contribute meaningfully to the integration process is little understood Based on original research with 50 EU business associations and 150 of their members this unique book assesses the effectiveness of EU business associations and their potential to bring value to the EU policy making process and to their members and lends a methodology by which they can be evaluated *The European Union* Ingeborg Toemmel,2017-08-24

The European Union affects the lives of Europeans in many and varied ways yet in spite of its reach it often appears a constrained political system struggling for internal consensus reliant on the agreement of national governments and hampered by the scepticism of electorates These issues have become even more acute in the wake of the global economic and eurozone crises This new text provides a concise and up to date introduction to the nature of the European Union giving an account of its evolution and structure that makes sense of its current challenges The text analyses the EU s institutional structure and decision making procedures and highlights the manifold conflicts as well as the sophisticated mechanisms for consensus building among the core institutions It explains the ways in which the EU differs from other forms of political order and how this leads to political processes that are characterized by cooperation and conflict In providing this context the author invites readers to a critical assessment of the functioning of the European Union and of the implications of this for its democratic legitimacy and future prospects Denmark and the European Union Lee Miles,Anders Wivel,2013-07-31

This book offers an accessible coherent and comprehensive analysis of the recent contemporary and future challenges and possibilities facing Denmark in the European integration process The book traces the formal as well as the informal ways of influence and adaptation in Denmark s relations with the European Union In doing so it also offers a contribution to our understanding of Europe as a differentiated political arena Topics covered include Identifying the challenges and opportunities of Danish EU membership via the policies pursued by Denmark in Europe The ways in which Denmark adapts to the European integration process Consequences of EU integration for citizen rights democracy policy coordination and implementation efficiency Denmark and the European Union will be of interest to students and scholars of European Union and integration politics Decision-Making in the European Union John Peterson,Elizabeth Bomberg,1999-05-25

Based on exhaustive research this book explains how the European Union makes decisions in seven major policy sectors Written in a clear user friendly style it brings the EU alive for a student and non specialist audience The book s central themes are that informal norms often matter more than formal rules agency often matters more than structure and abrupt change often punctuates deadlock It offers a theoretically based introduction to the lively humorous and fascinating politics of a unique experiment in modern governance **Parliaments and Pressure Groups in Western Europe** Philip Norton,2012-12-06

Pressure groups are fundamental to pluralist societies But what is the relationship between those groups and parliaments This work explores the links between parliaments and pressure groups assessing the extent and impact of the contact that occurs Is pressure group activity beneficial to parliament And what are the implications for the political system
