Representing Men Maleness And Masculinity In The Media:

Representing Men Kenneth MacKinnon, 2003 Arguing that several aspects of masculinity are in fact ideals rather than realities created and reinforced by the mass media Kenneth MacKinnon alerts readers to the processes and purposes of such media representations and blatant manipulation *The Media and the Models of Masculinity* Mark Moss, 2012-07-10 Mark Moss's *The Media and the Models of Masculinity* details the impact that the mass media has upon men's sense of identity style and deportment From advertising to television shows mass consumer culture defines and identifies how men select and sort what is fashionable and acceptable Utilizing a large mine of mediated imagery men and boys construct and define how to dress act and comport themselves By engaging critical discussions on everything from fashion to domestic space to sports and beyond readers are privy to a modern and fascinating account of the diverse and dominant perceptions of and on Western masculine culture Historical tropes and models are especially important in this construction and influence and impact contemporary variations *The Handbook of Gender, Sex, and Media* Karen Ross, 2013-12-04 *The Handbook of Gender Sex and Media* offers original insights into the complex set of relations which exist between gender sex sexualities and the media and in doing so showcases new research at the forefront of media and communication practice and theory Brings together a collection of new cutting edge research exploring a number of different facets of the broad relationship between gender and media Moves beyond associating gender with man woman and instead considers the relationship between the construction of gender norms biological sex and the mediation of sex and sexuality Offers genuinely new insights into the complicated and complex set of relations which exist between gender sex sexualities and the media Essay topics range from the continuing sexism of TV advertising to ways in which the internet is facilitating the re-invention of our sexual selves **Reading Media Theory** Brett Mills, David M. Barlow, 2014-06-11 What does the Frankfurt School have to say about the creative industries Does the spread of Google prove we now live in an information society How is Madonna an example of postmodernism How new is new media Does the power of Facebook mean we're all media makers now This groundbreaking volume part reader part textbook helps you to engage thoroughly with some of the major voices that have come to define the landscape of theory in media studies from the public sphere to postmodernism from mass communication theory to media effects from production to reception and beyond But much more than this by providing assistance and questions directly alongside the readings it crucially helps you develop the skills necessary to become a critical informed and analytical reader Each reading is supported on the facing page by author annotations which provide comments dissect the arguments explain key ideas and terminology make references to other relevant material and pose questions that emerge from the text Key features Opening chapters What is theory and What is reading bring alive the importance of both as key parts of media scholarship Pre-reading substantial Introductory sections set each text and its author in context and show the relevance of the reading to contemporary culture Post-reading Reflection sections summarise each reading's key points and

suggests further areas to explore and think about 4 types of annotations help you engage with the reading context content structure and writing style as well as questions to provoke further thought Split into 4 sections Reading theory Key thinkers and schools Approaches and Media Theory in context New to the second edition New chapters on New Media and Audiences as Producers Reading Media Theory will assist you in developing close reading and analytic skills It will also increase your ability to outline key theories and debates assess different case studies critically link theoretical approaches to a particular historical context and to structure and present an argument As such it will be essential reading for undergraduate and postgraduate students of media studies cultural studies communication studies the sociology of the media popular culture and other related subjects

Contemporary Hollywood Masculinities Susanne Kord, Elisabeth Krimmer, 2013-12-04 Kord and Krimmer investigate the most common male types cops killers fathers cowboys superheroes spies soldiers rogues lovers and losers by tracing changing concepts of masculinity in popular Hollywood blockbusters from 1992 to 2008 the Clinton and Bush eras against a backdrop of contemporary political events social developments and popular American myths Their in depth analysis of over sixty films from The Matrix and Iron Man to Pirates of the Caribbean and The Lord of the Rings shows that movies far from being mere entertainment respond directly to today's social and political realities from consumerism to family values to the War on Terror

NEW HEROES ON SCREEN Rocío Carrasco Carrasco, 2018-04-16 This book analyses the representation of new models of masculinity in US recent science fiction cinema By examining the figure of the new hero a male protagonist with visible unconventional features it explores new ways of gender representation on screen Lynch's Dune 1984 and the Wachowsky brothers The Matrix 1999 share many traits concerning gender representation and offer the type of the androgynous hero who stands for innovative prototypes of masculinity As a result of these films analysis the book uncovers the tangible controversy in current US society about gender tolerance

Acts of Manhood K. Kippola, 2012-08-20 Exploring the performance of masculinity on and off the nineteenth century American stage this book looks at the shift from the passionate muscularity to intellectual restraint as not a linear journey toward national refinement but a multitude of masculinities fighting simultaneously for dominance and recognition

Gender and the Media Rosalind Gill, 2015-10-02 Written in a clear and accessible style with lots of examples from Anglo American media Gender and the Media offers a critical introduction to the study of gender in the media and an up to date assessment of the key issues and debates Eschewing a straightforwardly positive or negative assessment the book explores the contradictory character of contemporary gender representations where confident expressions of girl power sit alongside reports of epidemic levels of anorexia among young women moral panics about the

impact on men of idealized representations of the six pack but near silence about the pervasive re sexualization of women's bodies along with a growing use of irony and playfulness that render critique extremely difficult The book looks in depth at five areas of media talk shows magazines news advertising and contemporary screen and paperback romances to examine how representations of women and men are changing in the twenty first century partly in response to feminist queer and anti racist critique Gender and the Media is also concerned with the theoretical tools available for analysing representations A range of approaches from semiotics to postcolonial theory are discussed and Gill asks how useful notions such as objectification backlash and positive images are for making sense of gender in today's Western media Finally Gender and the Media also raises questions about cultural politics namely what forms of critique and intervention are effective at a moment when ironic quotation marks seem to protect much media content from criticism and when much media content from Sex and the City to revenge adverts can be labelled postfeminist This is a book that will be of particular interest to students and scholars in gender and media studies as well as those in sociology and cultural studies more generally
