## **Republican Germany:**

*The Republican Tradition in Europe* H. A. L. Fisher, 2013-06-17 First published in 1911 this pioneering and ambitious work provides a history of the evolution of republican thought and practice in Europe from the fall of the Roman Empire to the beginning of the twentieth century Based a series of lectures delivered by the author at Lowell Institute in 1910 this is a comprehensive treatment of the subject which moves deftly from the political thought of the middle ages through to the rise of Protestantism the wave of revolution across Europe in the eighteenth and nineteenth centuries concluding with an analysis of the republican cause and the permanence of the Republican idea in the consciousness of Europe **Republican**

**Germany** Hugh Quigley, Robert Thomson Clark, Robert Thomson Clarke, 1968 **U.S. Army Area Handbook for Germany** Norman C. Walpole, 1964 **Weimar Germany's Left-Wing Intellectuals** Istvan Deak, 2024-03-29 The Germany between the two world wars which produced some of the greatest literary lights of the century also produced a forum worthy of them the brilliantly edited crusading left oriented but not party affiliated *Weltbühne* The present book tells the history of this weekly Berlin journal discusses the men that ran it and wrote it and outlines the causes for which it fought The *Weltbühne* had three editors the uncompromising style conscious Siegfried Jacobsohn the sharp tongued satirical Kurt Tucholsky and the enigmatic aristocratic Carl von Ossietzky martyred by the Nazis The radical intellectual elite of Germany and to some extent outside Germany contributed to the journal Heinrich Mann Alfred Polgar Erich Kästner Alfred Döblin Bertolt Brecht Leonhard Frank Theodor Plievier René Schickele Lion Feuchtwanger Ernst Toller Arnold Zweig also Arthur Koestler Romain Rolland Henry Barbusse and Leon Trotsky These men stood for the demilitarization of Germany the purge of the reactionary administration and judiciary the end of all restraints on human rights including the restraints on abortion and homosexuality complete equality of women pacifist educational policies the intellectualization of politics and politicization of the intellectuals unity of the working class parties and socialism When on May 11 1933 on Opera Square in Berlin the stormtroopers burned books of fifteen authors sinning against the German Volk thirteen of them had made contribution to the *Weltbühne* and since many of them were Jews the auto da f gave special pleasure to the mob Mr Deak recreates with unusual empathy the atmosphere of the era characterized by terrific social and political issues which eventually lead to the disaster of the Thirties The campaigns of the *Weltbühne* failed and the contributors were killed or went into exile with the journal itself moving from Berlin to Vienna to Prague to Paris before it died Mr Deak makes a lasting contribution to history by opening to a broader public the records preserved in the pages of this important but largely ignored journal by selecting and interpreting the issues and by bringing to life the personalities that gave the era its intellectual profile And understanding of the *Weltbühne* campaigns is indispensable for an appraisal of Central European politics in the first half of our century Mr Deak in this readable book written with the passionate interest of a person who seems to have been a participant rather than a chronicler makes this understanding possible by a lucid exposition and a searching analysis of the events This title is part

of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1968

**Making American Industry Safe for Democracy** Jeffrey Haydu, 1997 In *Making American Industry Safe for Democracy* a work of historical sociology Jeffrey Haydu explores how basic political and economic relationships were restabilized in the aftermath of the war Haydu compares U S efforts to reconstruct an open shop regime that excluded trade unions with the reform of industrial relations in Britain and Germany Then he compares industries within the United States and traces the extraordinarily complex manner in which prewar class relations and wartime crisis led the state to restructure employee representation In this important study of new strategies for managing work and conflict that were emerging by the 1920s the author also forces us to reassess the role of organization in shaping working class mobilization and protest

**Germany, 1871-1945** Raffael Scheck, 2008-11-15 At the end of the Second World War the first unified German state collapsed a disintegration with European and global ramifications Ever since historians have sought to explain what went wrong in German history Many have focused on the violence which forged unification others have highlighted the clash of authoritarian anti democratic and anti Semitic traditions with rapid industrialization and modernization Germany 1871 1945 presents a pragmatic interpretation of German history from the unification to the end of the Nazi regime This more open approach acknowledges the strong trend in German society towards modernization and democratization particularly before 1914 while also highlighting the factors which propelled Germany toward World War I The rise of the Nazis also demands a close analysis of the economic and political instability of the 1920s and early 1930s Finally a detailed assessment of the Third Reich explains how the regime's early successes fostered a loyalty and acceptance that remained hard to shake until disaster was obvious and unavoidable

*FDR's Republicans* Robert E. Jenner, 2010-01-01 *FDR's Republicans* illuminates the debate over foreign policy that took place in the United States prior to World War II Robert E Jenner approaches this issue from the perspective of Republican members of the House and Senate who eventually came to support the interventionist position of a Democratic president Unlike other diplomatic histories of this period *FDR's Republicans* focuses on domestic components of the foreign policy debate combining historical analysis and political theory Jenner recounts the Republican Party's internationalist roots under McKinley the split of 1912 and the defeat of the League of Nations in deference to its agrarian progressive wing Taking both a local and national approach he provides in depth analysis of the party's reaction to the FDR landslides of 1932 and 1936 the party's resurgence in 1938 *FDR's* aggressive defense of the New Deal and the decline of the party's agrarian progressive faction The result is a broader explanation of the battle that raged between isolationists and interventionists as well as the failure of policy makers to deter fascism at an earlier date

**The Third Reich Sourcebook** Anson Rabinbach, Sander L. Gilman, 2013-07-10 This book is a collection of documents mostly translated from the German

that covers the entire Third Reich from the beginnings of National Socialism in Munich in 1919 through the rise of Nazism in the 1930s and ultimately the defeat of the Third Reich. It is wide ranging covering the core doctrine of anti-Semitism, education, German youth, women and marriage, science, health, the Church, literature, visual arts, music, the body, industry, sports and the resistance. *The United States and Germany* Manfred Jonas, 2018-08-06. In this clearly written and scrupulously researched book, Manfred Jonas tells the story of relations between the two countries from America's Declaration of Independence in 1776 to the Nixon administration's recognition of the German Democratic Republic in 1973. *Germany from Empire to Ruin, 1913-1945* Henry Cord Meyer, 1973-06-18. *Max Weber and German Politics, 1890-1920* Wolfgang J. Mommsen, 1990-07-25. A major work of German historiography, this comprehensive account of Weber's political views and activities reveals that paradoxically Weber was at once an ardent liberal and a determined German nationalist and imperialist. Wolfgang J. Mommsen shows the important links between these seemingly conflicting positions and provides a critique of Weber's sociology of power and his concept of democratic rule. First published in German in 1959, *Max Weber and German Politics* appeared in a revised edition in 1974 and became available in an English translation only in 1984. In writing this work, Mommsen drew extensively on Weber's published and unpublished essays, newspaper articles, memoranda, and correspondence. **The Fortnightly**, 1927. **German Social Democracy and the Rise of Nazism** Donna Harsch, 2000-11-09. *German Social Democracy and the Rise of Nazism* explores the failure of Germany's largest political party to stave off the Nazi threat to the Weimar republic. In 1928, members of the Social Democratic Party (SPD) were elected to the chancellorship and thousands of state and municipal offices. But despite the party's apparent strengths in 1933, Social Democracy succumbed to Nazi power without a fight. Previous scholarship has blamed this reversal of fortune on bureaucratic paralysis, but in this revisionist evaluation, Donna Harsch argues that the party's internal dynamics immobilized the SPD. Harsch looks closely at Social Democratic ideology, structure, and political culture, examining how each impinged upon the party's response to economic disaster, parliamentary crisis, and the Nazis. She considers political and organizational interplay within the SPD as well as interaction between the party, the Socialist trade unions, and the republican defense league. Conceding that lethargy and conservatism hampered the SPD, Harsch focuses on strikingly inventive ideas put forward by various Social Democrats to address the republic's crisis. She shows how the unresolved competition among these proposals blocked innovations that might have thwarted Nazism. Originally published in 1993, *A UNC Press Enduring Edition*. UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original and are presented in affordable paperback formats, bringing readers both historical and cultural value. **The Anschluss Movement, 1918-1919, and the Paris Peace Conference** Alfred D. Low, 1974. *Wilhelminism and Its Legacies* Hartmut Pogge von Strandmann, 2003. What was distinctive and distinctively modern about German society and politics in the age of Kaiser

Wilhelm II In addressing this question these essays assemble cutting edge research by fourteen international scholars Based on evidence of an explicit and self confidently bourgeois formation in German public culture the contributors suggest new ways of interpreting its reformist potential and advance alternative readings of German political history before 1914 While proposing a more measured understanding of Wilhelmine Germany s extraordinarily dynamic society they also grapple with the ambivalent cross cutting nature of German modernities and reassess their impact on long term developments running through the Wilhelmine age *Churchill and de Gaulle* Will Morrissey,2014-11-20 This powerful book provides a nuanced comparison of Winston Churchill and Charles de Gaulle as they thought spoke and acted through two world wars and the subsequent Cold War Will Morrissey frames geopolitics as the realm of necessity and his book will help those who want to learn the art of statesmanship from two of its most accomplished practitioners Morrissey credits their success in defending political liberty to their ability to frame successful geopolitical strategies As leaders in and out of power they defended their countries against the rising superpowers of the twentieth century the tyrannies of Germany and the Soviet Union but also in a different way the challenge of America s rise to worldwide stature and eventual dominance Along with these similarities there were two crucial differences Churchill stood at the head of a maritime nation while de Gaulle led a land power situated on the dangerous northern European plain Churchill enjoyed a stable political foundation and concentrated his attention on its defense while de Gaulle needed first to build such a foundation even as he defended ill founded regimes Both leaders understood their supreme task to be the protection of their citizens as civil or political beings who should not be subject to tyranny Although geopolitics focuses the attention of statesmen on political realities Churchill and de Gaulle showed how moral principle and prudence can continue to widen the scope of human liberty Although the world is vastly different today this nuanced book shows how thinking along with these giants of the twentieth century as they responded to the crises of their own time will make us more thoughtful citizens now and in the future **Current History and Forum ...** ,1924

**1923** Mark William Jones,2023-08-29 How Germany s fledgling democracy nearly collapsed in 1923 and how pro democracy forces fought back In 1923 the Weimar Republic faced a series of crises including foreign occupation of its industrial heartland rampant inflation radical violence and finally Hitler s infamous beer hall putsch Fanning the flames of anti government and anti Semitic sentiment the Nazis tried to violently seize power in Munich only failing after they were abandoned by like minded conservatives In 1923 historian Mark William Jones draws on new research to offer a revealing portrait of German politics and society in this turbulent year Tracing Hitler s early rise Jones reveals how political pragmatism and unprecedented international cooperation with the West brought Germany out of its crisis year Although Germany would succumb to tyranny a decade later the story of the republic s survival in 1923 offers essential lessons to anyone concerned about the future of democracy today **Readers' Guide to Periodical Literature** ,1922

**Republicanism and Liberalism in America and the German States, 1750-1850** Jürgen Heideking,James A.

Henretta, 2002-04-08 Republicanism and Liberalism in America and the German States represents the cooperative effort of a group of American and German scholars to move the historical debate on Republicanism and Liberalism to a new stage. Previously the relationship between Republican and Liberal ideas, concepts, and world views has been discussed in the context of American revolutionary and late eighteenth century history. While the German states did not experience successful revolutions like those in North America and France, Republican and Liberal ideas and language deeply affected German political thinking and culture, especially in the southern states. The essays published in this book expand the time frame of the debate into the first half of the nineteenth century, applying an innovative and comparative German American perspective. By systematically studying the similarities and differences in the understanding of Republicanism and Liberalism in the United States and German states, the collection stimulates efforts toward a comprehensive interpretation of political, intellectual, and social developments in the modernizing Atlantic world of the eighteenth and nineteenth centuries.

The Engaging Realm of E-book Books: A Detailed Guide Revealing the Advantages of Kindle Books: A Realm of Ease and Versatility E-book books, with their inherent portability and simplicity of availability, have liberated readers from the constraints of hardcopy books. Gone are the days of carrying cumbersome novels or carefully searching for specific titles in shops. Kindle devices, sleek and lightweight, seamlessly store an wide library of books, allowing readers to immerse in their favorite reads anytime, anywhere. Whether commuting on a busy train, relaxing on a sunny beach, or just cozying up in bed, E-book books provide an unparalleled level of convenience. A Reading World Unfolded: Discovering the Vast Array of Kindle Republican Germany Republican Germany The Kindle Store, a virtual treasure trove of bookish gems, boasts an extensive collection of books spanning diverse genres, catering to every readers taste and choice. From gripping fiction and thought-provoking non-fiction to timeless classics and contemporary bestsellers, the Kindle Shop offers an unparalleled variety of titles to explore. ### Republican Germany Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to

historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Republican Germany free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Republican Germany free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Republican Germany free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Republican Germany. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Republican Germany any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Republican Germany Books**

1. Where can I buy Republican Germany books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and

- independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
