Annals of the Stupid Party Clyde Norman Wilson,2016-10-07 IN THIS INSTALLMENT OF THE WILSON FILES we turn our attention to Dr Clyde Wilson s writings on the Grand Old Party For several decades Wilson has been prolifically combating the widespread delusion that the Republicans represent a conservative bulwark against leftist revolution In its entire history of a century and a half Wilson writes the Republican Party has never conserved anything It has never had as a goal the intention of conserving anything worthwhile Republican leaders have not only failed their voters they have actively swindled them As the author conclusively shows today the party is not a political party at all It is an electioneering machine to promote its leaders into positions of power and perks Having no principles it cannot function as an opposition party as revealed in a total lack of effectiveness against the revolutionary Obama presidency In 2014 Wilson predicted that grassroots disaffection might lead to the rise of a maverick candidate If such a candidate is wise brave and somehow able to communicate with the people over the massive jamming of the media he might accomplish the wrecking of the Republican Elite which would be a great service to the restoration of good government Enter Donald Trump Will the twin Republican and Democratic elites succeed in killing off the people s insurgency This question will remain whatever the result of the November election The Republican Party is a poor weapon for what needs to be done unless it is radically reformed as Wilson demonstrates in his devastating history of the Stupid Party **The Republicans** Lewis L. Gould,2014-08-29 Lewis L Gould s 2003 history of the Republican Party was a fast paced account of Republican fortunes The Republicans won praise for its even handed incisive analysis of Republican history drawing on Gould s deep knowledge of the evolution of national political history and acute feel for the interplay of personalities and ideology In this revised and updated edition Gould extends this
