## **Republican Like Me A Diary Of My Presidential Campaign:**

**Republican Like Me** Sparrow (American poet),1998 Forgive all debts free the slaves was his campaign promise He unveiled shocking proof Lincoln was a Marxist How could Sparrow not have beaten Dole for the 96 GOP nomination Find out in **Republican Like Me** a hilarious document of the vociferous and impassioned campaign trail of a socialist poet Saints of Hysteria David Trinidad,Denise Duhamel,Maureen Seaton,2007-03-06 Collaborative poetry poems written by one or more people grew out of word games played by French surrealists in the 1920s It was taken up a decade later by Japan s Vou Club and then by Charles Henri Ford who created the chainpoem composed by poets who mailed their lines all over the world After WW II the Beat writers collaborative experiments resulted in the famous Pull My Daisy The concept was embraced in the 1970s by feminist poets as a way to find a collective female voice Yet for all its rich history virtually no collections of collaborative poetry exist This exhilarating anthology remedies the omission Featured are poems by two four even as many as 18 people in a dizzying array of forms villanelles to ghazals sonnets to somonkas pantoums to haiku even quizzes questionnaires and other nonliterary forms Collaborators notes accompany many of the poems giving a fascinating glimpse into the creative process Intermission Tracie Morris,1998 Poetry African American Studies Tracie Morris has held Championship Titles in both the Nuyorican Grand Slam and the National Haiku Slam Across these United States of Poetry she is one of the most unforgettable improvisational harmelodic poets working today Drawn to what I like Can a deer stop headlights Power is blinding The Current Color These short pieces are street smart as well as book smart at once visionary and down to earth Tracie Morris is a step into the next century the verse of the new millennium in sight Miguel Algarin

**Poetry Project** ,2006 **Presidential Campaign Activities of 1972, Senate Resolution 60** United States. Congress. Senate. Select Committee on Presidential Campaign Activities,1973 The Last Lincoln Republican Benjamin T. Arrington,2023-06-16 Of all the great what if scenarios in American history the aftermath of the presidential election of 1880 stands out as one of the most tantalizing The end of the Civil War and the assassination of Abraham Lincoln had thrown the future of Lincoln s vision for the country into considerable doubt the years that followed marked by impeachment constitutional change presidential scandals and the contested election of 1876 saw Republicans fighting to retain power as they transitioned into the party of big business Enter James A Garfield a seasoned politician known for his advocacy of civil rights who represented the last potential Reconstruction presidency truly Benjamin T Arrington suggests in this book the last Lincoln Republican The story of the presidential election of 1880 fully explored for the first time in The Last Lincoln Republican is a political drama of lasting consequence and dashed possibilities A fierce opponent of slavery before the war Garfield had fought for civil rights for African Americans for years in Congress Holding true to the original values of the Republican Party Garfield wanted to promote equal opportunity for all meanwhile Democrats led by Winfield Scott Hancock sought to return the South to white supremacy and an inferior status for African Americans With its in depth account of the

personalities and issues at play in 1880 Arrington's book provides a unique perspective on how this critical election continues to resonate through our national politics and culture to this day A close look at the contest of 1880 reveals that Garfield's victory could have been the start of a period of greater civil rights legislation a continuation of Lincoln's vision This was the choice made by the American people and as The Last Lincoln Republican makes poignantly clear the great opportunity forever lost when Garfield was assassinated just a few months into his term

**Document Zippo** L. A. Ruocco,1998 An exploding plastic narrative expands into lexicon and contracts back again Like Ambrose Bierce Devil's Dictionary L A Ruocco establishes an onomasticon hard at work in the fields of consumerism language and dread

**Congressional Record** United States. Congress,1908 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873

**Annals of the American Academy of Political and Social Science** ,1915 [Access](#) ,1998

**Metafolklore** Alexander V. Avakov,2012-12 The book is organized in Folklore Units Each Folklore Unit has Context and may have one or more Metacontexts with citations of works of great philosophers or writers hence the title of the book is Metafolklore The book covers the life of immigrants from the USSR in the U S remembers life in Russia and gradually concentrates on the modus operandi of the KGB FBI CIA NYPD NSA ECHELON Foreign Intelligence Surveillance Court AI and ISI It covers frontiers of legal theory of surveillance What distinguishes this book is the intensely personal account of the events and issues

**Presidential Records Act of 1978** United States. Congress. House. Committee on Government Operations. Subcommittee on Government Information and Individual Rights,1978

**Trying to Save Piggy Sneed** John Irving,2016-02-02 A commemorative hardcover edition of the only collection ever published of the celebrated novelist's shorter works Here is a treat for devoted fans of John Irving First published twenty years ago Trying to Save Piggy Sneed contains a dozen short works by the author beginning with three memoirs The longest of the memoirs is The Imaginary Girlfriend his candid account of his twin careers in writing and wrestling which as the Denver Post observed is filled with anecdotes that are every bit as hilarious as the antics in his novels and combines the lessons of both obsessions The middle portion of the book is fiction Over a career that spans thirteen novels these are the six stories that Mr Irving considers finished Among them is Interior Space for which he won the O Henry Award In the third and final section are three homages one to G nter Grass and two to Charles Dickens To each of the twelve pieces he has contributed author's notes which provide some perspective on the circumstances surrounding the writing of each piece For readers who prefer a hardcover this commemorative edition is a book to treasure For new readers it is a perfect introduction to the author of works as moving and mischievous as The World According to Garp A Prayer for Owen Meany and In One Person Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a

broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

Genders 24 Ann Kibbey, 1996-11 In these spirited and powerfully written essays a new generation of intellectuals makes its mark challenging conservatives and liberals alike to chart a new course for a responsible politics in contemporary society A new intellectual movement on the left emerges here No longer trapped by the old polarizing antagonism between Marxism and feminism these authors demonstrate as never before the need for an awareness of gender as it affects every aspect of our society At the same time these paradigmatic essays map out a new terrain for feminist thinking one that fully recognizes the complex workings of gender and leaves oppositional feminism far behind In the keynote essay Ambivalence as Alibi Rosemary Hennessy challenges the most basic assumptions of postmodern sophistication to forge a compelling synthesis of political economic and artistic theory Betty Joseph Jennifer Brody and Poonam Pillai break through the shibboleths of Western liberal tolerance to describe gender inequalities that are intrinsically inter cultural Eileen Cleere demonstrates that novels are an important source for understanding how people interpret the economic conditions in which they live linking social history and literary criticism in a provocative new way Bridget Elliott uncovers the unusual social and artistic imagination of Marie Laurencin an artist who was both working class and avant garde and who makes us rethink basic assumptions of artistic form in the visual representation of women Laura Lyons analyzing the no wash protest among IRA prisoners discovers a new kind of political protest that draws on performance art and the discourse of the body for its political symbolism And Joseph Litvak in a highly suggestive critical reading makes us wonder if the New Historicism may possibly owe its greatest debt to the charming young men of Jane Austen's fictitious world go to the Genders website

*The American Presidents* Melvin I. Urofsky, 2004-11-23 What makes a president great Here is the ideal source for students scholars and the general public The American Presidents is a collection of articles that analyze and evaluate the presidential careers of the men who have occupied the office since its inception in 1789 In this volume the leading presidential historians in the United States offer insights into what makes a president great mediocre or in the case of most of them something in between The contributors to The American Presidents were not asked to write straightforward biographies of the presidents other sources are available for that Rather they were asked to evaluate their subjects No strict patterns were imposed by the editor each author approached his or her subject in the way that best illustrated the strengths and weaknesses of the president under consideration Forty one have held the office of president and all in one way or another were exceptional men Some like Andrew Jackson and Harry Truman are usually thought of as representing the common folk but nothing was common about either of them Each proved to be an extraordinary and

singular politician able to rally and represent the country through the challenges of their times Some presidents had achieved brilliance in other fields Ulysses Grant in the military and Herbert Hoover as an engineer and humanitarian for example but had presidencies that are considered unsuccessful What accounts for this seeming paradox in which insight sensitivity and competence suddenly become nontransferable when the man reaches the White House This book offers the reader multiple perspectives on this and other issues Examination of the ways in which challenges affect presidential greatness Theodore Roosevelt a successful president by any standard was acutely aware that the prosperity and peace the country enjoyed during his two terms in office would ironically prevent him from reaching the upper tier of greatness enjoyed by Washington and Lincoln After he left office he yearned to return in hope of finding the challenge that would seal his greatness Earlier in the late nineteenth century the electorate placed competent men such as Rutherford B Hayes Grover Cleveland and Benjamin Harrison in the White House but they are little remembered today None faced earth shaking challenges at home and abroad and their presidencies slipped into obscurity Discussion of personal characteristics and presidential performance For more than two centuries the presidency has proved a remarkably durable institution Presidential personalities have varied widely from the patrician aloofness of Washington to the moody introspection of Lincoln to the noisy exuberance of Theodore Roosevelt The articles in *The American Presidents* consider the ways in which personality has affected performance Special features 41 signed essays by the leading experts illustrated with portraits of the presidents Selected bibliographies At a glance summaries of each president's achievements Useful charts and tables on cabinet members first ladies and vice presidents from Washington to Clinton Addresses and Web sites for major presidential libraries

**Australian Political Lives** John Nethercote, Tracey Arklay, John Wanna, 2006-10-01 This monograph brings together some of the best practitioners of the art and craft of political biography in Australia They are simultaneously some of our best scholars who at least in part have turned their attention to writing Australian political lives They are not merely chroniclers of our times but multidisciplinary analysts constructing layers of explanation and theoretical insight They include academic professional and amateur biographers scholars from a range of disciplines politics history sociology public administration gender studies and politicians who for a time strutted the political stage The assembled papers explore the strengths and weaknesses of the biographical approach the enjoyment it can deliver the problems and frustrations of writing biographies and the various ways the project can be approached by those constructing these lives They probe the art and craft of the political biographer

**Unceasing Militant, Second Edition** Alison M. Parker, 2025-03-17 Born into slavery during the Civil War Mary Church Terrell 1863 1954 would become one of the most prominent activists of her time with a career bridging the late nineteenth century to the civil rights movement of the 1950s The first president of the National Association of Colored Women and a founding member of the NAACP Terrell collaborated closely with the likes of Frederick Douglass Ida B Wells and W E B Du Bois *Unceasing Militant* is the first full length biography of Terrell bringing her vibrant

voice and personality to life Though most accounts of Terrell focus almost exclusively on her public activism Alison M Parker also looks at the often turbulent unexplored moments in her life to provide a more complete account of a woman dedicated to changing the culture and institutions that perpetuated inequality throughout the United States This new edition includes a new preface in which Parker reflects on the resurgence of public interest in Terrell and discusses the newly available digitized files of Terrell s papers at the Library of Congress

**Hearings, Reports and Prints of the Senate Select Committee on Presidential Campaign Activities** United States. Congress. Senate. Select Committee on Presidential Campaign Activities,1973

**Political Women** Alana Jeydel,2004-08-02 Under what conditions are political elites responsive to social movements and when do social movements gain access to political elites This book explores this question with regard to the women s movement in the US asking under what conditions are Congress and the presidency responsive to the women s movement and when will the women s movement gain access to Congress and the presidency The book systematically compares the relation between political leaders and each of the three waves of the women s movement 1848 1889 1890 1928 and 1960 1985 in light of the political dynamics that each wave faced The author utilizes perspectives and methods from the fields of Political Science Sociology and History to illustrate the ways in which changing political dynamics impacted the battle for both women s suffrage and the Equal Rights Amendment A significant addition to the study of women s history and American studies **Political Women** illustrates the important roles that political leaders played in the battle for women s suffrage and the ERA and demonstrates the political savvy among women suffrage activists who recognized the institutional barriers present in the US political system and fought to overcome them

**America's Political Dynasties** Stephen Hess,2017-07-05 This is the 30th anniversary edition of a book that was hailed on publication in 1966 as fascinating by Margaret L Coit in the Saturday Review and as masterly by Henry F Graff in the New York Times Book Review The Constitution could not be more specific No title of nobility shall be granted by the United States Yet in over two centuries since these words were written the American people despite official disapproval have chosen a political nobility For generation after generation they have turned for leadership to certain families They are America s political dynasties Now in the twentieth century surprisingly American political life seems to be largely peopled by those who qualify in Stewart Alsop s phrase as People s Dukes They are all around us Kennedys Longs Tafts Roosevelts Here is the panorama of America s political dynasties from colonial days to the present in fascinating profiles of sixteen of the leading families Some like the Roosevelts have shown remarkable staying power Others are all but forgotten such as the Washburns a family in which four sons of a bankrupt shopkeeper were elected to Congress from four different states America s Political Dynasties investigates the roles of these families in shaping the nation and traces the whole pattern of political inheritance which has been a little considered but unique and significant feature of American government and diplomacy And in doing so it also illuminates the lives and personalities of some two hundred often engaging usually ambitious sometimes brilliant occasionally unscrupulous

individuals

Getting the books **Republican Like Me A Diary Of My Presidential Campaign** now is not type of challenging means. You could not isolated going in imitation of books increase or library or borrowing from your associates to log on them. This is an definitely easy means to specifically get guide by on-line.
