Rescue Of The Innocents Endangered Children In Medieval Miracles

Ronald C. Finucane

Rescue Of The Innocents Endangered Children In Medieval Miracles:

The Rescue of the Innocents Ronald C. Finucane, 1997 It has been said that the part of Medieval history which scholars find most challenging to elucidate is the emotional life of Medieval families Indeed it is an area that is surrounded by a sense of mystery and superstition In *The Rescue of the Innocents* Ronald Finucane seeks to examine this area by focusing on the influence of miracles on the lives of children during the Middle Ages Finucane explores rampant reports of miraculous happenings delving into the experiences of six hundred children who were rescued cured or resuscitated it was thought by the holy dead He analyzes the impact that these wonders had on the families of the children comparing the differences between experiences of families in the north and the south of Europe The reactions of mothers in particular in comparison to fathers and other kin are studied for their distinctive quality In addition Finucane breaks with the traditions of Medieval historians and concentrates on only one type of source hagiographical records BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

The Rescue of the Innocents Ronald C. Finucane, 2000 In *The Rescue of the Innocents* Richard Finucane looks at the influence of miracles on the lives of children during the Middle Ages Finucane explores rampant reports of miraculous happenings delving into the experiences of six hundred children who were rescued cured or resuscitated it was thought by the holy dead He analyzes the impact that these wonders had on the families of the children comparing the differences between experiences of families in the north and the south of Europe The reactions of mothers in particular in comparison to fathers and other kin are studied for their distinctive quality In addition Finucane breaks with the traditions of Medieval historians and concentrates on only one type of source hagiographical records In so doing he produces a wealth of fascinating material sharing with readers the experiences of grief joy and belief among Medieval families

Kids Those Days: Children in Medieval Culture ,2022-02-22 In *Kids Those Days* Lahney Preston Matto and Mary Valante have organized a collection of interdisciplinary research into childhood throughout the Middle Ages Contributors to the volume investigate childhood from Greece to the Celtic Fringe looking at how children lived suffered thrived or died young Scholars from myriad disciplines from art and archaeology to history and literature offer essays on abandonment and abuse fosterage and guardianship criminal behavior and child rearing child bishops and sainthood disabilities and miracles and a wide variety of other subjects related to medieval children The volume focuses especially on children in the realms of religion law and vulnerabilities Contributors are Paul A Broyles Sarah Croix Gavin Fort Sophia Germanidou Danielle Griego M ire Johnson Daniel T Kline Jenni Kuuliala Lahney Preston Matto Melissa Raine Eve Salisbury Ruth Salter Bridgette Slavin and Mary A Valante

A Companion to Medieval Miracle Collections ,2021-09-06 Miracle accounts provide a window into the views and conceptions of the laity the uneducated women and even children whose voices are mostly missing from other types of sources They are not however simple to use This volume offers a methodological insight into the medieval world of the miraculous Consisting of 15 cutting edge articles by leading scholars in

the field it provides versatile approaches to the origins methods and recording techniques of various types of miracle narratives It offers fascinating case studies from across Europe which show how miracle accounts can be used as a source for various topics such as lived religion healing protection and family and gender Contributors are Nicole Archambeau Leigh Ann Craig Ildik Csepregi Jussi Hanska Emilia Jamrozak Sari Katajala Peltomaa Jenni Kuuliala Iona McCleery Jyrki Nissi Roberto Paciocco Donald S Prudlo Marika R s nen Jonas Van Mulder and Louise Elizabeth Wilson *Disability in Medieval Europe* Irina Metzler,2006-06-07 This impressive volume presents a thorough examination of all aspects of physical impairment and disability in medieval Europe Examining a popular era that is of great interest to many historians and researchers Irene Metzler presents a theoretical framework of disability and explores key areas such as medieval theoretical concepts theology and natural philosophy notions of the physical body medical theory and practice Bringing into play the modern day implications of medieval thought on the issue this is a fascinating and informative addition to the research studies of medieval history history of medicine and disability studies scholars the English speaking world over **Youth and Age in the Medieval North** Shannon Lewis-Simpson,2008 This interdisciplinary volume explores social cultural and biological definitions of youth and age specific to the medieval north and changing mentalities towards youth and age as a result of political cultural and religious transformations in the north *Wandering Women and Holy Matrons* Leigh Ann Craig,2009 This book explores women's experiences of pilgrimage in Latin Christendom between 1300 and 1500 C E Later medieval authors harbored grave doubts about women's mobility literary images of mobile women commonly accused them of lust pride greed and deceit Yet real women commonly engaged in pilgrimage in a variety of forms both physical and spiritual voluntary and compulsory and to locations nearby and distant Acting within both practical and social constraints such women helped to construct more positive interpretations of their desire to travel and of their experiences as pilgrims Regardless of how their travel was interpreted those women who succeeded in becoming pilgrims offer us a rare glimpse of ordinary women taking on extraordinary religious and social authority **Infirmity in Antiquity and the Middle Ages** Christian Krötzel,Katriina Mustakallio,Jenni Kuuliala,2016-03-09 This volume discusses infirmitas infirmity or weakness in ancient and medieval societies It concentrates on the cultural social and domestic aspects of physical and mental illness impairment and health and also examines frailty as a more abstract cultural construct It seeks to widen our understanding of how physical and mental well being and weakness were understood and constructed in the longue dure from antiquity to the Middle Ages The chapters are written by experts from a variety of disciplines including archaeology art history and philology and pay particular attention to the differences of experience due to gender age and social status The book opens with chapters on the more theoretical aspects of pre modern infirmity and disability moving on to discuss different types of mental and cultural infirmities including those with positive connotations such as medieval stigmata The last section of the book discusses infirmity in everyday life from the perspective of healing medicine and care Medicine

and the Law in the Middle Ages ,2014-03-27 Medicine and the Law in the Middle Ages offers fresh insight into the intersection between these two distinct disciplines A dozen authors address this intersection within three themes medical matters in law and administration of law professionalization and regulation of medicine and medicine and law in hagiography The articles include subjects such as medical expertise at law on assault pregnancy rape homicide and mental health legal regulation of medicine roles physicians and surgeons played in the process of professionalization canon law regulations governing physical health and ecclesiastical leaders and connections between saints judgments and the bodies of the penitent Drawing on primary sources from England France Frisia Germany Ireland Italy Portugal and Spain the volume offers a truly international perspective Contributors are Sara M Butler Joanna Carraway Vitiello Jean Dangler Carmel Ferragud Fiona Harris Stoertz Maire Johnson Hiram K mper Iona McCleery Han Nijdam Kira Robison Donna Trembinski Wendy J Turner and Katherine D Watson

Birth Passages Theresa M. Krier,2001 Birth Passages offers a provocative and eloquent challenge to the nostalgia for the maternal sometimes influenced by classic Freudian theory which pervades many discourses Theresa M Krier suggests an alternative to the common characterizations of the maternal as a force inspiring both desire and dread a force that must be repressed if subjectivity and culture are to be established Instead drawing on the work of Melanie Klein D W Winnicott and Luce Irigaray Krier seeks to establish a new model of the relationship between mother and infant one in which birth is seen not as the tragic ending to the prenatal union but rather as the child s claiming both distance from and proximity to this parent Krier s insightful readings of poetic works from antiquity the Middle Ages and the Renaissance show these texts in opposition to their cultures insistent nostalgia for the maternal Their authors she maintains recognize such longing as a symptom of a glamorous but false and disabling fantasy In her analysis of the Song of Songs Lucretius s De rerum natura Chaucer s Parlement of Foules Spenser s Amoretti and Faerie Queene and Shakespeare s Love s Labor s Lost and The Winter s Tale Krier details how the writings represent the intersubjective nature of birth

Children and Childhood in Western Society Since 1500 Hugh Cunningham,2020-06-10 Updated to incorporate recent scholarship on the subject this new edition of Hugh Cunningham s classic text investigates the relationship between ideas about childhood and the actual experience of being a child and assesses how it has changed over the span of 500 years Through his engaging narrative Hugh Cunningham tells the story of the development of ideas from the Renaissance to the present revealing considerable differences in the way Western societies have understood and valued childhood over time His survey of parent child relationships uncovers evidence of parental love care and in the frequent cases of child death grief throughout the period concluding that there was as much continuity as change in the actual relations of children and adults across these five centuries Since the book s first publication in 1995 the volume of historical research on children and childhood has escalated hugely and is testimony to the level of concern provoked by the dominance of the negative narrative that originated in the 1970s and 1980s A new epilogue revisits the volume from today s perspective analysing why this negative narrative

established dominance in Western society and considering how it has affected historical writing about children and childhood enabling the reader to put both this volume and recent debates into context Supported by an updated historiographical discussion and expanded bibliography *Children and Childhood in Western Society since 1500* remains an essential resource for students of the history of childhood the history of the family social history and gender history *Parenting* George W. Holden, 2014-10-10 Written from a psychological perspective while integrating cross disciplinary viewpoints this fully updated Second Edition takes a parent centered approach to exploring topics such as the reasons behind parental behavior the effect parents and children have on one another and social policy's ability to help families Including the latest statistics on family functioning and with coverage of contemporary issues George Holden's *Parenting* conveys the process of parenting in all its complexities

A Bishop's Tale Craig Harline, Eddy Put, 2008-10-01 This absorbing book takes us back to the busy colorful world of a Netherlandish Catholic bishop and his flock during the age of Reformation It is drawn from a rare journal one of many kept by Mathias Hovius from 1596 to 1620 while he was Archbishop of Mechelen part of modern Belgium Elegantly written the book focuses not only on the life of Mathias Hovius but also on key events and characters of his time it portrays lived religion so that we see people from all sides getting involved in the constant negotiation of what it meant to be a good Catholic Craig Harline and Eddy Put recreate the eventful life and times of Mathias Hovius a world in which other believers were outright heretics the nagging fevers of old age were the result of unbalanced bodily humors and a corruptible earth rested motionless at the center of the universe while God sat exalted on a throne just beyond the fixed stars The authors also tell the stories of monks nuns priests millers pilgrims peasant women saints town and village councils and ordinary parishioners each story fascinating in its own right illustrates a major theme in the history of the Catholic Reformation In the end Harline and Put have painted a picture teeming with life and energy

Childhood in the Middle Ages and the Renaissance Albrecht Classen, 2011-12-22 Earlier theses on the history of childhood can now be laid to rest and a fundamental paradigm shift initiated as there is an overwhelming body of evidence to show that in medieval and early modern times too there were close emotional relations between parents and children The contributors to this volume demonstrate conclusively on the one hand how intensively parents concerned themselves with their children in the pre modern era and on the other which social political and religious conditions shaped these relationships These studies in emotional history demonstrate how easy it is for a subjective choice of sources coupled with faulty interpretations caused mainly by modern prejudices toward the Middle Ages in particular to lead to the view that in the past children were regarded as small adults The contributors demonstrate convincingly that intense feelings admittedly often different in nature shaped the relationship between adults and children

Beyond the Century of the Child Willem Koops, Michael Zuckerman, 2012-10-30 In 1900 Ellen Key wrote the international bestseller *The Century of the Child* In this enormously influential book she proposed that the world's children should be the central work of society during the twentieth century

Although she never thought that her century of the child would become a reality in fact it had much more resonance than she could have imagined The idea of the child as a product of a protective and coddling society has given rise to major theories and arguments since Key s time For the past half century the study of the child has been dominated by two towering figures the psychologist Jean Piaget and the historian Philippe Ari s Interest in the subject has been driven in large measure by Ari s s argument that adults failed even to have a concept of childhood before the thirteenth century and that from the thirteenth century to the seventeenth there was an increasing childishness in the representations of children and an increasing separation between the adult world and that of the child Piaget proposed that children s logic and modes of thinking are entirely different from those of adults In the twentieth century this distance between the spheres of children and adults made possible the distinctive study of child development and also specific legislation to protect children from exploitation abuse and neglect Recent students of childhood have challenged the ideas those titans promoted they ask whether the distancing process has gone too far and has begun to reverse itself In a series of essays *Beyond the Century of the Child* considers the history of childhood from the Middle Ages to modern times from America and Europe to China and Japan bringing together leading psychologists and historians to question whether we unnecessarily infantilized children and unwittingly created a detrimental wall between the worlds of children and adults Together these scholars address the question whether a hundred years after Ellen Key wrote her international sensation the century of the child has in fact come to an end *Crying in the Middle Ages* Elina Gertsman,2012-02-20 Sacred and profane public and private emotive and ritualistic internal and embodied medieval weeping served as a culturally charged prism for a host of social visual cognitive and linguistic performances *Crying in the Middle Ages* addresses the place of tears in Jewish Christian and Islamic cultural discourses providing a key resource for scholars interested in exploring medieval notions of emotion gesture and sensory experience in a variety of cultural contexts Gertsman brings together essays that establish a series of conversations with one another foregrounding essential questions about the different ways that crying was seen heard perceived expressed and transmitted throughout the Middle Ages In acknowledging the porous nature of visual and verbal evidence this collection foregrounds the necessity to read language image and experience together in order to envision the complex notions of medieval crying **Medicine and Religion c.1300** Joseph Ziegler,1998-07-09 This book takes a fresh look at the cultural role of medicine among learned people around 1300 It was at this time that learned medicine came to be fully incorporated into the academic system and began to win greater social acceptance Joseph Ziegler argues that physicians and clerics did not confine the role of medicine to its physical therapeutic function and that fusion rather than disjunction characterized the relationship between medicine and religion at that time Much of this argument relies on language analysis and on a close study of unedited manuscript sources By juxtaposing the spiritual writings and the medical output of two learned physicians Arnau de Vilanova c 1238 1311 and Galvano da Levanto fl 1300 Dr Ziegler shows that they saw a medical purpose namely to ensure the spiritual health

of their audience and to reveal the mysteries of God and creation When entering the spiritual realm both brought to it a medical framework and extended their medical knowledge and curative activities from body to soul By examining preachers manuals and sermons the author suggests that a growing tendency emerged among clerics in general and preachers in particular to appropriate current medical knowledge for spiritual purposes and to substantiate their extensive use of medical metaphors analogies and exempla by citing specific medical authorities

A Cultural History of Childhood and Family in the Middle Ages Louise J. Wilkinson, 2012-03-01 The Middle Ages 800 1400 were a rich and vibrant period in the history of European culture society and intellectual thought Emerging state powers economic expansion and contraction the growing influence of the Christian Church and demographic change all influenced the ideals and realities of childhood and family life Movements for Church reform brought the spiritual and moral concerns of the laity into sharper focus profoundly shaping attitudes towards gender and sexuality and how these might be applied to family roles At the same time the growth of trade the spread of literacy and learning shifting patterns of settlement and the process of urbanization transformed childhood This volume explores the ideas and practices which underpinned contemporary perceptions of childhood in the medieval West and illuminates the enduring importance of the family as a dynamic economic political and social unit A Cultural History of Childhood and Family in the Middle Ages presents essays on family relationships community economy geography and the environment education life cycle the state faith and religion health and science and world contexts

Married Life in the Middle Ages, 900-1300 Elisabeth van Houts, 2019-02-06 Married Life in the Middle Ages 900 1300 contains an analysis of the experience of married life by men and women in Christian medieval Europe c 900 1300 The study focusses on the social and emotional life of the married couple rather than on the institutional history of marriage breaking it into three parts Getting Married the process of getting married and wedding celebrations Married Life the married life of lay couples and clergy their sexuality and any remarriage and Alternative Living which explores concubinage and polygyny as well as the single life in contrast to monogamous sexual unions In this volume van Houts deals with four central themes First the tension between patriarchal family strategies and the individual family member s freedom of choice to marry and if so to what partner second the role played by the married priesthood in their quest to have individual agency and self determination accepted in their own lives in the face of the growing imposition of clerical celibacy third the role played by women in helping society accept some degree of gender equality and self determination to marry and in shaping the norms for married life incorporating these principles fourth the role played by emotion in the establishment of marriage and in married life at a time when sexual and spiritual love feature prominently in medieval literature

Centuries of Child Labour Marjatta Rahikainen, 2017-07-05 Most historical studies of child labour have tended to confirm a narrative which witnesses the gradual disappearance of child labour in Western Europe as politicians and social reformers introduced successive legislation gradually removing children from the workplace This approach fails to explain the return or continuance of child labour in

many affluent European societies Centuries of Child Labour explains changes in past child labour and attitudes to working children in a way that helps explain the continued survival of the practice from the seventeenth through to the late twentieth centuries Centuries of Child Labour conveys a richer sense of child labour by comparing the experiences of the Northern European periphery to the paradigmatic cases of Britain and France The northern cases drawing heavily on empirical evidence from Sweden Finland and Russia test received ideas of child labour through comparisons with Britain France Germany Italy and Spain Presenting the children themselves as the main protagonists rather than the law makers industrialists and social commentators of the time Marjatta Rahikainen provides fresh information and perspectives offering revelations to readers familiar only with the situation in France and Britain

Thank you for downloading **Rescue Of The Innocents Endangered Children In Medieval Miracles**. Maybe you have knowledge that, people have look numerous times for their chosen books like this Rescue Of The Innocents Endangered Children In Medieval Miracles, but end up in harmful downloads.

Rather than enjoying a good book with a cup of coffee in the afternoon, instead they are facing with some infectious virus inside their laptop.

Rescue Of The Innocents Endangered Children In Medieval Miracles Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rescue Of The Innocents Endangered Children In Medieval Miracles has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rescue Of The Innocents Endangered Children In Medieval Miracles has opened up a world of possibilities. Downloading Rescue Of The Innocents Endangered Children In Medieval Miracles provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rescue Of The Innocents Endangered Children In Medieval Miracles has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rescue Of The Innocents Endangered Children In Medieval Miracles. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rescue Of The Innocents Endangered Children In Medieval Miracles. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities

not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading *Rescue Of The Innocents Endangered Children In Medieval Miracles*, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download *Rescue Of The Innocents Endangered Children In Medieval Miracles* has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
