Visions from Professional Development School Partners Michael Cosenza, Merilyn Buchanan, 2018-01-01 Rich clinical preparation combined with progressive experiences in professional development school PDS settings are proposed to bring about systemic and impactful transformation of educator preparation and professional growth in order to improve and enhance P 12 student learning In this book diverse authors describe their efforts to forge PDS partnerships to develop and deliver high quality training and practical experiences for candidates and simultaneously provide professional development for experienced practitioners in ways that mirror recommendations found in authoritative reports and literature The authors collective wisdom is vividly captured in the multi voiced chapters that are collaborations between cooperating teachers school administrators county and district level administrators university supervisors and instructional faculty The contexts authors write about are recognizable and the accomplishments they experienced and challenges faced will resonate with institutions courageously undertaking change or renewal The book will be invaluable to school and university faculty and administrators as they transition to a partnering model of clinical preparation for teacher candidates it will help stakeholders decide if their schools and institutions are ready to commit to a partnership and highlight the benefits they stand to gain but realistically address challenges that may be faced by administrators and faculties as well as teacher candidates in the PDS enterprise

**A Professional Development School Partnership** Renee W. Campoy, 2000-05-30 The professional development school PDS is a unique educational reform initiative that attempts the simultaneous reform of education at the school and the university By conducting reform at both levels of education the PDS is a solution to the piecemeal reforms of the past from Dewey s Progressivism to the Sputnik reforms to New Math to Whole Language which have targeted educational change in the public schools but most have overlooked the preparation of new teachers The PDS addresses the professional development of experienced teachers in the field the preparation of new teachers and improvement of the programs of K 12 schools at the same time and at the same place the school site In this way reform goals are agreed upon and implemented by both new and experienced teachers so that reform efforts are seamlessly supported by all parties involved Nevertheless most educators engaged in PDS reform agree that PDSs are a high stakes reform effort and are fraught with difficulties This case study provides an annotated road map of one PDS partnership so that others interested in partnership work are provided general principles to guide their work

Professional Development Schools Rick Breault, Donna Adair Breault, 2012 Professional Development Schools Researching Lessons from the Field provides a comprehensive analysis of PDS research that can aid PDS stakeholders in designing and sustaining meaningful research in their partnerships Breault and Breault used an extensive qualitative meta synthesis to examine the research over the past 20 years Their comprehensive review of 300 studies provides a deep understanding of the challenges and potential within PDSs The authors offer analysis regarding key elements of PDSs and highlight strong studies including a large scale multi site

study and studies using mixed methods and action research effectively They also highlight exemplary studies showing how pilot studies are effective ways to research new partnerships how theory can lead to greater abstraction and how metaphor can clarify complex relationships This book is an essential resource for all stakeholders involved in professional development schools *Professional Development Schools and Transformative Partnerships* Polly, Drew, 2014-08-31 School university partnerships have the potential to greatly benefit teaching and learning in PK 12 environments as well as educator preparation programs This collaboration is advantageous to teachers counselors and administrators Professional Development Schools and Transformative Partnerships provides a comprehensive look at the design implementation and impact of educational initiatives between schools and universities Including cases and research on existing collaborations this publication addresses barriers and trends in order to provide direction for successful partnerships in the future This book is an essential reference source for educational leaders in colleges schools and departments of education as well as leaders of PK 12 schools *Professional Development Schools and Social Justice* Kristien Zenkov, Diane Corrigan, Ronald S. Beebe, Corey R. Sell, 2013-10-22 This book extends the national discussion about the Professional Development School PDS movement of the past three decades The volume highlights school university partnerships focus on collaborative activities that endeavor to promote social justice in and across P 12 and university classrooms educational institutions and communities Professional Development Schools and Social Justice Schools and Universities Partnering to Make a Difference guides veteran teachers undergraduate and graduate pre service teachers and university faculty to understand how the PDS model might be oriented toward social justice ideals Co authored by school and university based educators each chapter details the social justice work of specific partnerships and provides concrete instructional and curricular methods for application within both teacher education and PK 12 settings Readers are provided insight into a range of elements of Professional Development Schools including the development of PK 12 and teacher education curricula processes of program implementation and research and data collection **Professional Development and Supervision of School**
