Research Guide Surrogate Motherhood:

Research Guide: Surrogate Motherhood Kathleen K. Bach,1987 **Research Guide: Surrogate Motherhood** Bach,1987 **Surrogate Motherhood** Helena Ragone,2019-07-11 Surrogate Motherhood Conception in the Heart is a compelling account written with analytical clarity and remarkable compassion Helena Ragon has given long overdue humanity and voice to the actual participants in the surrogate motherhood experience a heretofore inaccessible population and the results are fascinating Anyone interested in fertility parenting reproduction and kinship or anyone interested in contemporary culture will want to read this book **Issues in Reproductive Technology** Helen B. Holmes,1994-08 A remarkable collection of scholarly essays philosophical discussions and ethical arguments concerning reproductive choices Choice It seems as if every week there is a new case involving reproductive technologies that raises provocative often painful questions What policies should be followed by centers that preserve human embryos Are such innovations as Norplant improvements over established methods of contraception Should R U 486 be available in the U S Is prenatal diagnosis an ethically acceptable step to limiting the number of disabled people These are just some of the vital questions explored in this timely work which offers incisive analysis of the plethora of issues raised by advances in reproductive medicine The book s major section cover abortion contraception cryopreservation of gametes and embryos surrogate motherhood and psychosocial issues of in vitro fertilization In each section introductory essays by recognized authorities such as Elizabeth Bartholet and Andrea L Bonnicksen are followed by critical articles by professionals in such fields as women s health medicine biology sociology politics and philosophy In assessing a technology the authors present well argued analyses of problems created by that technology including views from advocates and practitioners that raise attendant ethical and practical issues **The Ethics of Commercial Surrogate Motherhood** Scott Rae,1994 This study addresses the two most controversial issues in surrogate motherhood the commercial aspect of the practice and the issue of parental rights After setting the legal and moral backdrop of procreative liberty in general Rae argues that commercial surrogacy is the moral equivalent of baby selling and should be prohibited Add to this the potential for exploitation of the surrogate in practices that are already in motion and it is not hard to see the potential for harm to the parties involved The book concludes with a survey of state and international law to date on surrogacy and a sample legislative proposal that could be adopted by states that are currently deliberating the issues The commercial aspect of surrogacy makes it a potentially profitable business not only for the surrogates but also for the brokers who facilitate the arrangements This book promotes careful forethought a reconsideration of definitions of parenthood and a thorough examination of cases past and pending **Surrogate Motherhood Families** Olga B.A. van den Akker,2017-08-18 This comprehensive book covers the research theory policy and practice context of unusual reproduction using third parties Olga Van den Akker details the psychological adaptation required to continuing changes in public opinion advances in technologies and new legislations in surrogate motherhood and

discusses their impact at an individual societal and global level She describes the competing interests and interactions between legal organisational personal social psychological and cultural issues in relation to biological and genetic surrogate and commissioning parenthood This book is intended for professionals practitioners academics and students interested in the complexities of unusual reproduction using multidisciplinary perspectives

Research Guide Surrogate Motherhood: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Research Guide Surrogate Motherhood : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Research Guide Surrogate Motherhood : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papan, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
