Ripples of Hope Jimi Cook,2022-10-14 God is love and love brings hope We are all designed with a purpose and it is to reveal who God is to the world The inspiring stories in this book define the why and how for this purpose so that we can live it out every day You want to change the world Start making ripples of hope Be The Change Kourtney Govro Author of A Ride Down the Road and A Day on the Water How can you change the world Hope kindness generosity compassion humility grit courage gratitude empathy joy forgiveness and love carried out in your everyday life one moment one action one person at a time creating small ripples that you send out into the world This book tells the stories of people who lived out these powerful traits and used them to make a splash that created ripples As you read each story you will see how interconnected these traits really are and how when put into action their ripples coincide and coalesce to make warm and soothing waves of inspiration and hope as well as powerful waves of love that can wash down the mightiest walls of oppression injustice prejudice hatred exclusion indignity and violence The stories in this book will make you laugh cry gasp and get goosebumps

but mostly they will challenge you to create ripples and make waves in the world each and every day If accepted this challenge will change many lives including your own and change the world for the better The Serendipity of Hope Simon Lee, Ian S. Markham, 2023-07-07 Institutions are very precious If any idea is going to persist into the future then it needs an institution to keep it going Each of us comes to understand often only gradually over the decades how some influences from our earlier life have affected us Some will have been inspiring Some will have given us direct models of how to behave or how not to behave Indeed it is often the case that the deeper an influence turns out to have been in the long run the less likely it is that we noticed it at the time it was happening For this reason it has become necessary to find the time to reflect on and express gratitude for the institutions that helped form who we are and the work that we do This collection of essays explores the impact of one institution on twenty five participants twenty five years after we worked together The Institution was Liverpool Hope University College and is now Liverpool Hope University By telling and reflecting on our stories we aim to encourage others to think about their own experiences and ultimately our earnest hope is that a greater awareness of this aspect of university life will help to transform our collective understanding of the nature of universities in particular and of communities institutions or societies in general But there was something special about belonging to a community called Hope Ripples of Hope Anne Marie Neuchterlein, 1987 Hope for Your Soul Dr. Samuel White III,2018-08-22 Hope For Your Soul Do you need a word of encouragement Hope For Your Soul will lift you from the valley of despair to mountain tops of hope Each meditation will strengthen your faith to pursue your dreams and move your mountains This is a must read for every soul that hungers for hope and inspiration In a time where suicide is at an all time high despair and depression abound both within and outside of the Church and the political landscape is dangerously repressive and regressive the Prophet in the person of the Dr Samuel White III stands in the ruins and says Yes there is hope Dr Genetta Y Hatcher Vice President of Administration and Student Services Director of Recruitment Ecumenical Theological Seminary One of the most difficult struggles can be the struggle to find hope Drawing from his many years of experience as pastor teacher and writer Dr Samuel White III helps us find our way to that elusive goal If youre looking for a reminder of what truly matters in our lives and a road map for how to get back there youll find it in the pages of Hope For Your Soul Dr Brandon R Grafius Assistant Professor of Biblical Studies Ecumenical Theological Seminary Dr Samuel White III encourages the reader that there is hope for the mind body and more importantly the soul Dr Edward Knox Author Gods Grace Through Grief

Jones, 2024-12-10 The late David K Jones spent four years visiting the Mississippi Delta conducting primary research with residents and local leaders to explore the connections between race place and health He weaves their insights with data analysis to show how local state and national policies and structures whether intentional or not constrain or expand the daily choices of individuals that affect health In order to remedy the complex problem of health disparities Jones argues that a new approach to creating health equity policy is needed Through firsthand narratives Jones elevates the voices of people living and working in the Delta to guide the discovery of which community led ripples of hope efforts have already been effective and should be nourished and what policy changes are still needed to support healthy lives In this mix of ethnography policy and social science Jones offers a roadmap for creating a community led goal based deficit and asset approach to charting a health policy agenda to health equity in the Delta and beyond Whatever Happened to the

White Picket Fences Restoring the American Dream by Rebuilding Community Chris McCormick, 2024-08-12 Whatever Happened to the White Picket Fences Restoring the American Dream by Rebuilding Community demonstrates a clear and consistent thematic continuity throughout its narrative The central theme revolves around the decline of the American middle class and the erosion of community values with a strong emphasis on the need to rebuild and restore both The author consistently weaves together personal anecdotes historical references and social commentary to support this central theme They begin by reminiscing about their childhood in the 1960s a time they perceive as characterized by stronger communities and a more prosperous middle class This sets the stage for a discussion of the factors that have contributed to the decline of the middle class such as Reaganomics corporate greed and the erosion of unions The author then explores various strategies for rebuilding the middle class and restoring community values. These include supporting local businesses promoting vocational education revitalizing main streets embracing sustainable practices and fostering civic engagement Throughout the document the author emphasizes the importance of individual action and collective responsibility in achieving these goals While the document touches upon various subtopics such as the rise of corporate landlords the gig economy and the impact of the COVID 19 pandemic these are all connected to the central theme of rebuilding the middle class and restoring community The author effectively links these seemingly disparate topics by highlighting their impact on the economic and social well being of individuals and communities. The document s continuity is further enhanced by the author's consistent use of language and tone The writing style is personal and conversational drawing the reader in with anecdotes and relatable experiences. The author's passion for the subject matter is evident throughout creating a sense of urgency and inspiring readers to take action In conclusion Whatever Happened to the White Picket Fences Restoring the Middle Class by Rebuilding Community demonstrates strong thematic continuity effectively weaving together personal experiences historical context and social commentary to present a compelling argument for the need to rebuild the middle class and restore community values The Double Bottom Line Donato Tramuto, Tami Booth Corwin, 2022-04-05 Compassionate leadership isn t about being nice when practiced effectively it s a strong leadership style that can elevate your spirits and profits Compassionate leaders are not weak They are tough leaders who understand that they can be good to their people and deliver stronger results In fact taking care of your people actually leads to better results In his new book Donato Tramuto recognized CEO business leader innovator and philanthropist makes the case that compassion is a key leadership principle that powerfully drives trust success and innovation raises morale builds stronger teams and improves overall performance creates sustainable commitment to an organization s mission and values Tramuto interviewed nearly 40 successful leaders who practice compassionate leadership and reveals the best strategies from their playbooks He then combined these interviews with his own insights numerous studies and original qualitative research of 1 500 participants to unleash the measurable data and benefits of compassion in the workplace Most leaders have an innate

desire to be compassionate but many don t know how to put it into practice This book shares inspiring stories and actionable examples of how proven leaders have accomplished this and how you can too The bottom line on bottom lines compassionate leadership is about better people and better business
