Great Men and Famous Women Charles Francis Horne,1894 **Famous People Speak About Jesus** Christopher H.K. Persaud,2004-11-16 WHO DO YOU SAY THAT I AM Jesus posed the question to His disciples a short time before he was unfairly accused and wrongfully condemned to death after being subjected to a mockery of a legal trial before he was horrendously abused and killed atop a wooden cross And who do you say that I am Peter the disciple who was to initiate and lead the astounding movement we know today as Christianity answered You are the Son of the living God to which Jesus replied Peter you are the rock upon which I will build my Church and the gates of hell will not prevail against it Jesus question reverberates throughout history as we know it and directly and indirectly people have answered and continue to respond to this most poignant of inquiries Let us endeavor in this regard to peer into the thoughts of over a thousand notable men and women from the first century following Christ s life and times to the present age Let us read what monarchs presidents statesmen philosophers scientists theologians writers philanthropists poets composers singers songwriters actors actresses television talk show hosts athletes and Christian martyrs throughout history among others and even a dictator or two and a few infamous personalities have had to say about this mesmerizing young rabbi who wandered the Judean hills over two thousand years ago *The Oxford Children's Book of Famous People* Oxford Univ Pr,2002 The Oxford Children s Book of Famous People is a one stop guide to the people who matter This stylish and information packed book tells the stories of 1000 women and men whose lives have influenced the course of history Learn about the famous and the infamous leaders from Genghis Khan to Tony Blair scientists and thinkers from Aristotle to Stephen Hawking personalities from Rasputin to Michael Jordan The text is organized alphabetically for easy reference but there are also chronological and thematic directories linking people in time and by area of achievement In this new edition the entries have been updated and there are new biographies of such figures as George W Bush J K Rowling Julia Roberts and Steve Redgrave **Famous Men and Great Events of the Nineteenth Century** Charles Morris,2015-11-27 It is the story of a hundred years that we propose to give the record of the noblest and most marvelous century in the annals of mankind Standing here at the dawn of the Twentieth Century as at the summit of a lofty peak of time we may gaze far backward over the road we have traversed losing sight of its minor incidents but seeing its great events loom up in startling prominence before our eyes heedless of its thronging millions but proud of those mighty men who have made the history of the age and rise like giants above the common throng History is made up of the deeds of great men and the movements of grand events and there is no better or clearer way to tell the marvelous story of the Nineteenth Century than to put upon record the deeds of its heroes and to describe the events and achievements in which reside the true history of the age **Louis Pasteur** Grace Taber Hallock,Clair Elsmere Turner,1928 Lives Of Some Great People Jose Dominic Joseph, Stories of Great Men and Women Elsie Emilie Egermeier,1961 Brief biographies of Susan B Anthony Clara Barton Alexander Graham Bell Rosa
