If these are questions that you have been asking yourself, this book was written for you. Thirty years of walking his own path of self-love has brought Timothy to an insightful understanding of just how we can come to love ourselves unconditionally, find peace, and fulfill our life purpose. With compassion and humor, he shares the wisdom he has gained, offering his own experiences to exemplify and amplify the teachings and tools he provides. His is a simple approach, easy to comprehend and extremely effective if conscientiously applied. You will discover that the teachers you require to accomplish these goals are all around you. You will learn how to follow your own inner voice and discover the whole truth about the Law of Attraction. You will learn how to let go of attachments, heal your deepest wounds, and calm your fears, becoming empowered and finally free to love all that you are. A life fulfilled and filled with joy and peace awaits you. It is time to begin. Welcome to Self Love 101.

Love 101 Robert Strand, 1993 How would you grade yourself when it comes to showing love? To determine your love quotient, take this test: I usually choose To love / Not to love / To live for God / To live for self / To live a selfish life / To live a selfless life / To love in word only / To love in action. If you find yourself living mainly for your own selfish interests, maybe you need a refresher course in love 101. In a revolutionary approach to this timeless subject, Robert Strand shows you new and creative ways to show God's love to the people you meet every day, the importance of the five-minute encounter, the eternal impact of friendly gestures, encouragements, and kind deeds. And how your life can become a love oasis to attract hurting, needy people. Discover how you can put God's love into action today and change someone's life forever.

Love 101 Peter McWilliams, 1997 If you were arrested for loving yourself, would there be enough evidence to convict you? If not, this book is a must. It explores improving the most important relationship in your life: your relationship with yourself.
