Love Across The Water:

In Love's Service Steven M. Mandala, 2012-07 This story takes you on a journey beyond the bounds of reason and emotion on an epistemic search for answers to life's reasons for loss and pain Inspired by the author's own life we are taught why scars of our past persist and what true love really means Taking place within the confines of a small cell a man is given a choice to either let the past bind his future and suffer in vain or to use the abrasions of his life to answer his own questions about purpose love and reality The choice he is confronted with is the same choice we all have been given Are you ready to know what it means to love and be loved
